BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE SENATE CONCURRING, That the Clerk of the House and Secretary of the Senate be authorized to retain the clerical staff and all subordinate employees of the House and Senate to perform the necessary duties of the House and Senate during the recess period as authorized by S. J. R. 53.

On motion of Mr. Weeks the rules were suspended and H. J. R. 5 was adopted.

Also:

By Messrs. Drake, Adwell, Agee, Bank, Beck, Berryman (R), Berryman (W), Bowers, Brannan, Brown, Burgess, Burgreen, Cherner, Collier, Cook (Jefferson), Crawford, Dobbs, Downing, Ellis, Foshee, Garrett, Graham, Grayson, Harper, Harris, Haygood, Headley, Hill, Hobbie, Holladay, Holman, House, Jackson (F), Jackson (T), Kilgore, Lemley, Malone, McElhane, Meeks, Melton, Owen (Baldwin), Owens (W), Pearson, Pennington, Sessions, Snell, Springer, Stubbs, Waggoner, Watkins, Weeks, Yeilding and Young:

H. J. R. 6. **WHEREAS** Cassius Clay, Muhammad Ali, syncopated slacker, or by whatever name he chooses to be called, has not only failed to fulfill his obligation in the service of his country, but has refused to be inducted into service and pretends to choose imprisonment pending his appeal from the decision of his draft board; and

WHEREAS every man in his classification is duty bound to serve when called, and by virtue of the publicity he has received from having been boxing champion of the world, he has thrown away the unusual opportunity to act as a symbol of patriotism to all men and particularly to his people. He has chosen rather to shirk his responsibility, to flout his country, and to treat his government with insulting contempt in disputing its right to prosecute for refusal to enter the Armed Services; and

WHEREAS Cassius Clay has stated his intent to move to Alabama where he claims to have bought a farm, knowing full well that he will not be welcome in this State which is famed for its heroes who have fought and died in the service of this Nation. There are no draft card burners in Alabama. There are no picketers or placard bearers in Alabama against the Vietnam War. There are no student uprisings in Alabama protesting this country's stand in defense of liberty. There are thousands of Alabama men and boys fighting and giving their lives in defense of freedom in Vietnam. Thousands of students in our colleges and universities have stood in line for hours on many occasions in drives to give their blood to our troops in Vietnam, which blood drives broke our own universities' records in unprecedented numbers of pints of blood collected. Countless Alabama families have known the grief that comes with the knowledge that one of their members has made the supreme sacrifice. Countless more will suffer this grief as a result of a war needlessly prolonged by actions such as those of Clay, which can but give encouragement to the enemy; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we denounce Cassius Clay, and hold him and all he stands for in the utmost contempt. We deplore his intention to move to Alabama, and assure him that he will not be welcomed by the people of any race. His presence will serve as an embarrassment to Negroes many of whom are our finest citizens and few,

if any, will be swayed by his false beliefs. We memorialize the State Boxing and Wrestling Commission to refuse to license or permit Cassius Clay, or any other person of his ilk, to fight or put on any exhibition of any nature whatsoever in Alabama.

RESOLVED FURTHER that a copy of this resolution be sent to the State Boxing and Wrestling Commission and to Cassius Clay.

On motion of Mr. Drake the rules were suspended and H. J. R. 6 was adopted.

UNANIMOUS CONSENT GRANTED

Mr. Tuck requested unanimous consent to have the Journal show that he was temporarily out of the House when the bills, H. 219, H. 220 and H. 221 were up for passage on the thirty-first legislative day of the Extraordinary Session of 1967. He requested that the Journal show that had he been present he would have voted "nay".

MAY 2, 1967

MESSAGE FROM THE GOVERNOR

TO THE MEMBERS OF THE ALABAMA LEGISLATURE IN REGULAR
SESSION ASSEMBLED ON TUESDAY, MAY 2, 1967

GOVERNOR'S MESSAGE

Under the Alabama Constitution it is my duty to give you information at the beginning of each Regular Session of the Legislature on the condition of the State and to make such recommendations for your consideration which I deem to be of general significance.

It is a pleasant duty, for it provides me an opportunity to again tell you how pleased I am that you have enacted into law certain programs which I thought were necessary during the recent Special Session of the Legislature.

I want to commend you particularly for your determination, time and conscientious effort in finally resolving the knotty problem of reallocating gasoline tax revenues.

The State is continuing to make unparalleled progress and with your continued dedication and courage we will meet every commitment we have made to the people.

I know that during the Special Session of the Legislature there were honest differences of opinion, but I know that you met the problem then and will continue to meet your differences in a spirit of reason and will be able to work out acceptable compromises. Certainly this is my hope and I am sure that it is yours also.

I am especially pleased that you worked with us in the common endeavor in providing for a continuation of the greatest highway building program in the history of the State. At the same time, we are meeting an unquestioned need of our cities and municipalities for a stable source of increased revenue for street and road improvements.

I am also grateful for your enactment into law of the competitive bid bill, which will cover state and local agencies not heretofore covered under the State general competitive bid law. As you know, strict adherence to this law at the State level has saved the State thousands of dollars. I am sure that similar savings will be made throughout the State as a direct result of this new law.

I join all State employees in thanking you for the much needed "cost of living" salary increases made available for merit system employees. We had promised this to the employees during the gubernatorial campaign, and I am glad that we have now fulfilled this commitment. I know that I speak for all merit system employees when I say a hearty, "Thank you".

You have also enacted important legislation implementing recommendations designed to continue the economic progress of the Wallace Administration. I refer to the legislation enabling the Alabama State Docks to undertake much needed capital improvements at the Theodore Industrial Park.

Other important legislation has been enacted, but the above examples are sufficient to support the conclusion that your accomplishments are significant, and to demonstrate that you have the ability to truly perform a wonderful service to the people of Alabama.

I am pleased that you recognized the needs which exist in our State mental hospitals. The appropriations made in this area were an urgent and immediate need.

As you know, I was deeply moved with compassion for these unfortunate people in our mental institutions when I paid a recent visit to the hospitals in Tuscaloosa. I knew before my visit that we should be doing more than we were for our mentally ill, but my trip convinced me that we should establish some priorities in this area.

I am deeply disappointed that you did not favorably consider the bill which would have required banks to pay interest on state deposits. I congratulate the House of Representatives for passing the bill and for refusing to concur in the amendments made by the Senate. All of us recognize the basic justice of requiring the banks in which state deposits are placed to pay a small return for the privilege of using the people's money. Most of our sister states in this region have already recognized the inherent rightness of having banks pay interest on such state deposits.

You will recall that my first executive order required that banks pay interest on state deposits placed with them. Before final implementation of this executive order, the banking interests of this state requested that we stay the execution of this order and approached us and requested that the matter be handled by legislation, pledging their full and complete support of a bill substantially in conformity with Executive Order Number one. Based on these assurances, we held up implementation of our executive order and legislation was prepared and introduced.

As you know, the Conference committee was unable to agree upon an acceptable compromise. It is hard for me to understand why this bill did not pass in view of the commitment we had from banking circles.

As a result of the bill's defeat, the State has lost an estimated \$4 million per year. The loss, over a twenty-five year period, would be \$100 million. Needless to say, we had planned to use part of this money to meet the unbelievable needs of our mentally ill.

We are going to continue to use the influence of the Governor's Office to push for the immediate passage of a fair and workable bill. In fact, such a bill will be introduced today. I call upon you and other state officials specifically concerned with this legislation to use every effort to secure its early passage.

You must now tackle the job which lies ahead.

There are a number of recommendations which were previously submitted on which you will want to consider taking action. From time to time we will submit for your debate and consideration several measures which we deem to be necessary and for the welfare and benefit of the people of Alabama.

This is a very unique Legislature. You have the opportunity to become one of the most progressive Legislatures that the State has ever had. Many of you are freshmen. As freshmen, you will necessarily want to heed the voices of experience on occasion, but there is nothing to prevent you from making suggestions for effecting productive changes. Some of you are returning to the Legislature after having been away from us for awhile. To you, the make-up of the Legislature is quite different—as indeed it is for us—because of the changes which have occurred by reason of apportionment. Many of you are back with us again from last time and we welcome you back. A few of you are what we might refer to as seasoned veterans. You have actually grown with the State. You have seen the State toil and work through many crises. It's good to have you back with us.

There had been and continues to be much speculation and some worry about what will happen in this the first Legislature apportioned strictly according to population. There are going to be some attempts made to divide you into warring factions and to use the Urban-Rural issue in an attempt to array some of you against your fellow colleagues.

But those who would attempt to use such an issue and to you I ask this question, "Is Alabama divided?" The answer is obvious—of course, Alabama is not divided. Each of you is interested in the development and progress of the Great Port City of Mobile and the farming communities within the trade area of that great city. You are also tremendously concerned about the great Southern and Southeastern part of the State and especially the diversified farming and industry which is located there. Each of you is also acutely aware of the specific problems faced in the great Black Belt area of our State, where the State became well known as an agricultural giant, and the section which has produced some of our ablest political leaders and statesmen.

Each of you realize daily how much Birmingham and the industrial cities in that area of the State contribute to the welfare of the entire State. Neither can you fail to be proud of the Tennessee Valley as it continues to flourish as the fastest growing area in Alabama.

No, we are not divided. We are one body—which cannot function without the heart and the hands of all of us. We are one spirit—the spirit of continued progress for our State. We are concerned about our youth—which represents more than half of our population. We are interested—whether we live in the northern, central or southern part of Alabama and regardless of race or color—with the education and welfare of our young people and what we are going to pass on to them—which we hope will be better than what was passed on to us by our parents.

We are concerned then with the common problems which face all Alabamians.

Even though each of you was elected to represent a different district of the State, you are all Alabamians, and you are State Legislators—first and foremost. In every case when decision time comes, you and we must each ask ourselves if what we are doing is in the best interest of the State of Alabama. We owe a duty to every Alabamian to devote our time, talents, interests and debates to the issue of what is good for Alabama.

I need not remind you that our population has been shifting during the past few years. Many are leaving the farms and going to the urban areas, but these are still Alabamians—they are still our native sons and daughters, who were born here and continue to live here, although they may be following a different occupation than that of their forefathers. There are also about a quarter of a million of our residents who were born outside of Alabama and have come to join hands with us to build a bigger and better Alabama. We welcome them and hope they will be successful in Alabama.

Sectionalism, therefore, should have no place in our government. We are all Alabamians, by birth, or by reason of choice, and we owe each other the obligation to do nothing which would hurt Alabama by reason of local or sectional prejudice.

There will be times when you will disagree with each other. There will be times when we will disagree, but I hope it will always be on a matter of principle and not on matters of sectional pride, selfish interests or because of personality conflicts. We are all on the team together—with a common goal—Make Alabama number one in the Nation.

Alabama stands today on the threshold of being able to lead the entire Nation out of confusion and chaos into the light of a new day. The movement which was started here in Alabama by Alabamians is catching fire all over the country and you are indeed a part of the honored few who have been selected as leaders during this special period of history. You are a special people—called apart for special service—to right America's ship of state in the troubled waters in which it is sailing today.

So let us not be guilty of sectionalism on the National scale either. Let us not divide our country but lead our country back to the road of peace and progress and to our constitutional republic where the people themselves are the governors and the governed. Let the world know that we stand on principle—and that one of those principles is embodied in the pledge of allegiance to the American flag. In marked contrast to those who fly the Viet Cong flag and the Russian flag and raise food, blood and clothes for the Viet Cong, our people are law abiding, patriotic and believers in God.

Many of our cities have adopted special units of our fighting men in Viet Nam and there is a whole city named after Gadsden today in Viet Nam because of the efforts of the good people of Gadsden. Alabamians have the best record in the country of collecting blood for the members of the Armed Forces.

Our fields are dotted with the graves of those who have given their all in the defense of the principles represented by Old Glory, and we will continue to pledge ourselves in selfless devotion to other people who have a sincere desire to be free as we are.

We recognize the right of dissent which is one of our first freedoms, but I say, as my husband has said on many occasions—the collection of food, blood and clothes for the Viet Cong is not dissent—this is treason.

You are in a position as no other people have ever been. You will have the opportunity to tell the Alabama story to the rest of the Nation, and indeed the Nation is waiting to hear it. Those of you who have been outside of Alabama are aware that others are saying, "Thank goodness for Alabama!"

You will be faced, of course, with those who are not proud of Alabama—who look for every opportunity to discredit Alabama—and who are always being critical of you and me, but who have no reasonable suggestions to make, and who could not get elected to any post requiring the votes of the people. These people and their activities are necessary nuisances which you and I will have to endure, but we need not let it distract us from being proud of Alabama and it certainly should not limit us in carrying our message to the rest of the Nation.

You are on a fabulous team. Your duty is a large one. Presently, you have some very important legislation to consider and the people of Alabama—whether they live in North Alabama or South Alabama—or whether they live in the cities or in the rural areas—they all expect you to complete your tasks with dispatch and to vote only for those measures which will guarantee the people that they will receive a dollar's worth of value in state services for every dollar of tax money which is spent.

The people of Alabama have shown time and time again that they will do whatever is necessary to furnish all needed services.

Alabamians are practical. They know that they must share in furnishing necessary state services, and they do not mind participating in necessary governmental services if they are assured that their dollars are being well spent.

Briefly, you will need to give special attention to the general appropriations bill, keeping in mind that we must have a balanced budget and no proration.

We need to give further attention to public education in our continuing efforts to do what is right for the young people of Alabama. In this connection, I hope that you will give continuing priority to the investigation into the school situation in the State in the light of recent Federal court decisions.

There will be other proposals which will be submitted to you during the course of the regular session.

While I will not catalogue all of the programs on which I desire action, I specify the following areas in addition to those I have already mentioned and suggest them to you for consideration:

1. The overall Mental Health program of the State
2. A program for parks and recreation
3. A program to encourage further economic development
4. A program to help provide a fuller and happier life for our aged citizens

Again, let me say that we are depending upon you to keep the torch of the Alabama movement burning brightly. Your task will be lightened if you will remember two simple facts. First, you are a public servant. Second, ninety per cent of being a good public servant is being honest. Nothing can demoralize the people more and destroy confidence in government than dishonesty—including the failure to do the best job that you can under the circumstances.

I need not remind you that it is absolutely a necessity that we continue to remember the trust placed in us by the people of Alabama. They believe that we are capable of doing the job or we would not be here. I think we know basically what they want and how we can best represent their interest. This we must do individually and collectively.

I pledge that I will not let the people down and I will do anything in my power to help you do the same.

We have been charged with the duty of showing the Nation how a state handles its own problems and affairs responsibly. We cannot and we must not fail to carry out that duty.

Thank you very much.

A BILL
TO BE ENTITLED
AN ACTSTATE OF ALABAMA
COUNTY OF COLBERT

Notice is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

Further regulating the liquor traffic in Colbert County and authorizing cities in such county to become wet cities if the legal possession, sale and distribution of alcoholic beverages is approved at an election held as authorized in this Act.

Be It Enacted by the Legislature of Alabama:

Section 1. Upon the petition of twenty-five percent of the number of voters voting in the last preceding municipal election being filed with the city clerk of any incorporated city in Colbert County with a population of not less than 4,000 inhabitants according to the most recent federal decennial census, the mayor or chief executive officer of the city must call an election for the city to determine the sentiment of the people as to whether alcoholic beverages can be legally sold or distributed within the city. The election shall be held and the officers appointed to hold the same shall be appointed in the manner provided by law for holding other city elections, and the returns thereof shall be tabulated and the results certified as provided by law for municipal elections. The election shall be held within not less than 30 days, nor more than 45 days, from the date of filing of said petition, and notice thereof shall be given by the city clerk by publication once a week for at least three weeks before the date of said election, in a newspaper of general circulation in the city or, if there be none, by posting such notice at the city hall. Such notice shall apprise the voters of the city that an election will be held in such city to determine whether or not alcoholic beverages may be legally possessed, sold and distributed in such city. The cost of such election, including the costs of notice by publication shall be paid out of city funds. On the ballot to be used for such election the question shall be in the following form: "Do you favor the legal sale and distribution of alcoholic beverages within this city? Yes——. No——." Only qualified voters shall vote in said election. If a majority of the electors voting in said election, vote "Yes" then alcoholic beverages may, except as hereinafter provided, be legally possessed, sold and distributed in the same manner and under the same circumstances and conditions that alcoholic beverages may be possessed, sold and distributed in a "wet county" under Code of Alabama 1940, Title 29, Chapter 1, as amended and supplemented; and the provisions of said Chapter 1 of Title 29, Code of Alabama 1940, shall govern the possession, sale and distribution of alcoholic beverages in such city as fully as if Colbert County had voted to become a "wet county" as authorized in Code of Alabama 1940, Title 29, Section 68. If a majority of the electors voting in said election vote "No" then alcoholic beverages may not be legally possessed, sold or distributed in such city until the possession, sale and distribution thereof shall be authorized at a subsequent election held under this Act or at a subsequent county-wide election whereby Colbert County becomes a wet county. Elections under this Act may be held at any time, provided a period of not less than two years must elapse between the dates of such elections. Any city in Colbert County whose voters approve the legal possession, sale and distribution of alcoholic beverages pursuant to this Act shall be known as a "wet city". After a city in Colbert County has become a "wet city," its status as such shall be governed pursuant to the provisions of this Act, notwithstanding the subsequent wet or dry status of the county under Section 68, of Title 29, 1940 Code of Alabama as amended.

Section 2. The possession in Colbert County of alcoholic beverages or spirituous or vinous liquors, as defined in Code of Alabama 1940, Title 29, on which the Alabama tax has been paid by persons over the age of twenty-one years for their own personal use or consumption shall not be illegal while any city in such county is a wet city pursuant to this Act.

Section 3. Except as herein otherwise provided, the statutes of this state prohibiting the possession, manufacturing, sale and distribution of alcoholic beverages or spirituous and vinous liquors shall remain in full force and effect in Colbert County and in any city therein; and any person, firm or corporation convicted for violating within such county or cities any of the provisions of law regulating or defining the illegal

manufacturing, sale or distribution of alcoholic beverages shall be punished as provided in such laws.

Section 4. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 5. This Act is cumulative and does not repeal any law except such as may be in irreconcilable conflict with it.

Section 6. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

ELEANOR HOLDER.

A BILL
TO BE ENTITLED
AN ACT

Proposing an amendment to the Constitution of Alabama to authorize a hospital tax in District Two of Walker County and the financing of hospitals and health facilities with bonds, warrents or certificates of indebtedness issued in anticipation of the collection of such tax.

Be It Enacted by the Legislature of Alabama:

Section 1. The following amendment to the Constitution of Alabama is proposed, to become valid as a part of the Constitution when approved by a majority of the qualified electors voting thereon and upon proclamation by the Governor:

PROPOSED AMENDMENT

"In addition to any taxes now authorized or that may be hereafter authorized by the Constitution and laws of Alabama, the governing body of Walker County shall levy and cause to be collected annually a special district tax, not exceeding 50 cents on each 100 dollars assessed valuation of taxable property in District Two of Walker County, Alabama, to be used exclusively for public hospital purposes (as the term 'public hospital purposes' is defined in Amendment LXXVI to the Constitution proposed by Acts of 1949, Page 897, submitted December 13, 1949, and proclaimed ratified December 21, 1949) within said District Two; provided that the time during which such tax is to continue and the purpose thereof shall have been first submitted to a vote of the qualified electors in District Two of Walker County and voted for by a majority of such electors voting at such election. The governing body of Walker County may call an election at any time, and it shall be the duty of such governing body to call an election to be held within ninety days after receipt by it of a petition signed by not less than 5% of the qualified electors of said District Two, requesting that such election be called. The governing body may call such election to be held at the same time that this amendment is submitted to the electors of the State for ratification and such election shall be effective to require the levy and collection of such tax in the event that this amendment shall be ratified. The notice of such election, ballots to be used at such election and procedures for holding and determining the results of such election shall be prescribed by the governing body of Walker County. No election shall be held hereunder within one year from the date of the last election so held.

"Whenever such tax shall have been authorized by vote of such qualified electors, and levied by the governing body of Walker County, such governing body may anticipate the proceeds therefrom for any one or more of the purposes for which the tax shall have been voted, by issuing, without further election, interest bearing tax anticipation bonds,

warrants, or certificates of indebtedness of said county payable solely from and secured by a pledge of a sufficient amount of the annual proceeds from said tax received by the county.

"The governing body of Walker County shall have power to designate as the agency of the county, to construct, acquire, equip, operate and maintain public hospital facilities for said District Two, any public corporation heretofore or hereafter organized for hospital purposes in the county. When a public corporation shall have been so designated, the proceeds of said tax thereafter collected shall be paid to it and shall be used by it for any one or more of the purposes for which the tax shall have been voted; provided, that payments of the proceeds of said tax to said public corporation shall be made only to such extent as will not result in the impairment of the obligation of any contract theretofore made with respect to said tax. Said public corporation may anticipate the proceeds from said tax so required to be paid to it by issuing, for any one or more of the purposes for which the tax shall have been voted, the bonds, warrants, or certificates of indebtedness of said corporation, and may pledge for the payment of the principal thereof and interest thereon, a sufficient amount of the annual proceeds from said tax so paid to it.

"No securities issued or contracts made by Walker County under the authority of this amendment, which are payable solely out of the proceeds of said tax, and no securities issued or contracts made by any such public corporation, whether or not issued or made under the authority of this amendment, shall be construed to be bonds of Walker County or of a political subdivision thereof within the meaning of Section 222 of the Constitution, or construed to create or constitute an indebtedness of the county within the meaning of Section 224 of the Constitution. Said securities shall be construed to be negotiable instruments notwithstanding the fact that they may be payable solely from a limited source. All pledges of said tax and all contracts made with respect thereto pursuant to the provisions of this amendment shall take precedence in the order in which they are made and shall create a charge on the proceeds of said tax prior to the expenses of operating and maintaining any public hospital facilities.

"District Two of Walker County herein referred to is the commissioner's District Two now established in Walker County as authorized by law."

Section 2. An election upon the proposed amendment is ordered to be held on the first Tuesday after the expiration of three months from final adjourn- of three months from final adjournment of the current session of the Legislature. The election shall be held in accordance with the provisions of Sections 284 and 285 of the Constitution of Alabama, as amended and Chapter 1, Article 18, Title 17 of the Code of Alabama 1940, as amended.

Section 3. Notice of the election and of the proposed amendment shall be given by proclamation of the Governor, which proclamation shall be published once a week for four successive weeks next preceding the day appointed for the election in a newspaper in each county of the State. In every county in which no newspapers is published, a copy of the notice shall be posted at each courthouse and post office.

The above resolution was read a first time at length as required by the Constitution.

RESOLUTIONS

The following resolutions were introduced:

By Mr. Ellis:

H. J. R. 7. WHEREAS Senator Dodd has for the third time introduced his bill in the U. S. Senate to limit the sale and possession of firearms; and

WHEREAS this bill clearly violates the second amendment of the U. S. Constitution which guarantees the right of the people to keep and bear arms, a right the citizens of this nation have had for nearly two centuries and which shows the world that ours is a free country. No dictatorship could give its citizens such a right and none does; and

WHEREAS the Dodd bill has the effect of disarming the law-abiding citizen and depriving him of his constitutional right to protect himself against the violence now rampant and of insuring the criminal that his proposed victim will be unarmed, imposing a costly and unfair burden on the responsible citizen but no burden whatsoever on the criminal; and

WHEREAS the senseless and shameful torrent of anti-gun hysteria that has swept the country is the product of the unreasoning instinct to

soothe our fears in the wake of the increase of crime by doing something however illogical and harmful it might be. The professional anti-gun bigots have had a golden opportunity to promote their singular mania and many self-seeking politicians have made the most of it. The junior Senator from Massachusetts arrogantly announced to a meeting of the National Rifle Association that Congress would pass the Dodd Bill with or without the association's approval. Now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That this body reaffirms its opposition to federal legislation which abridges the rights of our law-abiding citizens under the second amendment of the United States Constitution, and we urge each member of our Congressional delegation to endeavor to thwart any encroachment upon the rights guaranteed to the citizens of the nation under this amendment.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to each member of the Alabama Congressional delegation.

On motion of Mr. Ellis the rules were suspended and H. J. R. 7 was adopted.

Also:

By Mr. Meade:

H. J. R. 8. RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE SENATE CONCURRING, That Senate Bill 117 which has passed both houses in the Special Session shall be named, designated, and known as the Stone-McDonald Act.

On motion of Mr. Meade the rules were suspended and H. J. R. 8 was adopted.

Also:

By Messrs. Bowers, Meeks and Pennington:

H. J. R. 9. WHEREAS the members, officers, and employees of the House need additional space in the Capitol for committee rooms, conference rooms, and other like facilities to promote the convenience of the members and to expedite the work of the clerical force; and

WHEREAS the only suitable space that can be found for this purpose is that now occupied by the Department of Examiners of Public Accounts; therefore, be it

RESOLVED BY THE LEGISLATURE, BOTH HOUSES THEREOF CONCURRING, That the Chief Examiner of Public Accounts and the Department of Examiners of Public Accounts are hereby requested to vacate at the earliest possible date the space in the Capitol presently occupied by the Department, its officers, and employees, and to release such space to the custody and control of the Clerk of the House.

On motion of Mr. Bowers the rules were suspended and H. J. R. 9 was adopted.

Also:

By Messrs. Starnes, Drake and McDonald:

H. J. R. 10. WHEREAS the death of Dr. E. H. Couch beloved physician of Guntersville ended a career that included thirty-five years of practice, twenty-eight years as a bank president, and twenty-one years as mayor of Guntersville; and

WHEREAS Dr. Couch was a highly skilled physician whose knowledge was broadened through long years of practice and who gave unstintingly of his time and efforts in ministering to his patients. He was sensitive to their every need, and it was under his leadership that Guntersville built one of the first municipal hospitals in Alabama. He was a versatile man who contributed heavily to every worthwhile endeavor and initiated many programs for the betterment of his area. Under his direction as bank president, that institution grew from one of uncertain footing to a sound and successful business enterprise. During his terms as mayor, he saw Guntersville double its population and grow into a favorite resort area. A few years ago the Guntersville armory was named in his honor; and

WHEREAS Dr. Couch is survived by two sons, Mr. Owen Couch of Guntersville and Dr. Robert B. Couch of Houston, Texas; two daughters, Dr. Maxine Couch of Montevallo and Mrs. Marguerite Smith of Huntsville; and ten grandchildren; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That Alabama has suffered a distinct loss in the death of Dr. Couch. We extend our deep sympathy to the surviving members of his family to whom copies of this resolution shall be sent.

On motion of Mr. Starnes the rules were suspended and H. J. R. 10 was adopted.

Also:

By Mr. Cherner:

H. J. R. 17. BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the Legislature notes with gratification that Her Excellency, Governor Lurleen B. Wallace, has proclaimed the month of October 1967 as DANNY THOMAS TEENAGERS MARCH MONTH in Alabama, and has urged all citizens of this State, all schools, churches, business establishments, and all scientific, social and fraternal organizations in this State to give their support and cooperation to this drive—a drive designed to raise funds for the only research center in America doing basic and clinical research into the catastrophic diseases of children, such as childhood leukemia,

cancer, muscle disorders and other child killers, St. Jude's Children's Research Hospital in Memphis, Tennessee. More than ninety percent of all funds raised by this drive will be devoted directly to research designed to determine the causes, and develop cures for many of the dread childhood diseases which currently claim the lives of many thousands of American children each year and to provide much needed treatment for children suffering from such diseases.

BE IT FURTHER RESOLVED That the Legislature joins Governor Wallace in commending this program and urging the people of Alabama to make as generous contributions to St. Jude's Children's Research Hospital in Memphis, Tennessee as they can afford, not only during this drive, but whenever they can, for the research and treatment programs carried on there are continuing programs which must be financed throughout the whole twelve months of the year.

H. J. R. 18. WHEREAS the University of Alabama's A-Day celebration on May 5, 1967 was designated "Coach Hank Crisp Day" in honor of one of that institution's most beloved and effective coaches who was rounding out forty years of service as a member of the athletic department; and

WHEREAS the half-time festivities at the famed A-Day football game, at which Coach Bear Bryant was master of ceremonies, were devoted to Coach Hank Crisp who has been largely responsible for the University's athletic prowess for the better part of a half century; and

WHEREAS Coach Crisp has served in almost every capacity as a member of the University's athletic department. As track coach, he consistently turned out successful performers; his baseball teams were notable; his enviable record as basketball coach shows 266 wins compared with 129 losses. He served under five football coaches, several of whom were the nation's best and has worked closely with Coach Bryant during the Crimson Tide's nine year winning streak. His unusual abilities in building the defense in football teams made him feared and respected by his opponents. Coach Crisp was at one time athletic director and more recently head of men's intramural sports; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we heartily commend Coach Hank Crisp upon his long and successful career in the field of athletics, and wish for him many years of happiness and continued success in all his undertakings.

RESOLVED FURTHER That a copy of this resolution be sent to Coach Crisp and to the University of Alabama.

SENATE MESSAGE

On motion of Mr. Pennington the House concurred in and adopted the Senate amendment to the bill, H. 64, said Senate amendment being as follows:

A BILL TO BE ENTITLED AN ACT

To provide for the deposit of money of the state in state depositories in demand deposits and in time deposits, open account and to provide for the payment of interest on that money deposited in time deposits, open account; to provide for the payment of interest so earned into the State Treasury to the credit of the General Fund of the State; to provide for the posting of security for such deposits in excess of amounts insured by Federal Deposit Insurance Corporation; to prescribe penalties for violations of this Act; and to repeal inconsistent laws.

Be It Enacted by the Legislature of Alabama:

Section 1. The State Treasurer may deposit the money of the state in any bank or trust company designated as a state depository according to law, so long as said bank or trust company agrees to pay interest on a portion of said money as provided herein.

Section 2. As much money as may be needed for current operational purposes of the state government, as determined by the State Treasurer, with the approval of the Governor, shall be maintained at all times in the State Treasury in cash or in demand deposits with state depository banks. The State Treasurer shall apportion such demand deposits among state depositories, giving due consideration to the activities of the various accounts maintained therein, the reasonable value of the banking services rendered or to be rendered the state by depository banks and to the value and importance of such deposits to the economy of the communities and the various areas of the state to be affected thereby. The State Treasurer shall also take into consideration the reserve requirements prescribed by law relative to demand deposits and time deposits.

Section 3. The State Treasurer shall place such state funds as are not needed for immediate operational purposes within a sixty-day period on time deposit, open account. If operational obligations permit, the amount placed on time deposit, open account in any state depository shall be substantially equal to the amount maintained therein in net collected balances on demand deposit during the preceding thirty days, after deducting therefrom any amounts transmitted to or received by said depository in connection with its services and actions as paying agent for bonded indebtedness of the state, its agencies and instrumentalities.

Section 4. The State Treasurer is authorized to execute contracts with the state depositories covering time deposits, open account, provided that no funds may be withdrawn from said account except upon thirty-

Notice is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to wit:

A BILL
TO BE ENTITLED
AN ACT

To create and establish an inferior court for Washington County in lieu of the court of general sessions created by Act No. 137, H. B. 435, Regular Session 1963; abolishing the court of general sessions, and making provisions for the officers and jurisdiction of the inferior court.

Be It Enacted by the Legislature of Alabama:

Section 1. There shall be established an inferior court for Washington County in lieu of the court of general sessions created under Act No. 137, H. B. 435, Regular Session 1963, and the court of general sessions is hereby abolished. The Inferior Court of Washington County shall have original jurisdiction, concurrently with the circuit court of Washington County, of all misdemeanors committed in Washington County. It shall have preliminary jurisdiction of all felonies, committed in Washington County. And it shall have all other jurisdiction conferred by general laws upon the county courts of this State, and in addition the court shall have and exercise jurisdiction in all civil actions at law, except actions of ejectment or in the nature of ejectment, where the amount in controversy does not exceed \$500.

Section 2. The inferior court of Washington County shall not be a court of record, and appeals from the judgments rendered by the court may be taken to the circuit court of the county in the same way and in accordance with the same procedure as appeals from justice of the peace courts.

Section 3. The sessions of the inferior court shall be held in the courthouse of Washington County, and a regular session of the court shall be held on the first Monday in every month. Special sessions may be held at any time, except on Sunday, as the Judge of the Court may direct.

Section 4. The Judge of probate of Washington County shall be ex officio judge of the inferior court and shall, before he enters on the discharge of the duties of such office, take and subscribe to the oath prescribed by law for other judicial officers, which oath must be filed in the office of the clerk of the circuit court. For the performance of his duties as judge of the inferior court, the judge of probate shall be entitled to receive \$2,400 per annum, which shall be payable in equal monthly installments out of the general funds of the county, upon warrants signed by the judge.

Section 5. The clerk of the circuit court of Washington County shall be ex officio clerk of the inferior court. The fees and compensation of said clerk for performance of his duties as clerk of the inferior court shall be the same as now allowed by law to the clerks of county courts in criminal cases, and the same as in the circuit court in civil cases, and shall be paid in like manner. The clerk of the circuit court, before entering upon the performance of the duties of clerk of the inferior court, must give bond as required by law for performing services in the county court. The clerk shall have and exercise the same powers and authority and perform the same duties in respect to the business of this court as county court clerks and circuit court clerks as provided by general laws. The clerk of the inferior court may take affidavits and complaints in misdemeanor and felony cases, may issue warrants of arrest in such cases, and may issue search warrants. Such complaints, and such warrants issued by the clerk, shall have the same legal force and effect as though the same had been taken or issued by the judge of the court. The clerk shall receive a fee of one dollar for each writ of arrest or search warrant issued by him, to be taxed and collected as other costs are taxed and collected.

Section 6. The judge of the inferior court may appoint a bailiff. The compensation of the bailiff shall be \$7.50 a day for each day's service, and shall be paid from the general funds of the county on certificates signed by the judge.

Section 7. The sheriff of Washington County shall attend the sessions of the court in person or by deputy and shall serve and execute the processes of the inferior court. He shall be entitled to the fees prescribed by general laws for sheriffs performing like services in the circuit courts.

Section 8. Court costs shall be taxed and collected in criminal cases in the inferior court in the same way that costs are taxed and collected in the county courts under the general law, and in civil cases the costs shall be the same as in the circuit courts. Witness fees taxed as costs in criminal cases shall be the same as provided in circuit court and shall be taxed and collected in the same manner. Witness certificates shall be paid from the county fine and forfeiture fund and when collected by the clerk, shall be paid into the fine and forfeiture fund. The clerk shall receive the same commissions for collecting and paying witness fees to the fine and forfeiture fund as provided for collecting and paying other money to the county. MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Clark and Lolley:

S. J. R. 9. BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we lament the recent death of a colorful figure in Alabama politics, William Winfred Watson, better known to his host of friends and admirers as "Billy Watson." Though never the holder of a public office in this State, nor an applicant therefor, he wielded a mighty influence on Alabama politics from horse and buggy days to the time of his death. His interests and activities in politics were always designed to promote good government rather than personal aggrandizement. He campaigned and shared victory with many a successful candidate; but after the spotlight had shifted and the crowds were gone he was also there to sit in silent camaraderie with the once famous. He was a great story teller and his reputation for wit, wisdom and good fellowship spread far and wide. Mr. Watson was a native of Barbour County, who made a wide circle of friends while travelling from one end of Alabama to the other as a salesman. He was a close personal friend and admirer of and campaigner for Governors Chauncey Sparks, George Wallace and Lurleen Wallace, all of whom depended on him for wise counselling, sage advice, witty comments and true friendship. Mr. Watson's presence at the Capitol will be sorely missed.

RESOLVED FURTHER, That the sincere sympathy of this body is extended to Mrs. Watson and the surviving members of Mr. Watson's family, to whom copies of this resolution shall be sent.

McDOWELL LEE,
Secretary.

Be It Enacted by the Legislature of Alabama:

Section 1. The Mobile County Racing Commission is hereby created and established, and is vested with the powers and duties specified in this Act, and all other powers necessary and proper to enable it to execute fully and effectually the purposes of this Act. The Commission shall consist of three persons who shall be appointed by the Legislative Delegation of Mobile County with the approval of the Mobile County Board of Revenue or like governing body of Mobile County. The commissioners shall select from among their number, a chairman and a secretary. The secretary shall keep a record of all proceedings of the commission and shall preserve all books, maps, documents, papers, and records entrusted to the commission's care. The commission shall maintain an office in the City of Mobile, Alabama, and may maintain branch offices elsewhere when the proper functioning of the commission's business so requires. A majority of the commission shall constitute a quorum for all purposes.

Section 2. The members of the commission shall be qualified electors not less than twenty-five years of age, who shall have resided in the county for the period of five years next preceding their appointment, and each shall hold office at the pleasure of the appointing officers, which term shall begin with the effective date of this Act. Each commissioner shall take the same constitutional oath of office as other county officers, and shall give bond payable to Mobile County in the amount of five thousand dollars (\$5,000.00), conditioned that he will faithfully and properly perform the duties of his office. The premiums on such bonds shall be paid by the commission. Subject to the approval of the county governing body, the commission may employ such assistants and employees as may be necessary, and fix their compensation in such amounts as the county governing body may approve. A member of the commission must not be an official, member of any board, of directors, or person financially interested in any race track or race meeting licensed by the commission, nor shall he race dogs in any race meeting licensed by the commission.

Section 3. The compensation of each member of the commission shall be one hundred dollars (\$100.00) per month. One member of said commission shall be required to be in attendance at each racing event, and said designated member shall receive an additional thirty dollars (\$30.00) per diem while engaged in the performance of his duties. The above sums shall be paid out of the funds in the county treasury deposited to the credit of the Mobile County Racing Commission, and shall be paid to the commissioners in the same manner as the compensation of other county officers is paid.

Section 4. The probate judge of Mobile County shall be ex-officio treasurer of the Mobile County Racing Commission, and shall collect all

the license fees, taxes, and monies provided in this Act, and shall supervise, check, and audit the operation of the pari-mutuel wagering pools and the conduct and distribution thereof.

Section 5. The county solicitor shall act as attorney for the commission, without additional salary therefor; he shall counsel and advise the commission and represent it in all proceedings.

Section 6. It shall be the duty of the Mobile County Racing Commission to carry out the provisions of this Act; and it shall have the following specific duties:

(1) To fix and set the dates upon which race meetings may be held or operated.

(2) To make an annual report to the county board of revenue or like governing body of its operation, showing its own actions and rulings, the receipts derived under the provisions of this Act, and such suggestions as it may deem proper for the more effective accomplishment of the purpose of this Act.

(3) To require each applicant, who must have been a resident of the State of Alabama for at least five years immediately preceding the date the license is issued, to set forth on his application for a license to operate a race meeting the following information:

(a) The full name of the person, association, or corporation, and if a corporation, the name of the State under which the same is incorporated, and the name of the corporation's agents for service of process within the State of Alabama.

(b) If an association or corporation, the names of the stockholders and directors of the corporation or the names of the officers and directors of the association.

(c) The exact location where it is desired to conduct or hold a race meeting.

(d) Whether the racing plant is owned or leased, and if leased, the name and address of the owner, or if the owner is a corporation, the names of the officers and directors thereof, each of whom shall have been a resident of the State of Alabama for at least five years immediately preceding the date on which the license is issued; provided, however, that nothing in this Act shall prevent any person, association, or corporation from applying to the commission for a permit to conduct races where the racing plant has not been constructed.

(e) The kind of racing to be conducted and the dates requested.

(f) Such other information as the commission may require.

(4) To require an oath of every applicant, or by the president or executive officer of the association or corporation, stating that the information contained in the application is true.

(5) To make uniform rules and regulations governing the holding, conducting, and operating of all race tracks, race meetings, and races held in Mobile County.

Section 7. All books, records, maps, documents, and papers of the commission, including those filed with the commission as well as those prepared by or for it, shall at all times be open for the personal inspection of any officer of the State of Alabama, or of any county, municipality, or other subdivision of the State, or of any official investigative body or committee, and no person having charge or custody thereof shall refuse this right to any officer or investigative body or committee, and

it shall be the express duty of such person to assist such officer or committee in locating records or information desired by them. Any member or employee of the commission who violates the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction, shall be fined not more than one hundred dollars (\$100.00) or imprisoned in the county jail not exceeding three months. If any member of the commission violates the provisions of this section, he shall be subject to removal from office.

Section 8. Any person, association, or corporation desiring to operate a race track in this county shall have the right, subject to the provisions of this Act, to hold and conduct one or more race meetings at such track each year, provided, that no such license shall be granted to any person, association, or corporation, or to any track, for a period longer than one hundred twenty racing days in any one year. Any and all applicants for license to operate under this Act shall have been residents of the State of Alabama for at least five years immediately preceding the date on which such license is issued.

Section 9. No race or racing shall be permitted on Sunday. No person under twenty-one years of age shall be employed in any manner about said race track except as exercise boys and grooms; nor shall persons under eighteen years of age be permitted to attend any race except when attended by one or both parents.

Section 10. On or before the 15th day of October of each year, any person, association, or corporation possessing the qualifications prescribed in this Act shall have the right to apply to the commission for a permit or license to conduct race meetings and racing under this Act. On or before the first day of December of each year, after the receipt of any such application, the commission shall convene to consider and act upon all permits or licenses applied for. Approved permits or licenses shall be granted for a period of not less than ten years from the date of issuance and shall set forth, in addition to any other information prescribed by the commission, the name of the licensee, the location of the race track, the duration of the race meeting and the kind of racing desired to be conducted, and shall show the receipt by the commission of the license fee hereinafter provided. No such license shall be transferable, nor shall it apply to any other place, track, or enclosure except the one specified in this license.

Section 11. The commission may revoke the license of any licensee conducting a race meeting, upon the violation of any of the provisions of this Act, or any rule or regulation, promulgated by the commission.

Section 12. The commission is empowered to compel the production of any and all books, memoranda, or documents showing the receipts and disbursements of any person, association or corporation licensed to conduct race meetings under the provisions of this Act. The commission may at any time require the removal of any employee or official employed by any licensee hereunder whenever it has reason to believe that such employee or official is guilty of any improper practice in connection with racing, has failed to comply with any condition of the license, or has violated any rule adopted by the commission. The commission shall have the power to require that the books and financial or other statements of any licensee be kept in a manner and method provided by the commission; and the commission shall be authorized to visit, investigate, and place auditors and inspectors in the offices, tracks, or place of business of any person, association or corporation licensed under this Act. The commission shall have power to summon witnesses before its meetings; to administer oaths to such witnesses, and to require testimony on any issue before it. Any person failing to appear before said commission, or failing to produce books, records, and documents ordered, or

refusing to testify thereon, shall be deemed guilty of a misdemeanor, and upon conviction in a court of competent jurisdiction, shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment not to exceed six months, or by both fine and imprisonment in the discretion of the court.

Section 13. The commission shall have the power to grant, refuse, suspend, or withdraw licenses to all persons connected with race tracks, including gate keepers, announcers, ushers, starters, officials, drivers, dog owners, agents, trainers, grooms, stable foremen, exercise boys, veterinarians, valets, sellers of racing forms or bulletins, and attendants in connection with the wagering machines, pursuant to such rules and regulations as the commission may adopt and upon the payment of a license fee as fixed and determined by the commission in accordance with the position and compensation of such person. Any license may be revoked by the commission, at its discretion, and any person whose license is revoked shall be ineligible to participate in such occupation connected with racing unless the license is returned by the commission with permission to operate thereunder. The commission may deny or revoke a license to any person who has been refused or denied a license by any other state racing commission or racing authority.

Section 14. The commission shall make rules governing, permitting, and regulating the wagering on dog races under the form of mutuel wagering by patrons known as "Pari-Mutuel Wagering," which method shall be legal to the extent that, and so long as, the same is carried on and conducted strictly in conformity with this Act, and not otherwise. Only the persons, associations, or corporations receiving a license from the commission shall have the right or privilege to conduct this type of wagering, and the licenses shall restrict and confine this form of wagering to a space within the race meeting grounds. All other forms of wagering on the result of dog races shall continue to be illegal, and any or all wagering outside of the enclosure of such races, where such races shall have been licensed by the commission shall be illegal.

No person or corporation shall directly or indirectly purchase pari-mutuel tickets or participate in the purchase of any part of a pari-mutuel pool for another for hire or for any gratuity and no person shall purchase any part of a pari-mutuel pool through another, wherein he gives or pays directly or indirectly such other person anything of value. Any person violating this section shall be deemed guilty of a misdemeanor, and, upon conviction in a court of competent jurisdiction, shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment not to exceed six months, or both fine and imprisonment in the discretion of the court.

Section 15. Every licensee conducting race meetings under the provisions of this Act, shall pay to the Probate Judge in his capacity as ex officio treasurer of the Racing Commission of Mobile County, Alabama, for the use of the commission, a sum equal to seven percent (7%) of the total contributions to all pari-mutuel pools conducted or made on any race track licensed under this Act. The commission of a licensee on a pari-mutuel pool shall in no event exceed eighteen percent (18%) of the amount contributed thereto, which amount shall include the seven per cent (7%) tax heretofore provided. After the deduction of 7% for the use of the commission and the percentage commission of the licensee, the remainder of the total contributions to each pool shall be divided among and redistributed to the contributors to such pools betting on the winning dog. The amount of each redistribution for each winning bet placed shall be determined by dividing the total amount remaining in the pool after the deductions herein above provided for by the number of bets placed on the winning dog. Each redistribution shall be made in a sum equal to the next lowest multiple of ten. The licensee is en-

titled to retain the odd cents of all redistributions to be known as the "breaks to a dime." Under the pari-mutuel system of wagering herein provided, the licensee shall be permitted to provide separate pools for bets, to win, place, and show also a daily double pool, quiniéle pool and double quiniéle pool. Each pool shall be redistributed separately as herein provided. Should there be no ticket bet on the winning dog, the entire pool will be divided among the holders of tickets on the dog running next in line until the pool has been redistributed to the contributors. The licensee shall be required to use a totalizator machine to record the wagering and compute the odds. Rules and regulations governing the operation of each of the pools shall be set out in book form by the Mobile County Racing Commission. The licensee shall collect from each person attending the race meetings under the provisions of this Act fifteen percent (15%) of the established admission price or ten cents, whichever sum is the greater, as an admission tax. Licensees shall make payment of such taxes every seventh day of any and every race meeting, which payment shall be accompanied by a report on the races covered by such report and such other information as the commission may require.

Section 16. If any free passes or complimentary cards shall be issued to guests by any licensee, such licensee shall nevertheless be responsible for payment of the admission tax upon such complimentary admission cards or passes as though they had been sold at regular admission price. However, nothing herein contained shall be construed to prohibit the issuance of tax-free passes to officials and actual employees of the licensee, or other persons actually engaged in working at such track, including persons actually employed and accredited by the press or other news service; provided, that the issuance of all such tax-free passes shall be governed by the regulations and orders of the commission and a list of all such officers, employees, and news service representatives shall be filed with the commission.

Section 17. The license fees, commissions, and excise taxes imposed herein shall be in lieu of all license, excise, and occupational taxes to the State of Alabama, or any county, city, town, or other political subdivision thereof.

Section 18. All fees, commissions, taxes, and other monies, including fines, and forfeitures, received under the provisions of this Act shall be paid to the probate judge of the county, and remitted by him to the county treasurer for deposit in the county treasury to the account of the Mobile County Racing Commission. All such monies remaining after payment of the expenses incurred in the administration of this Act, including the payment of the salaries and expenses of the members and employees of this commission shall be remitted to the treasurer of Mobile County for distribution as follows: fifty percent (50%) to Mobile General Hospital, twenty-five percent (25%) to the general fund of the board of revenue of Mobile County, and twenty-five percent (25%) to the incorporated municipalities of Mobile County with division to be made on the basis of population.

Section 19. The provisions of this Act shall not apply to the running of races conducted by any state fair association or county fair association which holds not more than one meeting annually and which restricts such annual meeting to three days or less.

Section 20. Any corporation, association, or person who directly or indirectly holds any dog race without having procured a license as prescribed in this Act, shall be guilty of a misdemeanor. Any person wagering upon the results of such a race, except in the pari-mutuel or mutuel method of wagering when the same is conducted by a licensee and upon the grounds or enclosure of said licensee, shall be guilty of a

misdeemeanor. Any corporation, organization, association, or person who violates any provision of this Act, for which a penalty is not expressly provided shall be guilty of a misdemeanor. Upon conviction of any of the above misdemeanors in a court of competent jurisdiction, the penalty shall be a fine of not less than one hundred dollars (\$100.00), nor more than one thousand dollars (\$1,000.00), or by imprisonment of not less than five days nor more than six months, or both, such fine and imprisonment to be in the discretion of the court.

Section 21. No person who engages in the practice of professional gambling on dog races, or in the practice of making gambling or wagering books on such races, or who knowingly takes any part in such practices, shall be eligible as an applicant for any license or permit to operate a race track or a race meeting under the provisions of this Act, or to be connected therewith in any capacity; and any association or corporation which has as an officer, director, stockholder, executive, or employee any person who engages in such practices shall likewise be ineligible as a licensee, and the commission is hereby empowered to inquire into such matters in entertaining any such applications and otherwise in administering this Act.

Section 22. Any person who shall influence or have any understanding or connivance with any owner, groom, or other person associated with or interested in any kennel, dog, or race in which any dog participates, to prearrange or predetermine the results of any such race, or any person who shall stimulate or depress a dog for the purpose of affecting the results of a race, shall be guilty of a felony and upon conviction thereof, shall be imprisoned in the state prison for not less than one year nor more than ten years, or shall be fined not less than one thousand dollars (\$1,000.00) nor more than five thousand dollars (\$5,000.00) or both, in the discretion of the court.

Section 23. It shall be unlawful for any person to transmit or communicate to another by any means whatsoever the results, changing odds, track conditions, or any other information relating to any dog race from any race track in this county, between the period of time beginning one hour prior to the first race of any day and ending thirty minutes after the posting of the official results of each race, as to that particular race, except that this period may be reduced to permit the transmitting of the results of the last race each day not sooner than fifteen minutes after the official posting of such results. Provided, however, that the commission may, by rule, permit the immediate transmission by radio, television, or press wire of any pertinent information concerning feature races.

It shall be unlawful for any person to transmit by any means whatsoever racing information to any other person, or to relay the same to any other person by word of mouth, by signal, or by use of telephone, telegraph, radio, or any other means, when the information is knowingly used or intended to be used for illegal gambling purposes, or in furtherance of such gambling purposes.

Any person violating the provisions of this section shall be guilty of a felony and, upon conviction, shall be imprisoned in the state penitentiary for not less than one year nor more than ten years, or shall be fined not less than one thousand dollars (\$1,000) nor more than five thousand dollars (\$5,000.00), or both, in the discretion of the court.

Section 24. The county governing body of Mobile County shall call and provide for holding a referendum for the purpose of determining if this Act shall become operative. The referendum shall be held on the same day as the next general, special, or primary election held in the county, and shall be advertised, held, conducted and the results

thereof canvassed in the manner provided by law for advertising, holding, and canvassing county bond elections. The question to be voted on shall be stated on the ballots or voting machine tabs substantially as follows: "Do you favor the creation of the Mobile Racing Commission to regulate licensing and supervision of dog racing and wagering thereon as provided in Act No. _____ approved _____, 1963?" If the majority of the votes cast in the referendum are "Yes", dog racing shall be legal in Mobile County and this Act shall become operative therein; if the majority of the votes cast in the election are "No", this Act shall have no further effect. The probate judge of Mobile County shall certify the results of the referendum to the Secretary of State of Alabama within 30 days after the election returns are canvassed.

Section 25. All laws or parts of laws in conflict with this Act are repealed.

Section 26. This Act shall become effective upon its passage and approval by the Governor, or upon its otherwise becoming a law.

MESSAGE FROM THE GOVERNOR

To the House of Representatives of Alabama
State Capitol
Montgomery, Alabama

Gentlemen:

I herewith transmit to you a message from Her Excellency, The Governor, relative to the Department of Public Safety.

Respectfully submitted,

CECIL C. JACKSON, JR.,
Executive Secretary.

June 13, 1967

MESSAGE FROM THE GOVERNOR

To the House of Representatives of Alabama
State Capitol
Montgomery, Alabama

Gentlemen:

I am certain that each of you have followed recent developments around this Nation which have led to unfortunate and distressing situations where local law enforcement officers and agencies were no longer

able to maintain safety and security for persons and property within their jurisdiction. I have, as I am sure that each of you have, an overwhelming concern for the personal safety of every citizen of this State and for the right of every citizen to be certain that his property will not be subjected to lawless destruction.

I have this date instructed the Director of the Department of Public Safety to begin the immediate selection and employment of a substantial number of additional State Troopers. I have further instructed the Department of Public Safety to implement an immediate and comprehensive training program for these Troopers in order that they might be properly prepared to meet any special and extraordinary situation which might endanger the lives, safety, or property of the citizens of this State.

Knowing the condition of the State's General Fund, I, of course, realize that the monies to meet the cost of this program are not presently available. However, because the situations to which I have referred across this Nation have been of such intensity and fraught with so much danger and needless and senseless destruction of property, it has been necessary for me, in my judgment, to take appropriate action at once.

Therefore, I am requesting you, as Members of the Legislature of Alabama, to provide additional funds and revenues for the Department of Public Safety. I am certain that you will meet your responsibilities to the citizens of this State and I want to assure you that my office and I, personally, am prepared to assist you in this undertaking in any manner which you might desire.

Respectfully,

LURLEEN B. WALLACE,
Governor.

RESOLUTIONS

The following resolutions were introduced:

By Mr. Snell:

H. J. R. 24. WHEREAS Bonnie Duncan Hand, Editor and Publisher of The LaFayette Sun, LaFayette, Alabama, for the past twenty-seven years, and a life-long newspaperman, died on Saturday, May 27, 1967, at the age of fifty-four years;

AND WHEREAS Mr. Hand's interests and areas of fine service as a newspaper editor and citizen were much broader than his own local community, and in a very special way, included the whole of the State of Alabama;

AND WHEREAS Mr. Hand not only served a term as President of the Alabama Press Association, but for twenty years, and at the time of his death, was Chairman of the Legislative Committee of this association. Also, at the time of his death, he was a member of the Board of Trustees of Southern Union Junior College, Wadley, Alabama, these things typifying the interest and breadth of his civic activities.

AND WHEREAS he brought to each of these fields of service a rare devotion of talent and responsibility concerning his duties and opportunities for constructive improvements in every area of his labors. His life's work and the primary objectives of his career were concentrated toward producing better newspapers. In this ambition he labored faithfully and well: first, to provide a constantly improved newspaper for his own local community; second, as Chairman of the APA Legislative Committee and in many other opportunities for leadership, he sought to create a better climate for newspaper growth and service because he believed, with a deep conviction, that better newspapers would encourage and be a major factor in better communities;

AND WHEREAS within the fresh memory of many members of this legislative body, we know that Bonnie Hand, over a period of many years, always came before this body, its individual members and its various committees, in a manner which exemplified the highest ethical standards of a patriotic citizen striving for improvements which would directly or indirectly benefit all our people.

NOW, THEREFORE, BE IT RESOLVED by this House of Representatives of the Alabama Legislature in Regular Session assembled, that we pause in the performance of our duties to pay our respects, express our sorrow and condolences to the family of Bonnie Duncan Hand, and in this manner acknowledge our appreciation for the noble and constructive life he lived among us.

BE IT FURTHER RESOLVED that a duly authenticated copy of this Resolution shall be sent by the Clerk to Mrs. Pearl Hand of Lafayette, and true copies thereof shall be released by him to the press.

On motion of Mr. Snell the rules were suspended and H. J. R. 24 was adopted.

Also:

By Messrs. Merrill, Lybrand, Hain, Smith (C), Mathews, McLain, Pennington, Pruitt, Manley and Stembridge:

H. J. R. 25. WHEREAS, This Legislature has followed with growing alarm the number of incidents across this Nation and even in this State which have taxed local law enforcement officials beyond the capacity of their resources, and

WHEREAS, These occurrences of lawlessness have caused grave dangers to the lives and property of the citizens of this Nation, indeed causing loss of life, countless injuries, and property damage and destruction running into the millions of dollars,

NOW THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA that in order to adequately insure the safety and security of the citizens of this State and their property, it is the sense and judgment of this Legislature that all local law enforcement units, both County and Municipal, proceed immediately to organize auxiliary police forces within their respective local jurisdictions; said forces to be based in size on a formula to be established on a population basis by the Department of Public Safety and furnished to the said local law enforcement units by said Department, and

BE IT FURTHER RESOLVED that these said local units of auxiliary police be trained and equipped as required in order that they may provide additional protection for the lives and property of the citizens of this State should any occasion of extraordinary circumstance arise which would dictate and necessitate their use, and

BE IT FURTHER RESOLVED that the Department of Public Safety is hereby directed to assist and cooperate with all local law enforcement units, both County and Municipal, in the selection and training of said auxiliary police forces.

On motion of Mr. Merrill the rules were suspended and H. J. R. 25 was adopted.

Also:

By Mr. House:

H. J. R. 26. BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, THE SENATE CON-

CURRING, That we congratulate and salute Mr. and Mrs. Louis J. Gloor, of Burlington, Iowa, the parents of our distinguished colleague, Representative Tom Gloor, on the occasion of their Golden Wedding Anniversary, which they celebrated May 16, 1967. We wish for Mr. and Mrs. Gloor many happy returns and hereby express our hope that they will enjoy many more years in their successful union.

On motion of Mr. House the rules were suspended and H. J. R. 26 was adopted.

Also:

By Mr. Jackson (T):

H. J. R. 27. WHEREAS American Steel producers are faced with competition from foreign governments as well as foreign steelmakers in their battle for world steel markets and thus need some help from our government to equalize competition, and

WHEREAS among the ways foreign governments help stimulate steel sales abroad, include tax rebates and subsidies, special depreciation allowances, permission to form cartels, grants for export trade promotion and other incentives, and

WHEREAS these stimulants have induced foreign steel producers to resort to extremely aggressive pricing policies when selling steel abroad. And when it comes to invading America's domestic market, foreign steelmakers, have had the additional advantage over the United States producers of labor and capitol costs that are only a fraction of our own, and

WHEREAS consequently, foreign steel has moved into the United States at prices that bear no relationship to our costs, at prices frequently lower than what is charged consumers in the country from which the steel originates, and

WHEREAS American steel going abroad must hurdle such obstacles as tariffs that can be more than double the American duty as well as a battery of non-tariff barriers, and

WHEREAS the steel industry has asked Congress to impose a temporary levy on imports to help make competition more equitable; now therefore

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, THE SENATE CONCURRING, That we support the American steel industry and the American steelworkers in their efforts to reach a more competitive status and we urge the Alabama delegation in Congress to use their vote, power and influence to effect this purpose.

BE IT FURTHER RESOLVED That copies of this resolution be sent to the Alabama Congressional delegation.

On motion of Mr. Jackson (T) the rules were suspended and H. J. R. 28 was adopted.

Also:

By Messrs. Turnham, Higginbotham, Brassell and Ellis:

H. J. R. 28. WHEREAS the Auburn University baseball team, under the able leadership of Coach Paul Nix, has again concluded a most successful season, winning the Southeastern Conference Championship,

and as champions, have achieved continued success in representing the Conference at the NCAA District Three finals in North Carolina, winning the District Three title by a brilliant victory over nationally third-ranked Clemson, and thereby qualifying to enter NCAA College World Series at Omaha, Nebraska; and

WHEREAS Southeastern Conference baseball is known nationally for teams of outstanding athletic ability, superior coaching and team spirit, frequently earning prominent positions among the nations highest ranked teams; and

WHEREAS the accomplishments of the Auburn Baseball team are in the best tradition of Southeastern Conference baseball, and characteristic of the distinguished record of athletic attainment of Auburn University; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we extend hearty congratulations to Coach Nix and the individual members of the Auburn baseball squad for their achievement in winning the Southeastern Conference baseball championship, and wish them great success in the final rounds of the NCAA play-off.

BE IT FURTHER RESOLVED, That a copy of this resolution be sent to Coach Paul Nix, Auburn University, Dr. Harry M. Philpott, President of Auburn University, and to the Lee County Bulletin and Opelika Daily News.

On motion of Mr. Turnham the rules were suspended and H. J. R. 28 was adopted.

Also:

By Messrs. Turnham, Bank and Brown:

H. J. R. 29. RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE LEGISLATURE OF ALABAMA, THE SENATE CONCURRING, That the Clerk of the House and the Secretary of the Senate shall each be entitled to an additional 10 dollars a day as pay for their services, which shall be paid in the manner and from the funds provided by law for the payment of their regular compensation.

RESOLVED FURTHER, That this resolution shall take effect as provided in Article 5, Section 125, of the Constitution of Alabama.

On motion of Mr. Turnham the rules were suspended and H. J. R. 29 was adopted.

On motion of Mr. Culver the rules were suspended and H. J. R. 30 was adopted.

Also:

By Messrs. Shumate and Dobbs:

H. J. R. 31. BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING: That we note with pride and gratification the tremendous improvement in the public roads and highways of this State that has been made during the time that Mr. Herman Nelson has been State Highway Director. Not only have many miles of new super highways been constructed, but also many miles of existing highways and roads have been modernized, maintained and improved under his able supervision and direction. We are particularly pleased to see how much thought and effort Mr. Nelson and his co-workers have devoted to eliminating traffic hazards and making our highways safer for the travelling public.

BE IT FURTHER RESOLVED, That we commend Mr. Nelson and all the employees of the State Highway Department who have participated in planning and executing Alabama's recent highway development program for the fine work they have already completed and also for that which is currently in progress. We especially thank them for having painted luminescent white stripes along the outer edges of hundreds of miles of black top roads. No doubt this white stripe has prevented many a motorist from running off the road and having a serious, or even a fatal accident; thus many lives, much suffering and countless dollars have been saved.

RESOLUTIONS

The following resolutions were introduced:

By Mr. Young:

H. J. R. 32. BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the community or settlement located north of Wedowee two-tenths of a mile south of Little Tallapoosa River on Highway 431 shall be named, designated, and known as Messer, and the state highway director shall cause to be erected along side the highway proper and suitable signs and markers showing such designation.

On motion of Mr. Young the rules were suspended and H. J. R. 32 was adopted.

Also:

By Messrs. Beck, Wright, Snodgrass, McDonald, Adwell, Kilgore, Smith (P), Berryman (R), Drake and Meade:

RESOLUTION AND PETITION TO THE
UNITED STATES CONGRESS

H. J. R. 33. WHEREAS during the past one hundred years the Congress of the United States on occasion has enacted sectional or discriminatory legislation detrimental to one or more of the several states and sometimes directed particularly against the southern states; and

WHEREAS one such discriminatory legislative act, as now interpreted and administered, is the Reclamation Act of 1902, as amended, which originally was enacted to reclaim arid and desert lands for agricultural productivity through irrigation means and projects wholly financed and constructed by an agency of the government. The said act was amended by the Congress so as to permit the furnishing of supplemental water in addition to natural rainfall for use in developing irrigation programs and projects for promoting and sustaining full crop growth during the growing season in several of the so-called seventeen western reclamation states; and

WHEREAS while the states of Hawaii and Alaska are not considered "reclamation states," the Congress has included both these states within

the purview of the act and has, therefore, accorded certain benefits under the provisions of said act to the states of Hawaii and Alaska; and

WHEREAS one of the richest states in the Union, as a result of being included in the so-called western reclamation states, has received several billions of dollars in project authorizations and government funding programs, while not one single cent has been authorized for any area within the thirty-one eastern states that are excluded from participating in the reclamation program; and

WHEREAS many areas within the thirty-one eastern states excluded from the reclamation act's programs, have similar if not identical prevailing drought conditions during the crop growing season which depress the farm and rural income of these areas to a level far below that of the national farm income level; and

WHEREAS the House of Representatives of the United States Congress, as recently as July 1966 rejected adoptions of Joint Conference Report S. 602 which extended the Small Reclamation Projects Act to all fifty states. Although adoption of the report was vigorously defended by the Managers of S. 602 and notwithstanding the fact that the benefits and provisions of the Small Reclamation Projects Act would have been of incalculable value to Alabama agriculture and to other drought stricken areas of these United States not covered by the Reclamation Act, these benefits were denied to additional areas; and

WHEREAS the State of Alabama, which is outside the scope of the Reclamation Act, is a drought state during the crop growing season as determined by the Alabama Extension Service on the basis of a 25 year study of rainfall statistics within the State and documented in published Bulletin 319, dated September 1959, titled "ALABAMA, A DROUGHT STATE"; and

WHEREAS the Alabama State Legislature during August 1965 enacted the necessary enabling legislation providing for the establishment of legal irrigation districts with authority to contract with the federal agencies for irrigation projects and said enabling legislation is similar to legislation enacted in the said reclamation states; and

WHEREAS it is the sense of the Alabama State Legislature that the State of Alabama and drought affected areas during the crop growing season in other states outside the seventeen reclamation states, Alaska and Hawaii have a common right and guarantee to uniform application and extension of the provisions and benefits of the Reclamation Act of 1902 as now amended, interpreted and administered in those areas in the reclamation states that are receiving supplemental water through the reclamation irrigation programs. To continue to deny the citizens of the State of Alabama and citizens of the other thirty states like treatment under the provisions of the Reclamation Act of 1902, as amended, is preferential treatment to citizens of one state over citizens of another and is discriminatory and unconstitutional; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the Congress of the United States be memorialized to take remedial legislative action to remove the restrictions contained in the Reclamation Act of 1902, as amended, that limit said act to aforementioned reclamation states, Alaska and Hawaii, and permit all citizens of the nation whose lands are subjected to sustained or chronic drought conditions during the crop growing season to receive the benefits under the Reclamation Act of 1902 and all amendments pertaining thereto, thereby giving these poor drought stricken farmers and communities an opportunity to improve their standard of living now being denied to them on a discriminatory basis.

RESOLVED FURTHER That each member of the Alabama delegation in the House of Representatives and the Senate of the United States Congress, to whom copies of this resolution shall be sent, is urgently requested to use all available means to secure the inclusion of Alabama and other needful states under the provisions of the Reclamation Act of 1902, as amended.

On motion of Mr. Beck the rules were suspended and H. J. R. 33 was adopted.

Also:

By Messrs. Hobbie, Cameron, Harris and McElhaney:

H. J. R. 34. WHEREAS, The death of Varna Avant Rushton, Sr., on Friday, June ninth, nineteen hundred sixty-seven, has brought sorrow to his family and to his many friends in Montgomery, as well as over the State of Alabama and in other states as well; and

WHEREAS, Mr. Rushton was a member of the Scottish Rite, York Rite and Shrine and was a 33rd Degree Mason, past grand secretary of the Masonic Grand Lodge of Alabama. At the time of his death he was secretary of Oak Park Lodge No. 864, F&AM, and secretary of Bandar Grotto and was a past patron of Eastern Star, Montgomery Chapter No. 180; and

WHEREAS, Mr. Rushton was chairman of the board of deacons of Highland Avenue Baptist Church and had been a Sunday School teacher for about 10 years in the adult department.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF ALABAMA, THE SENATE CONCURRING, That this body notes with deep regret and profound sorrow the death of Mr. Varna Avant Rushton, Sr. and extends its sincere sympathy to the members of his family in their great loss.

On motion of Mr. Hobbie the rules were suspended and H. J. R. 34 was adopted.

Also:

By Mr. Culver:

H. J. R. 35. WHEREAS the Alabama Cattlemen's Association, which is the number one cattlemen's association in the nation, recently entertained the members of this legislature with a most enjoyable beef round-up, including a delicious, nutritious barbecue of Alabama beef; and

WHEREAS the Alabama Cattlemen's Association, through its concerted efforts to develop and promote the growing and marketing of cattle in Alabama, has added greatly to this state's present economy and laid a firm foundation for the future expansion of the beef cattle industry in this area. The association's strong belief in the system of free enterprise, evidenced in its practices, places this new and growing industry on an unquestionably sound and commendable basis; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we wish to thank the officers, directors and members of the Alabama Cattlemen's Association for their gracious hospitality upon this most delightful occasion, and for their expressions of confidence in the Legislature of Alabama. We commend them upon their accomplishments in the beef cattle industry, and in making their organization the largest of its kind in this country.

BE IT FURTHER RESOLVED That the name of Mr. E. H. (Ham) Wilson, the executive vice-president and recognized leader of this foremost organization, be officially changed to Mr. E. H. (T-Bone) Wilson, the intent being that no disrespect to any industry, title or name shall attach thereto as a result of such designation.

RESOLVED FURTHER, That a copy of this resolution shall be sent to Mr. E. H. (T-Bone) Wilson with the suggestion that it be published in the magazine, The Alabama Cattleman.

On motion of Mr. Culver the rules were suspended and H. J. R. 35 was adopted.

H. 158 POSTPONED

No objection being offered, the Speaker ordered consideration of the bill, H. 158, postponed until the next legislative day.

RESOLUTIONS

The following resolutions were introduced:

By Mr. Graham:

H. J. R. 37. BE IT RESOLVED by the House of Representatives of Alabama, the Senate concurring, that

WHEREAS, the Justice of Peace Courts throughout the State of Alabama are at the present time and have been throughout the history of our country and state an integral and fundamental part of our judicial system, and

WHEREAS, said courts are created and provided for in our present State Constitution and, therefore, being constitutional offices, and

WHEREAS, there does now exist much confusion, misinformation, and disorganization in regard to the functions, procedures and general status of these courts within the framework of our judicial system, and

WHEREAS, much publicity and general public concern has been focused on these courts and their rightful status in the judiciary within recent months throughout the State of Alabama and within the various branches of government, and

WHEREAS, the Justice of Peace Association which now constitutes the official organization of the present Justice of Peace officeholders throughout the State of Alabama have recently made known to members of this Legislature that they are sincerely concerned and interested in appropriate legislation for the general upgrading and streamlining of these courts, and

WHEREAS, it is to the best interest and welfare of the public and necessary for justice and good government, generally, that such matters be carefully looked into, studied and acted upon by the Legislature at the nearest possible date,

NOW, THEREFORE, the Speaker of the House of Representatives and the President of the Senate of the State of Alabama are hereby requested and directed to appoint a Committee of three members from each legislative body to make a thorough study and investigation into the present status of the Justice of Peace Courts as they are now set up and functioning as a part of our judicial system, and following such study and investigation, said Committee shall prepare a comprehensive and detailed report setting forth its findings and make recommendations as to any appropriate and necessary legislation which the Committee feels should be enacted at this time concerning these offices.

The Committee shall submit its recommendations, together with drafts of proposed bills and constitutional amendments to the regular session of the Legislature as soon as possible after the adoption of this Resolution, and in any event not later than July 15, 1967.

The members of the Committee shall receive the same pay and allowances for attendance at meetings as for attendance at meetings of regular committees of the Legislature, whether or not the Legislature is in special or regular session at the time of such meetings.

H. J. R. 37 was read and referred to the Standing Committee on Rules.

Also:

By Mr. Crawford:

H. J. R. 38. BE IT RESOLVED by the House of Representatives of Alabama, the Senate concurring, that

WHEREAS, there does now exist much confusion and disorder in regard to meeting days for the Legislature, and

WHEREAS, in the interest of better legislation this matter should be carefully looked into, studied and acted upon by the Legislature at the nearest possible date.

NOW, THEREFORE, the Speaker of the House of Representatives and the President of the Senate of the State of Alabama are hereby requested to appoint a Committee of three members from each legislative body to make a thorough study and investigation into the scheduling of meeting dates for the Legislature.

The Committee shall submit its recommendations to the Legislature as soon as possible.

On motion of Mr. Crawford the rules were suspended and H. J. R. 38 was adopted.

Also:

By Messrs. Turnham and Agee:

H. J. R. 39. WHEREAS alcoholism is a major national health problem which the U. S. Public Health Service and the Crime Commission have described as the fourth most serious health problem, ranking behind only heart disease, mental illness, and cancer; and

WHEREAS alcoholism which afflicts an estimated five to six million Americans, with roughly 250,000 persons joining the ranks of alcoholics each year, is defined as "any condition of abnormal behavior or illness resulting directly or indirectly from the chronic and habitual use of or dependence upon alcoholic beverages to the extent of the loss of power of self-control over their use;" and

WHEREAS the costs of alcoholism are high with the estimated cost to business and industry from absenteeism, inefficiency and accidents due to alcoholism running to some \$2 billion annually. Taxpayers, courts, police, and penal systems bear a tremendous burden as indicated by the Crime Commission's report that one out of every three arrests in 1965, approximately two million, were for public drunkenness. Half of all fatal automobile accidents have been found to have some association with alcohol. The cost of alcoholism to the families of afflicted persons is incapable of statistical measurement, but none the less tragic; and

WHEREAS recent court rulings have held that it is unconstitutional to jail an alcoholic simply because of public drunkenness, and that chronic alcoholics must be treated medically and socially and not as criminals. The reasonings of these rulings have long been recognized by the medical profession, but the result places a new and tremendous responsibility on the states and local communities for which they are not equipped and are wholly incapable of handling without assistance; and

WHEREAS S—1508 (identical bill HR—9643) has been introduced in the 90th Congress of the United States to implement recommendations of the President's Crime Commission concerning alcoholism and to assist the states and local communities in meeting their responsibilities in connection therewith. This bill has the active support of the North American Association of Alcoholism Programs, an organization

representing state and local government groups dealing with alcoholism, as well as independent authorities on the problem, and is sponsored by thirty-six senators from both parties; and

WHEREAS, in brief, this legislation would establish a Bureau of Alcoholism Care and Control within the office of the Surgeon General to coordinate and direct federal alcoholism programs. It authorizes three years of demonstration project grants for the following types of projects: detoxification centers under medical supervision; treatment centers for patients under court order; treatment programs for alcoholics in jail or correctional institutions; aftercare or post-institutional programs. Grants authorized for these purposes are \$20 million in fiscal 1968, \$35 million in fiscal 1969, and \$45 million in fiscal 1970, to be made to public and private non-profit agencies and organizations, subject to the recommendations and approval of the Surgeon General. It creates a sixteen member National Advisory Committee to be composed of at least three members involved in state or local government programs and at least three more members from local or private non-profit agencies dealing with alcoholism. It authorizes \$1.3 million over a two year period for studies of personnel practices and needs, training of specialists, and special training of doctors and police; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That this body being aware of the serious nature of alcoholism, its rapidly increasing prevalence and the difficulties of the states and local communities in dealing with their new responsibilities resulting from recent court rulings in cases concerning alcoholics, recommends the passage of S—1508. We urgently request each member of the Alabama Congressional Delegation, to whom copies of this resolution shall be sent, to give this legislation his whole hearted support.

On motion of Mr. Turnham the rules were suspended and H. J. R. 39 was adopted.

Also:

By Messrs. Hobbie, Cameron, McElhaney and Harris:

H. J. R. 40. RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the chief of the division of service, state department of finance, shall, with the concurrence and approval of the state building commission, cause to be constructed an adequate shelter for the use of the capitol police or guards who supervise parking in the parking lot reserved for the use of legislators.

RESOLVED FURTHER, That this Resolution shall take effect as provided in Article 5, Section 125 of the Constitution of Alabama.

On motion of Mr. Hobbie the rules were suspended and H. J. R. 40 was adopted.

H. 158 POSTPONED

On motion of Mr. Hain, consideration of the bill, H. 158, was postponed until the next legislative day.

MOTION TO RECONSIDER TABLED

On motion of Mr. Gloor, his motion to reconsider the vote by which the bill, H. 123, was indefinitely postponed, was laid upon the table.

RESOLUTIONS

The following resolutions were introduced:

By Mr. House:

H. J. R. 42. BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES, THE SENATE CONCURRING That when we adjourn today, June 20, we adjourn to meet again on Friday, June 23; and that when we adjourn Friday, June 23, we adjourn to meet Tuesday, June 27.

On motion of Mr. House the rules were suspended and H. J. R. 42 was adopted.

Also:

By Messrs. Collins (W), Hogan and Marr:

H. J. R. 43. WHEREAS of the many great days in the history of our country, none is more universally celebrated, none is more filled with meaning to true patriots, than July fourth, 1776, the birthday of the United States of America; and

WHEREAS the events which led up to the adoption of the Declaration of Independence tell the story of the birth of a new nation which was "conceived in liberty and dedicated to the proposition that all men are created equal;" and

WHEREAS the search for liberty—religious, civil, or personal—brought thousands of our early settlers to these shores, and peopled the young America with a race of men to whom liberty was more precious than life; and

WHEREAS it was because this liberty was threatened, and attempts at conciliation with the mother country had failed, that the colonial leaders finally declared on July 4, 1776, that "these United Colonies are, and of Right ought to be Free and Independent States;" and

WHEREAS our Armed Forces are this very day fighting and dying in Vietnam to preserve those freedoms; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the Alabama Legislature does hereby set aside the week of July 2, 1967 as WE HONOR OUR FIGHTING FORCES IN VIETNAM WEEK in the State of Alabama, and asks each citizen to affirm his allegiance to our great United States of America by participating in any or all activities planned to honor these men and women who are fighting and dying for our freedom on foreign soil.

H. 99. Relating to all counties having populations of not less than 51,000 nor more than 56,000, according to the most recent federal decennial census, authorizing the sheriff to issue permits for the movement of certain sized houses and objects along county roads, through municipalities and across state roads under certain conditions.

McDOWELL LEE,
Secretary.

SENATE MESSAGE

On motion of Mr. Shumate the House concurred in and adopted the Senate amendment to the bill, H. 99, said Senate amendment being as follows:

COMMITTEE SUBSTITUTE FOR H. B. 99

A BILL TO BE ENTITLED AN ACT

Relating to all counties having populations of not less than 51,000 nor more than 56,000, according to the most recent federal decennial census, authorizing the sheriff to issue permits for the movement of certain sized houses and objects along county roads, through municipalities and across state roads under certain conditions.

Be It Enacted by the Legislature of Alabama:

Section 1. This act shall apply in and only in counties having populations of not less than 51,000 nor more than 56,000, according to the most recent federal decennial census.

Section 2. In all counties to which this act applies the sheriff may issue special permits without cost for the movement of houses or other objects not exceeding twenty-eight feet in width and seventeen feet in overall height from the ground when loaded on the truck or trailer to be

used in making such movement on or along the county roads of such counties, or through towns and municipalities within the county or across state roads under certain conditions.

Section 3. Prior to the moving of any such house or other object on or along any county road, any person desiring to move such house or object shall apply to the sheriff for a permit therefor, giving a description of the house or other object to be moved and stating the overall width and height from the ground of the same when loaded on the truck or trailer to be used in making the proposed movement and specifying the place from and to which the house or object is to be moved, the roads over which it will be necessary to travel or cross, the date and hour on which the movement is contemplated and the estimated duration of time to be consumed in the movement. If the sheriff finds that the dimensions of the house or other object to be moved do not exceed twenty-eight feet in width or seventeen feet in overall height from the ground when loaded on the truck or trailer to be used in making the proposed movement and that the movement of such house or object would not otherwise endanger persons or property then he shall thereupon without charge issue a written permit in duplicate authorizing the move, and, in his discretion, may for good cause change or alter the route to be taken or the date or hour of the movement so as to conform insofar as possible with all laws or rules of public safety, and to prevent unnecessary traffic congestion or inconvenience to the general public.

In the event the house or object to be moved exceeds seventeen feet in overall height from the ground when loaded on the truck or trailer to be used in making the proposed movement, special permission for such movement may be granted by the sheriff provided the person desiring to make such movement has given 72 hours prior written notice, not counting Saturdays and Sundays and legal holidays to each town or municipality and to each electric or communication utility, including municipal and rural electric cooperatives, having overhead wires in the area of the route to be followed in the proposed movement or having other facilities that might be affected by such movement and provided such person has made appropriate arrangements with each such town, municipality and utility for assistance in making the move and agreed to reimburse each such town, municipality and utility for all expenses and any damages incurred as a result of any such move. The notice to the towns, municipalities and utilities must contain the same information as appears in the application to the sheriff for the permit. Nothing herein shall be construed to require such utility to de-energize, move, or ground overhead wires where service to the public would be substantially interfered with, or the health, safety or welfare of the public would thereby be endangered.

The mover shall keep one copy of the sheriff's permit in his possession throughout the duration of the move and shall make the movement only over the roads or streets designated for such use in the written permit.

Section 4. Any person desiring to move such house or object shall have flagmen precede and follow the house or object being moved by a distance of at least three hundred feet and at night shall cause red lights to be displayed on every side of such house or object while it is moving or standing on a public road or street. If such movement is to be through the city limits of any town or municipality, the mover shall file a copy of his permit therefor with the governing body of the town or municipality through which the move is contemplated, and the sheriff shall not issue any moving permit under the provisions of this act until such move has first been submitted and approved by such governing body or its designated representative.

Section 5. In all counties to which this act applies, the movement of houses and objects in accordance with the provisions of this act and within the terms of the permit provided herein shall not constitute a violation of the provisions of Title 36, Code of Alabama 1940, as amended, relating to the movement of certain oversized vehicles over public highways nor of Title 23 relating to the obstruction of public roads, provided the mover shall have the required permit in his possession.

Section 7. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

(b) "License": Any privilege or occupational licenses, including store licenses, milk store licenses, retail fish and oyster licenses, wholesale fish license and commercial fishing licenses, but not including hunting and fishing licenses issued for pleasure.

Section 2. This act shall apply only in Madison County.

Section 3. Section 4. The application form shall reflect the name and the address of the person, firm or corporation as it appears on the license records in the county license department, and shall contain a space for the correct amount of license or licenses due, the issuance fee, and the mail fee provided for by this act. The application form shall reflect the due date of the license and the delinquent date of the license, and shall also contain a space for the person, firm or corporation to fill in the present address of the business if different from that shown in the application form, and shall contain a space for his signature. If the person, firm or corporation is located in a different municipality, or an area having been annexed to a municipality, other than the one shown on the application, or is at the time the license is due located in an area where the license rate is different from that of the preceding year, it shall be the duty of the licensee to return the application to the license director before October 1, setting out such changes and requesting that the license director make the necessary corrections in address and amount of license or licenses due, and it shall be the duty of the license director to return such corrected application within five days after receipt thereof.

And the bill:

H. 348 (with amendment). To apply only in counties in the state having a population of not less than 46,000 nor more than 46,500 inhabitants, according to the last or any subsequent federal decennial census, wherein the use of voting machines has been, or shall be, authorized; to provide that the county governing body in regulating and providing for the use of voting machines in all elections in the county may, in the manner herein prescribed, divide any voting precinct of the county into territories, designate in each territory a voting center at which the qualified electors of the territory so designated may vote, and prescribe the number of voting machines to be maintained at each voting center; and to provide election officers for each voting center designated by the county governing body, prescribe the duties of such election officers, and fix their compensation.

Was taken up.

The question was upon the adoption of the amendment reported by the Standing Committee on Local Legislation No. 1, said committee amendment being as follows:

Amend House Bill 348 by striking out all of Section 3 and inserting in lieu thereof the following:

"Section 3. (a) The voting list of any territory which is furnished the election officers serving at the voting center designated for such territory shall contain the names of all qualified electors of the territory on a single roll; however, when the roll contains more than twenty-four hundred names the list of qualified electors or roll shall be divided into alphabetical sections of not more than twenty-four hundred

names per section. Except as herein otherwise provided, the laws applicable to the preparation, distribution, publication and checking of qualified lists shall apply to the poll list of a territory for which a voting center has been established by the county governing body pursuant to authority hereby conferred.

"(b) No elector shall vote at any voting center other than the voting center of the territory of which he is a qualified elector, but any elector eligible to vote at a voting center may vote on any voting machine maintained at such voting center, upon presentation of the identification card issued to him by an election officer serving at such voting center."

Further amend House Bill 348 by striking out all of Section 5 and inserting in lieu thereof the following:

"Section 5. (a) For each voting center where only one voting machine is to be used, the election officials shall consist of an inspector, a chief clerk and two assistant clerks. For each voting center where more than one voting machine is to be used there shall be appointed one chief inspector who shall supervise the conduct of the other officials and the operation of the voting center, one inspector and one chief clerk, and for each voting machine to be used at such center there shall be appointed two assistant clerks. For each voting center where four or more voting machines are to be used there may be appointed two additional assistant clerks for each group of four voting machines or fraction thereof.

"(b) The election officers provided for herein shall be appointed by the same officers that appoint other election officers. They shall perform all duties imposed on election officers by the general law and in addition thereto the following duties: one of the election officers shall be assigned to each section of the voting list and such election officer shall issue to each elector at the time he checks the name off the list of qualified electors an identification card, which shall be presented to the assistant clerk in charge of the voting machine and surrendered to him when the voter enters the voting machine. The identification cards shall each have printed on them the words "voter identification card," and they shall contain a space in which shall be entered the signature of the election officer who delivers the card to the elector. The identification cards shall bear neither a number nor the name of a voter. Identification cards shall be procured by the same officer who procures other election supplies and shall be paid for from the same funds that the cost of other election supplies are paid.

"(c) The assistant clerk in charge of the voting machine shall require that each voter sign at the machine a poll list before he is allowed to enter the machine to vote. A separate poll list of persons casting challenged votes shall be kept by the officials.

"(d) The inspector shall certify on each statement of canvass form the total number of votes cast on all machines at the voting center and the total number of electors' names recorded on the poll lists at such voting center. Election officers provided for by this Act shall be compensated for their services in the same manner and at the same rates provided by law for election officers where voting machines are used.

"(e) It shall be the duty of all election officials to see that order is maintained in the polling place. The inspector shall see that the returns are filled out for each voting machine as required by law and delivered to the proper officials, and that the records of the election relating to each machine are enclosed respectively in each machine, and that the list of qualified voters, challenged ballots, and one copy of each challenged oath and any other records relating to the election in general are enclosed in an appropriate voting machine.

And the amendment was adopted.

AMENDMENT TO H. 341 TABLED

Mr. Shumate offered the following amendment to the bill, H. 341.

Strike out Section 5 of the bill entirely and insert in lieu thereof the following:

Section 5. This Act shall be inoperative and void unless the provisions thereof are approved by a majority of the qualified electors who vote thereon at a referendum election held for such purpose. The election shall be held and conducted as nearly as may be according to the laws governing elections on constitutional amendments and notice thereof shall be given by the Governor as in the case of a proposed constitutional amendment. The election shall be held on the same day as the next election on constitutional amendments. If the Act is approved at such election by a majority of the qualified electors who vote in the referendum, the Act shall take effect immediately; if the Act is not approved, it shall have no force or effect. The results of the election shall be tabulated and certified in the same way that results are tabulated and returns are made in elections on constitutional amendments. The cost and expenses incurred in holding the election shall be paid from any funds in the state treasury not otherwise appropriated. The question to be submitted shall be so stated on the ballots that the nature or subject matter of the Act shall be clearly indicated. The question shall be framed by the secretary of state.

Pursuant to H. J. R. 77 of the 1967 Special Session.

Received and ordered filed.

RESOLUTIONS

The following resolutions were introduced:

By Mr. Graham:

H. R. 47. WHEREAS, Donald Earl Marks, a young man thirty-two years of age and a native of Florence, Alabama was killed in a tragic automobile accident near Robertsdale, Alabama on the 17th day of June, 1967, and

WHEREAS, he was recognized by all who knew him as an outstanding and beloved person in the community where he lived, having attained prominence in the field of chemical research with one of the largest oil companies in this country, and

WHEREAS, this man was indeed a brilliant scholar, a true gentleman and a Christian, and

WHEREAS, his death is an enormous loss to his family, his community, his employer and to the many people who knew and associated with him.

NOW THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF ALABAMA, That we note with profound regret the death of Mr. Marks and extend our deepest sympathy to the members of his family; and

BE IT FURTHER RESOLVED That the Clerk of the House be requested to send a copy of this resolution to the family of Mr. Marks.

BE IT RESOLVED, That the Speaker of the House shall forthwith name the members of the standing committee on highway safety and appoint a chairman and vice-chairman thereof.

H. R. 48 was read and referred to the Standing Committee on Rules.

Also:

By Messrs. Turnham, Brassell, Higginbotham and Crawford:

H. J. R. 49. WHEREAS the death of Peter Alexander Brannon, director of the Alabama Department of Archives and History, ended a long and illustrious career of a man to whom this State is eternally indebted; and

WHEREAS Dr. Brannon's interest in and devotion to the history of Alabama and this region led him to the accumulation and preservation of a wealth of material which might otherwise have been unavailable or lost to future generations. Associated with the Archives department from its founding in 1911, Dr. Brannon served as clerk, chief clerk, military archivist, acting director, and as director for twelve years immediately preceding his death on January 5, 1967, at the age of eighty-four. During this time, he wrote numerous books, articles and papers on a variety of subjects, including almost nine hundred newspaper columns for the Montgomery Advertiser. He was a recognized authority on anthropology and Indianology and was considered a veritable encyclopedia of knowledge with regard to Alabama history about which he was frequently called from many sources for information; and

WHEREAS Dr. Brannon was a founder of the Alabama Anthropological Society, past president and member of the executive board of the Alabama Historical Society, and had been honored by numerous organizations related to historical research. He was awarded the degree of Doctor of Laws by his alma mater, Auburn University; and

WHEREAS Dr. Brannon's inquiring and astute mind, coupled with keen perception and a rare sense of values so necessary in a position requiring great selectivity, made his services as an archivist particularly valuable. He was a gentle and scholarly man whose warm and abiding loyalty led to enduring friendships; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we acknowledge with grateful appreciation the many contributions made by Dr. Brannon to the State of Alabama and for his untiring efforts in the preservation of its history. Alabama has suffered a distinct loss in his passing and we feel a deep sense of personal loss. We extend our heartfelt sympathy to his widow, Mrs. Frances Frazer Brannon, and to his son, Mr. Stephen F. Brannon, to whom copies of this resolution shall be sent.

On motion of Mr. Brassell the rules were suspended and H. J. R. 49 was adopted.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Local Government, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

Proposing an amendment to the Constitution of Alabama providing for a constitution revision commission.

Be It Enacted by the Legislature of Alabama:

Section 1. The following amendment to the Constitution of Alabama is proposed; it shall become valid as a part of the Constitution when approved and proclaimed as prescribed by law.

"Article _____

"There shall be created and established a constitution revision commission as follows: Three legislative members shall be appointed by the Speaker of the House of Representatives; three legislative members shall be appointed by the President of the Senate; three members shall be appointed by the Governor; one member shall be appointed by the Circuit Judges Association; one member shall be appointed by the Association of County Commissioners; one member shall be appointed by the League of Municipalities; one member shall be appointed by the Alabama Bar Association; one member shall be elected by a majority vote from each of the Congressional Districts in a nonpartisan election to be held the first Tuesday in May 1968 using separate paper ballots or a separate row on voting machines. If no candidate receives a majority vote, a second election shall be held on the fourth Tuesday next thereafter following said election between the two candidates receiving the greatest number of votes. Declarations of candidacy shall be filed not later than March first, next preceding the holding of such election, in the office of the Secretary of State. Each appointing official may remove any member appointed by him or a predecessor in office and appoint another person to the vacancy, subject only to the limitations imposed on such appointments as stated above. The Governor shall call the first meeting of the commission any time after May 1, 1968, but before July 1, 1968. The commission shall, by a majority vote, elect a chairman and a vice chairman at its first meeting. The commission shall

meet at such times and places as its chairman shall decide. Proposed action by the commission would require a majority vote of the entire membership of the commission. There must be a quorum present to transact any business. The commission may create subcommittees composed partially of nonmembers designated by the commission, provided the members shall constitute a majority of each subcommittee. Each subcommittee shall elect by a majority vote a chairman who shall be a member of the commission. The subcommittee chairman shall set the times and places for subcommittee meetings. Members of the commission and nonmembers serving on any subcommittee shall be reimbursed for expenses incurred while absent from their usual places of residence upon the same terms as expenses are reimbursed to members of the Legislative Council. All expenditures of the commission shall be paid upon vouchers approved by the chairman of the commission.

"The constitution revision commission shall examine and analyze the Alabama Constitution, together with the amendments thereto; examine constitutions of other states and foreign nations; consult with scholars and experts on government and constitutions; prepare written reports and studies on constitutions and their operation; and draft a thorough and comprehensive revision of the Constitution of Alabama of 1901 as amended, before January 1, 1970.

"The constitution revision commission, when duly established and assembled in pursuance of this article, shall have full power and authority to establish such ordinances and to do and perform such things as to it may seem necessary or proper for the purpose of altering, revising, or amending the existing Constitution, provided that no part of the first article thereof shall be modified, changed, or repealed; and provided further, that any revision of the Constitution proposed by the commission shall be submitted to the Legislature for its approval and then to the qualified electors of this State for ratification or rejection in toto at the next general election following its proposal. When the amended and revised constitution is submitted by the commission to the Legislature for its approval, it shall be treated in the same manner as a bill coming before the Legislature. Notice of the election and of the proposed revision shall be given by proclamation of the Governor as provided in Article Eighteen of this Constitution."

Section 2. The proposed amendment shall appear on the ballot as follows: "Do you favor a constitutional revision commission? Yes No"

Section 3. An election is ordered to be held on the proposed amendment on the same day as the next state wide election held following final adjournment of the current session of the Legislature. The election shall be held and conducted and notice thereof shall be given as provided by law.

On motion of Mr. Sessions the rules were suspended and H. R. 52 was adopted.

Also:

By Mrs. Collins (C), Messrs. Collins (W), Marr, Wood, Edington, Grayson, Downing, Smith (C) and Perloff:

H. J. R. 53. WHEREAS the powerful bomb which ripped the home of J. B. LeFlore, retired postal employee, and long time Negro civil rights worker in Mobile, was a dastardly act perpetrated under cover of darkness by a depraved and senseless person; and

WHEREAS the people of Alabama, and particularly the citizens of Mobile, are shocked and outraged by this cowardly and violent crime, and have no idea of resting until the culprit is caught and punished to the full extent of the law. Rewards have been posted for his apprehension, and the Governor of our State has added an additional reward of \$1,000. Alabamians cannot and will not tolerate such lawlessness in our state against any of our people; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we deplore the act of violence which severely damaged the home of this elderly couple and threatened their lives. We extend our sympathy to the LeFlores for their loss in property, and pledge to them our full cooperation in apprehending and prosecuting the person or persons responsible for this despicable crime.

RESOLVED FURTHER That a copy of this resolution be sent to the Mobile Press Register and to the LeFlores.

On motion of Mrs. Collins (C) the rules were suspended and H. J. R. 53 was adopted.

MOTION TO SUSPEND RULES LOST

REPORT OF LEGISLATIVE LIMOUSINE COMMITTEE

The Legislative Limousine Committee appointed pursuant to a resolution by the Legislature for this purpose hereby makes its report.

The Committee has discussed the matter of obtaining a new limousine for the Governor in detail with Governor Lurleen B. Wallace.

Governor Lurleen B. Wallace expressed her appreciation to the Committee for their consideration of her needs, but stated it was her desire that no new limousine be purchased for use by her in her official capacity as Governor.

While the Committee did recommend that a new limousine be purchased, in view of the Governor's express desire not to have a new limousine, the Committee reluctantly agreed to abide by her wishes and therefore makes this their final report.

Received, read and ordered inserted in the Journal.

H. 96. Declaring motor vehicles, guns, rifles, ammunition and hunting equipment used in illegal nighttime deer hunting to be contraband; and providing for the condemnation and sale thereof for the benefit of the State game and fish fund.

Mr. Culver offered the following substitute for the bill, H. 96:

A BILL
TO BE ENTITLED
AN ACT

Declaring motor vehicles, guns, rifles, ammunition and hunting equipment used in illegal nighttime deer hunting to be contraband; and providing for the condemnation and sale thereof for the benefit of the State game and fish fund.

Be It Enacted by the Legislature of Alabama:

Section 1. Any motor vehicle, or any gun, rifle, ammunition or other hunting equipment which has been or is used for illegal nighttime deer hunting in this state shall be contraband, and, in the discretion of the circuit court having jurisdiction, may be forfeited to the State of Alabama, as hereinafter provided.

Section 2. The sheriff, any conservation officer, or any other person authorized to enforce the game and fish laws of this state who apprehends any person hunting deer in this state in the nighttime, or who finds any vehicle which is being or has been used in such illegal nighttime hunting shall seize such vehicle and any gun, rifle, ammunition or other deer hunting equipment found in the possession of or on the person of such person or in or on such vehicle and shall report such seizure and the facts connected therewith to the district attorney or other prosecuting official. The report shall contain a full description of the vehicle or other equipment seized and detained, the name of the person in whose possession it was found, the name of the person making claim to the same, or any interest therein, if the name is known or can be ascertained, the date of seizure, and a statement of the circumstances surrounding the seizing of the property.

Section 3. The district attorney or other prosecuting officer upon receiving such report shall at once institute, or cause to be instituted, condemnation proceedings in the circuit court in equity, in the same manner that he is directed by law to institute proceedings for the condemnation and forfeiture of automobiles and other vehicles used in the illegal transportation of alcoholic beverages. Except as herein otherwise provided, the procedures for the condemnation, forfeiture, and sale of motor vehicles and hunting equipment under this Act shall be governed in all things by and shall conform to the law relative to proceedings for the condemnation, forfeiture, and sale of vehicles used in the illegal transportation of alcoholic beverages. Without limiting the generality of the foregoing sentence, the provisions of the Code of Alabama 1940, as amended, Title 29, Sections 248 and 249, shall apply to and govern all such proceedings. Provided however, the condemnation provisions of this Act relating to vehicles shall not apply to the interest of any mortgage holder, lien holder, or the holder of any other encumbrance on such vehicle; but shall apply only to the equity or interest of the illegal user or members of his immediate family.

Section 4. In order to condemn and confiscate any of the property set out in Section 1, it shall be necessary to prove that the accused person was apprehended in the act of capturing, taking, or killing deer illegally in the nighttime.

Section 5. The proceeds of the sale of any property condemned and forfeited to the state under authority of this Act after payment of all expenses in the cause, including the cost of seizure and a keeping of the property pending the proceedings, shall be paid into the state treasury to the credit of the state game and fish fund.

Section 6. All laws or parts of laws which conflict with this Act are repealed.

Section 7. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 8. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

A BILL
TO BE ENTITLED
AN ACT

Relating to Tuscaloosa County; declaring motor vehicles, guns, rifles, ammunition and hunting equipment used in illegal nighttime deer hunting in the county to be contraband; and providing for the condemnation and sale thereof for the benefit of the game and fish fund.

Be It Enacted by the Legislature of Alabama:

Section 1. Any motor vehicle, or any gun, rifle, ammunition or other hunting equipment which has been or is used for illegal nighttime deer hunting in Tuscaloosa County shall be contraband, and, in the discretion of the circuit court of such county, may be forfeited to the State of Alabama, as hereinafter provided.

Section 2. The sheriff, any conservation officer, or any other person authorized to enforce the game and fish laws of this state who apprehends any person hunting deer in Tuscaloosa County in the nighttime, or who finds any vehicle which is being or has been used in such illegal nighttime hunting shall seize such vehicle and any gun, rifle, ammunition or other deer hunting equipment found in the possession of or on the person of such person or in or on such vehicle and shall report such seizure and the facts connected therewith to the district attorney or other prosecuting official in the county. The report shall contain a full description of the vehicle or other equipment seized and detained, the name of the person in whose possession it was found, the name of the person making claim to the same, or any interest therein, if the name is known or can be ascertained, the date of seizure, and a statement of the circumstances surrounding the seizing of the property.

Section 3. The district attorney or other prosecuting officer of the county upon receiving such report shall at once institute, or cause to be instituted, condemnation proceedings in the circuit court of Tuscaloosa County in equity, in the same manner that he is directed by law to institute proceedings for the condemnation and forfeiture of automobiles and other vehicles used in the illegal transportation of alcoholic beverages. Except as herein otherwise provided, the procedures for the condemnation, forfeiture and sale of motor vehicles and hunting equipment under this Act shall be governed in all things by and shall conform to the law relative to proceedings for the condemnation, forfeiture, and sale of vehicles used in the illegal transportation of alcoholic beverages. Without limiting the generality of the foregoing sentence the provisions of Code of Alabama 1940, Title 29, Sections 248 and 249, shall apply to and govern all such proceedings.

Section 4. In order to condemn and confiscate any of the property set out in Section 1, it shall not be necessary for the district attorney or other prosecuting authority to prove possession of deer killed in the county while hunting in the nighttime or that the hunter be apprehended in the actual act of killing deer; but it shall be sufficient to prove possession upon the person or in the motor vehicle of a gun, rifle, ammunition and other equipment at such time and place and under such circumstances as would support a conviction for illegally hunting deer in the nighttime.

Section 5. The proceeds of the sale of any property condemned and forfeited to the state under authority of this Act, after payment of all expenses in the cause, including the cost of seizure and a keeping of the property pending the proceedings, shall be paid into the state treasury to the credit of the state game and fish fund.

Section 6. All laws or parts of laws which conflict with this Act are repealed.

Section 7. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 8. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Gentlemen:

I herewith transmit to you a message from the Governor, returning House Bill No. 99, with a suggested executive amendment.

Respectfully submitted,
CECIL C. JACKSON, JR.,

June 29, 1967

To the House of Representatives
State Capitol
Montgomery, Alabama

Gentlemen:

I am returning to you, the Body in which it originated, House Bill No. 99, without my approval and with a suggested executive amendment.

It is suggested that Section 5 (a) of House Bill No. 99 be amended to read as follows:

"Section 5. (a) Nothing in this act shall be deemed to authorize the movement of any such house or object upon or along any state road, but such movement may be made, where necessary, over the shortest distance across a state road, provided however, that the State Highway Department retains the sole right to issue permits for any such movement along any distance of a State road, and provided further that flagmen with visible flags or red lights are stationed to warn oncoming traffic at a distance of at least five hundred feet on each side of the place where such crossing is being made, and provided the movement is completed as soon as is reasonably possible."

The adoption of the suggested amendment will remove my objection to the bill.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Mr. Turner:

S. J. R. 36. WHEREAS the Armed Forces have provided for servicemen stationed in Vietnam to take rest and recuperative leave in Hawaii under certain circumstances and when conditions permit; and

WHEREAS some of our fighting men are able to arrange for their families or some member of the family to meet them in Hawaii during this week of rest and recuperation away from the gruelling ordeals of prolonged battle, which meetings and the prospects thereof are a tremendous boost in morale. Other servicemen, particularly those of the lower ranks, those with little or no income other than their service pay, and those whose homes are in the eastern part of the United States, find the cost of flying their dependents to Hawaii almost, if not completely, prohibitive; and

WHEREAS servicemen are permitted to travel at standby rates on commercial air lines, and, if their dependents traveling for the specific

purpose of joining these servicemen for a week of rest and recuperation were permitted to travel on commercial airlines at the same standby rates as students, ministers and military personnel, the cost would be reduced by at least one-third; and

WHEREAS the administrative problem of identifying these dependents for the airlines could be solved by the issuance of DD Form 1580, "Military Standby Authorization for Commercial Air Travel," by the serviceman's organizational commander; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we memorialize the President of the United States and Secretary Robert McNamara of the Department of Defense to institute whatever administrative procedures may be expedient and to cause such arrangements to be made with the commercial airlines as will enable our fighting men to be reunited with their loved ones during this period of rest and recuperation, and thus to aid the cause for which they are giving their lives.

RESOLVED FURTHER That a copy of this resolution be sent to each member of Alabama's Congressional Delegation, and that they be urged to give their wholehearted support to the recommendations contained herein.

McDOWELL LEE,
Secretary.

SENATE MESSAGE

The S. J. R. 36 set out in the above and foregoing Message from the Senate was read and referred to the Standing Committee on Rules.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Givhan, Cooper and Hawkins:

S. J. R. 12. WHEREAS the Office of Economic Opportunity under the direction of Sargent Shriver has approved a grant of nearly \$400,000 to the Southwest Alabama Farm Co-op Association, a group of nearly 800 low income farm families, most of whom are negroes, which association was organized at the instigation and under the direction of civil rights worker, Shirley Mesher, a prime participant in the Black Panther movement in this area; and

WHEREAS this grant was made despite the strong objections of public officials in the ten county area which will be supposedly serviced by the association. These knowledgeable and responsible officials who are in the best position to know the needs and affairs of this area charge that while assistance is needed to raise the farm income level in these counties, other and more efficient means already exist through which such aid might be more effectively channeled. These officials headed by Selma Mayor Joe Smitherman and Dallas County Probate Judge Bernard Reynolds have further charged that large sums will be used for officials of the Southwest Alabama Farm Co-op Association, that little will be used to meet the needs of the individual farm families, and that in reality funds will be spent to finance the lawless Black Panther movement designed to overthrow the government of this country and particularly the governments of Southern states; and

WHEREAS in bypassing the reasonable and effective alternative plans offered by the public officials of the counties affected, Sargent Shriver admits that the Southwest Alabama Farm Co-op Association was organized with the aid and assistance of civil rights worker, Shirley Mesher, who he knows has been active in the Black Panther movement, but denies that she has any official connection with the Co-op Association at the present time, now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That there is every reason to believe that the Southwest Alabama Farm Co-op Association has been granted funds for the specific purpose of promoting Black Power in Alabama, and not for raising the economic level of low income farm families who could be more effectively aided by other means. We deplore this further waste of federal funds and taxpayers' money. We condemn the motives of the OEO and those of its director, Mr. Shriver, who is but a weak tool of his brother-in-law, Bobby Kennedy, and we deem this unsolicited and unwanted grant to be nothing more than a cheap political move designed to blacken Alabama.

BE IT FURTHER RESOLVED, that each member of Alabama's delegation in the Congress of the United States, to whom copies of this resolution shall be sent, is hereby urgently requested to use every available means to have the grant to the Southwest Alabama Farm Co-op Association investigated and rescinded.

McDOWELL LEE,
Secretary.

WHEREAS some of the supplies and equipment have not been and will not be used by the doctor of the day, and it is desirable that they serve some useful purpose; now therefore

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Nabors and Goodwyn:

S. J. R. 2. WHEREAS Gadsden, Vietnam a village of approximately five hundred refugees living in one hundred neat concrete block homes exists as the result of an idea initiated and pursued by the concerted efforts of the people of Gadsden, Alabama to do something for the people of Vietnam; and

WHEREAS Mayor Leslie L. Gilliland of Gadsden sent The Reverend Richard Bolen to Vietnam as an ambassador of good will to determine how best a practical expression of the feelings of the citizens of Gadsden and Etowah County might be transmitted to the people of Vietnam. As a result of this visit, the village was built as planned by the 23rd Artillery Group, Gadsden's adopted unit in Vietnam, under the sponsorship of the City of Gadsden, Alabama with the cooperation of the citizens of Etowah County. Construction of an elementary school started April 1, and completion is expected within the next few days. The Binh Duong District, Vietnam will furnish teachers. A village craft shop has been started which when completed will be used to teach the villagers new techniques of sewing, cooking and other practical skills. The principal occupation is raising pigs which will be used partially for feeding the villagers, but mainly for marketing purposes. Plans are made for making a useless gorge into a farming area and building a dam at its head for irrigation purposes. Each home will have a garden area and every effort is being made to make the village a self sustaining one; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we heartily commend Mayor Leslie L. Gilliland and the members of the Gadsden city commission, The Reverend Richard Bolen, the citizens of Gadsden and the people of Etowah County for their initiative and tremendous effort in making this unique experiment in international relations into such a practical and successful project.

RESOLVED FURTHER That copies of this resolution shall be sent to Mayor Leslie L. Gilliland and The Reverend Richard Bolen of Gadsden and to Colonel Thomas H. Sayes, Commanding Officer of the 23rd Artillery Group in Vietnam.

McDOWELL LEE,
Secretary.

By Mr. Folsom:

S. J. R. 16. WHEREAS many Alabamians and men throughout this nation are fighting and dying in Vietnam for their country and for

the principles for which it stands, while in some areas of the United States, "Old Glory" is being shown more disrespect than respect by the peaceniks and beatniks who are burning and desecrating our flag and who at the same time are displaying the flag of the Viet Cong; and

WHEREAS on June 14, 1777, the Continental Congress adopted the original Betsy Ross design as our nation's flag and on June 14, 1954, the words "under God" were officially placed in our Pledge of Allegiance to the Flag; and

WHEREAS Alabama Congressman Bill Nichols, a former member of each of the houses of this legislature, and a distinguished veteran of World War II has initiated plans for Flag Day ceremonies in the United States House of Representatives; and

WHEREAS the people of the State of Alabama lead this nation in patriotism and have proven their willingness to stand up for our flag and our country during this time when our country is facing crisis after crisis throughout the world; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That Wednesday, June 14, 1967, be designated as Flag Day in Alabama, a day when all the people of our state are urged to display and renew their allegiance to our flag.

RESOLVED FURTHER That Congressman Nichols, to whom a copy of this resolution shall be sent, be commended for initiating Flag Day ceremonies in the United States House of Representatives.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Mr. Givhan:

S. J. R. 26. A RESOLUTION requesting the Alabama Delegation in the U. S. Congress to call upon Congress to strengthen laws to control the communist party by a new declaration of legislative intent or to propose a new amendment to the Constitution of the United States.

WHEREAS the United States Congress has found and declared in the Communist Control Act of 1954 that the Communist Party in the United States "is in fact an instrumentality of a conspiracy to overthrow the Government of the United States"; and

WHEREAS the United States Congress has enacted laws to control the activities of the Communist Party but these laws have proven ineffective and inadequate because of United States Supreme Court decisions interpreting the First and Fifth Amendments of the United States Constitution, the unintentional effect of which is to grant the Communist Party undue protection and privileges contrary to the intent of Congress and of the people; and

WHEREAS the people of the State of Alabama are greatly concerned because of these continuing protections afforded and enjoyed by the Communist Party which allow that organization to flourish and to expand its subversive activities; and

WHEREAS the State of Alabama is without power to prosecute or interfere with the activities and expansions of the Communist Party because the Federal Government has pre-empted the field of communist control; and

WHEREAS it appears that the protections afforded by the United States Constitution should be defined by Congress; and

WHEREAS the citizens of the State of Alabama have duly elected to the United States Congress representatives, who are well qualified to determine required legislative needs regarding control of the Communist Party and other organizations dedicated to the overthrow of the United States Government by unlawful means; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That the Alabama Delegation in the United States Congress be requested to call upon Congress to study methods and means necessary to strengthen the laws which have been enacted by the United States Congress for the purpose of controlling the Communist Party.

BE IT FURTHER RESOLVED, That this study and the recommendations resulting therefrom include a finding as to the legislative intent behind Acts of Congress which are affected by the First and Fifth Amendments, or any other amendment or part of the United States Constitution which affords protection to the Communist Party; and

BE IT FURTHER RESOLVED, That the study and its resulting recommendations include proposed legislation or Constitutional Amendments which would effectively preserve American democracy and the strength of our Constitution; and

BE IT FURTHER RESOLVED, That a copy of this resolution be forwarded to each and every U. S. Senator and member of Congress from Alabama.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Radney, Lindsey and Torbert:

Petitioning Congress to enact legislation making the malicious public burning of the American flag a federal crime.

S. J. R. 17. WHEREAS at a time when our nation has again been compelled to take up arms in defense of liberty and freedom, and in support of our commitment to preserve the right of self-determination of the people of South Vietnam and integrity of their government against the onslaught of communist aggression, we have witnessed recently in this nation certain deplorable conduct on the part of the lawless segment of our population opposed to American involvement in the struggle in Vietnam; and

WHEREAS the fundamental right of dissent and the freedom of expression guaranteed to every citizen of our great nation by the Bill of Rights of the Constitution necessarily entails the disciplined and responsible exercise of those rights, and freedom in the exercise of those rights does not include adhering to, or giving aid and comfort to the enemies of this nation; and

WHEREAS the malicious public burning of the symbol of this nation, the American flag, as a means of expressing opposition or protest is not dissent but an act most accurately characterized as treasonous and deserving swift punishment of its perpetrators; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we respectfully memorialize and petition the Congress of the United States to enact appropriate legislation making the malicious public burning of the American flag a federal crime.

BE IT FURTHER RESOLVED, That a copy of this resolution shall be sent to each member of the Congressional Delegation from the State of Alabama, to the Secretary of the United States Senate, the Clerk of the House of Representatives of the United States, and the President of the United States.

A BILL
TO BE ENTITLED
AN ACT

To regulate the purchase of supplies, materials, equipment, and other personal property for or on behalf of Conecuh County or any of its officers, departments, agents, or instrumentalities; providing for competitive bidding on certain purchases and prescribing penalties.

Be It Enacted by the Legislature of Alabama:

Section 1. All purchases of supplies, labor, services, materials, equipment and other personal property for or on behalf of Conecuh County, or any of its officers, departments, agents, or instrumentalities, shall be made by the Board of Directors or other like governing body of the county, or its duly authorized agent, under such reasonable rules and regulations and procedures as the county governing body may prescribe, and such reasonable accounts, ledgers and journals of the purchases and of the several funds of the county shall be as directed by the county governing body. But written, sealed, competitive bids must be obtained on all proposed purchases or supply contracts when the amount involved is three hundred dollars or more. If the amount of the proposed purchase or supply contract is in excess of three hundred dollars, written notice by registered or certified mail, with return receipt requested, shall be given at least three suppliers. A copy of such notice or notices, together with the return receipts showing their delivery, must be filed in the records of the Board of Directors or other like county governing body. Copies of such notices with return receipts properly filed as directed shall be considered as evidence of compliance with this section.

Section 2. All bids received on proposed purchases or supply contracts shall be written and sealed and shall be opened publicly at the time and place stated in the invitation to bid. The supply contract or order shall be awarded to the responsible bidder making the lowest and best bid. All bids received, with the names of the bidders, shall be filed with the purchasing records of the Board of Directors or like county governing body. Each bid received and filed must have recorded upon its face whether accepted or rejected with the reasons for the award if not awarded to the lowest bidder. All bids and purchasing records shall be open to public inspection. In the event any equipment or property of the county is to be replaced by a proposed purchase, the invitation to bid must contain an offer to buy with the old or used equipment to be taken in trade. In making purchases for the county, the purchasing agent shall give preference to commodities produced or sold in Conecuh County; and a two per cent differential in price may be allowed resident vendors, provided there is no sacrifice or loss in quality, terms of delivery, or otherwise.

Section 3. The county purchasing agent may obtain information from the Division of Purchases and Stores, State Department of Finance, relative to the items to be purchased, and if the supply contract or proposed purchases can be negotiated at a price equal to or less than the state price, it shall be unnecessary to seek bids as provided in Sections 1 and 2, and the purchase may be made on the basis of the negotiated price. When purchases of supplies, materials, equipment, or other personal property are made under this section, the files of the purchase shall contain evidence verifying the purchase price to be equal to or below the state price.

Section 4. In an emergency a purchase involving more than three hundred dollars may be made without competitive bids and without obtaining information from the Division of Purchases and Stores, State Department of Finance. However, a full written account of the circumstances necessitating any such emergency purchase, together with the statement describing the item purchased and naming the vendor from whom the item was purchased, shall be at once prepared by the purchasing agent and filed in his office with the records of the purchase. Any emergency, as the term is used herein, means a situation where equipment, supplies and materials are needed immediately to place in operating condition the road or bridge system of the county which has become impassable or dangerous due to damage or destruction of existing portions thereof, and the emergency repair or replacement of buildings, such as the court house, jail, or other county owned buildings, utilities and facilities that have been damaged by fire, windstorm, riot, subterfuge, sabotage, war or providential disaster or other disaster. The provisions of this Act regarding competitive bidding and obtaining information from the State Purchasing Agent may be waived also for purchases of perishable commodities, utility services, machinery repairs and parts, and commodities or services for which there is no competitive situation.

Section 5. Whoever purchases or attempts to purchase property for or on account of Conecuh County or any of its offices, departments, agencies, or instrumentalities, or attempts to sell or sells property to Conecuh County or any of its offices, departments, agencies, or instrumentalities, contrary to the provisions of this Act, or whoever violates any provision of this Act, is guilty of a misdemeanor and upon conviction shall be fined not less than one hundred nor more than one thousand dollars, and in addition may be imprisoned for not more than one year.

Section 6. The Board of Directors or other like county governing body of Conecuh County may employ and fix the compensation of its purchasing agent, provide the purchasing agent with offices, supplies, books, equipment, postage, transportation, assistants necessary for the proper and efficient conduct of his duties.

Section 7. All laws or parts of laws which conflict with this Act are repealed.

Section 8. This Act shall become effective on the first of the month following the month during which it is enacted.

To prevent motor vehicles, as defined by Article 8 of Title 51 of the Code of Alabama 1940, as amended, from escaping taxation and to provide for the more efficient assessment and collection of taxes due on same, no license shall be issued to operate a motor vehicle on the public highways of this State, nor shall any transfer be made by the Director of the Department, as provided by this act, unless the ad valorem tax on such vehicle shall have been paid in the County for the preceding year, as evidenced by a receipt of the Director of the Department where the owner of the Vehicle resides, if the vehicle is owned by an individual; and if the vehicle is owned by a Firm, Corporation, or Association, then as evidenced by the receipt of the Director of the Department in the County in which the motor vehicle is used or operated. Provided, that this section shall not apply to motor vehicles owned by Dealers, the State, counties and municipalities. Every person, firm, or corporation, who desires to operate a motor vehicle on the public highways of Alabama shall first return such motor vehicle for ad valorem taxation to the director of the Department of the County for the preceding tax year, and the Director of the Department of the County shall deliver to such person who makes the return as herein required a certificate of assessment on a

form prescribed by the State Department of Revenue and such Certificate shall be the warrant of the Director of the Department to collect the tax as shown thereon. Motor vehicles, within the meaning of this Act, shall not be included in any assessment made by any person, firm or corporation with the tax assessor, and such motor vehicle shall not be considered as escape property by reason of failure to include same in any tax return, but shall be assessed as herein provided. The Director of the Department upon issuing a license for the operation of Motor Vehicles as herein provided, shall make a duplicate of the tax receipt and keep same on file in his office. The license tag shall be evidence of the payment of the license and ad valorem tax due as provided under this Act. Valuation for ad valorem assessment shall be sixty per cent of the fair and reasonable value of such motor vehicles. Motor Vehicles brought into this State after the first day of October, and before the Director of the Department has completed his assessment, shall be subject to taxation the same as if it had been held or owned in the State on the first day of October. The Director of the Department is authorized to issue a motor vehicle license where he ascertains and makes a record of the fact that there is no ad valorem tax due on said motor vehicle for the preceding year. The Director of the Department, in addition to assessing and collecting the ad valorem taxes due the State and County on motor vehicles, shall collect the ad valorem taxes on motor vehicles due all cities and towns located in such County. The Director of the Department shall report and pay over the money collected for cities and towns at the same time and in the same manner as State and County Taxes are reported and paid over by him. The Director of the Department shall receive a commission of two and one-half per cent for assessing and a commission of two and one-half per cent for collecting city and town ad valorem taxes and shall deduct these commissions from the amount collected before paying the same over to the city or town. All commissions collected hereunder by the Director of the Department shall be paid into the general fund of the County and shall be the property of the County.

Section 9. On or after the first day of September, each year, the Director of the Department, if he elects to do so, may mail an application in the form and containing the information hereinafter provided to all owners of motor vehicles listed as such in the motor vehicle license records (including transfers) in his office or, at his option, to such owners as request that such application be mailed to them. The application shall be on a form to be provided by the State Department of Revenue. The application form shall contain a space for the name and address of the owner of the motor vehicle, and the make, model, year, and motor number of his motor vehicle and such other information with respect thereto, as the State Department of Revenue may prescribe. The application form shall also contain a space for the correct amount of ad valorem taxes (state, county, school districts and municipal) and the amount of the motor vehicle license tax due thereon and the issuance fee, including the mailing fee provided for herein. The application form shall also contain a space for the owner to fill in his present address, if different from that shown in the application form, and a space for his signature. The director of the Department shall cause the application form to be filled in with the name and address of the owner; the description of the motor vehicle; the license tax and fees to become due on November 15, succeeding, as shown on the license registration and transfer records in his office; and the amount of ad valorem taxes on said motor vehicle for the preceding tax year as provided by Title 51, Section 704. Code of Alabama (1940) as amended. The Director of the Department shall thereupon cause the application, so filled in, to be mailed to the owner of the motor vehicle at his address shown thereon, at the address to which such owner requests that the application form be mailed. The Owner of the motor vehicle, if he is still the owner of the motor vehicle, and if he desires to pay his motor vehicle ad valorem taxes and license tax and

secure his motor vehicle registration tag by mail, shall sign the application form indicating thereon any change of address, and return the same by mail together with his remittance for ad valorem taxes, license taxes, and fees as shown thereon to the Director of the Department. Money orders and checks for the payment of such taxes and fees shall be made payable to the director of the License Department. Upon receipt of the signed application form and the remittance for the amount properly due for ad valorem taxes, license tax, and fees, the director of the Department shall thereupon mail a receipt for such taxes and fees and the license tag for his motor vehicle to the owner thereof. When an application is returned to the Director of the Department, not signed, or when less than the correct amount of the taxes and fees due therefor has been paid, due to a change of address, or other causes, such application shall be returned to the owner for correction or for signature. A return of such application or remittance shall not, however, extend the time within which taxes may be paid or a tag secured. If more than the correct amount of taxes and fees is received, the Director of the Department shall retain the correct amount of taxes and fees and return the excess together with the tag for the motor vehicle.

Section 10. All applications for motor vehicle tags by mail and the correct amount of taxes and fees shall be received by the Director of the Department on or before November 10, preceding the November 15, on which the motor vehicle license tag is due and payable, and the Director of the Department shall mail such tag on or before November 14, preceding such November 15. The Director of the Department shall charge and collect a fee of fifty cents (.50¢) for each motor vehicle license tag, issued by mail, in addition to all other fees prescribed by law. Such additional fee shall be paid by the owner of the motor vehicle, with his mailed request for license tags, and such fees collected by the Director of the Department shall be paid into the general fund of the County. The actual expense of mailing application forms to the owners of motor vehicles and of mailing tags as hereinabove provided, shall be paid from the General Funds, or any other funds heretofore designated for the Director's salary of the County upon proper warrants filed by the Director of the Department and approved by the County Governing Body, as provided by law. All forms necessary in the administration of this Act shall be furnished by the State Department of Revenue.

Section 11. The procedure authorized by this Act for the payment of Ad Valorem Taxes and Motor Vehicle license taxes and the issuance of License Tags is optional, additional and alternative to the procedure now provided by law. Each owner of a motor vehicle shall continue to have the right to pay taxes and to receive his tag in person without the payment of the additional fee hereinabove provided.

Section 12. The purchaser of an automobile shall within 10 days after transfer of title to him, have the transfer of title made on the records contained in the office of the Judge of Probate; should the purchaser fail to do so, he shall at the time his automobile is assessed for the preceding year pay to the Director of the License Department the sum of \$2.50 as a penalty; this penalty shall be remitted by the director to the county general fund.

Section 13. In those counties to which the Act is made to apply, (which is DeKalb County) as hereinafter provided, any and all duties now or which may hereafter be required by law of Judges of Probate with reference to the issuance of all licenses (except marriage licenses), the registration, sale and distribution of tags for motor vehicles, the issuance of motor vehicle drivers licenses and temporary instruction permits, and the transfer of the ownership of motor vehicles, shall be performed by the Director of the Department and the Director of the Department shall be entitled to collect all fees, commissions, charges, penal-

ties, and allowances nor or hereafter fixed by law for Judge of Probate to collect in connection with the performance of said duties, and the Judge of Probate of DeKalb County is relieved from any and all duties, liabilities and responsibilities in reference thereto. The fees, commissions, charges, penalties and allowances collected by the Director of said Department in connection with the performance of the duties hereinabove enumerated shall be distributed as now, or as hereinafter, provided by law, either general or local. All records in the custody of the Judge of Probate of DeKalb County, relating to the duties herein imposed on the Director of the Department shall, upon the effective date of this Act in DeKalb County, be delivered to the Director of the Department for said County.

Section 14. All duties required by law of the tax assessor and tax collector of DeKalb County with reference to the assessment and collection of ad valorem taxes on automobiles, trucks, or other motor vehicles, shall be performed and exercised by the Director of the Department; and the Tax Assessor and the Tax Collector of DeKalb County are hereby relieved of all duties and responsibilities in reference thereto. The State Department of Revenue shall furnish the Director of the Department all forms and blanks necessary for the assessment and collection of such taxes.

Section 15. The Director of the Department shall collect for the assessment and collection of state and county ad valorem tax on motor vehicles the same fees, charges, penalties and commissions fixed by law to be paid to the Tax Assessor and Tax Collector for the same services. The fees, charges, penalties and commissions collected by the Director of the Department shall be paid into the general fund of the County.

Section 16. It is the intent and purpose of this Act to provide a more convenient and efficient method of issuing licenses and to render a better service to the people of DeKalb County, in incorporating in one county office the assessment and collection of all taxes on motor vehicles, and other licenses, except marriage licenses.

Section 17. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not effect the part with remains.

Section 18. All laws or parts of law which conflict with this act are repealed.

Section 19. This Act shall become effective on November 15, 1967, on its passage and approval by the Governor, or its otherwise becoming a law.

Section 6 (3). Any employee-member who has attained the age of sixty (60) on his last birthday, and has served or accumulated a total of fifteen (15) years creditable service, may retire voluntarily for reasons of his own. Upon retirement under the provisions of this section, such employee shall receive as a retirement allowance the rest of his life, a sum payable from the Retirement Fund equal to the number of years creditable service accumulated multiplied by fifty percent (50%) of his average annual salary for the previous five (5) years and divided by thirty (30), payable in monthly installments, limited to Twenty-Four Hundred Dollars (\$2400) per annum.

"Any employee-member who has reached the age of sixty-five (65) years, and has accumulated at least ten years creditable service shall be retired forthwith, and upon proper application shall receive for the rest of his life as retirement allowance an annual sum payable from the Retirement Fund amounting to the number of years of creditable service accumulated, multiplied by fifty percent (50%) of the first Forty-Eight Hundred Dollars (\$4800) of his average annual salary for the five previous years, divided by thirty, payable in monthly installments. Provided however, that any employee-member sixty-five years of age or older may be continued "in employment from year to year at the discretion of the City governing body upon certification of his department head that he is satisfactorily performing his duties, and meets physical fitness requirements of other employees in comparable work."

"Section 6(5). Any member who, as a result of his employment, in line of duty or while discharging his duties, or in the performance of his duties, or as a result of hazardous assignment, and not the result of his own misconduct, shall become permanently and totally disabled to the extent that he cannot perform properly his former duties of employment or duties of a less strenuous nature, as an employee of the City of Dothan, shall be retired, which action shall be initiated by the head of his department, and shall receive the same retirement allowance as if he had served as an employee for twenty (20) years and became totally disabled as provided in Section 6(4) hereof. Provided, however, that such retired member shall submit to medical examinations hereinafter required. In the event an employee retired under this section shall be found mentally and physically capable of performing duties of a less strenuous nature, then such employee may, upon the concurrence of the Pension Board and the Governing Body, be employed in such capacity at the prevailing salary for such work as is provided by the City of Dothan Civil Service System. Upon the return to employment from retirement under this section, the period of retirement, together with all prior services shall be credited to such employee, in the ultimate attainment of full retirement or such portion thereof as may be earned under

the provisions of this Act. Any such employee who returns to work or continues his employment in work of a less strenuous nature at a reduced rate of pay may be ultimately retired on the basis of his highest continuous five (5) years average "salary, limited to Forty-Eight Hundred Dollars (\$4800) per year, provided he shall, while employed at such reduced rate of pay, continue to pay to the system by payroll deduction five percent (5%) of the highest continuous five (5) years average salary, limited to Forty-Eight Hundred Dollars (\$4800) per annum. The City's contribution to the Pension Fund shall be at the same rate of 5%."

Section 9. PERPETUITY OF SYSTEM AND RELIEF OF MEMBERS ALREADY RETIRED.

"(1) At any time there is an insufficient amount in the Retirement Fund from the sources herein provided for to meet the retirement obligations of the system, the City shall appropriate a sufficient amount of its revenue available for general purposes to meet such Retirement Fund obligations as they are due each month.

"(2) For the purpose of additional relief and benefit to its employee-members retired through the Alabama Employees Retirement System prior to establishment of the City of Dothan Pension and Retirement System, the Pension Board may increase the benefits of such members retired through the Alabama Employees Retirement System by an amount not to exceed fifty percent (50%) of the amount such retired employee was receiving through the Alabama Employees Retirement System."

Section 2. This Act shall become effective upon its passage and approval by the Governor, or its otherwise becoming a law.

WHEREAS some of our fighting men are able to arrange for their families or some member of the family to meet them in Hawaii during this week of rest and recuperation away from the gruelling ordeals of prolonged battle, which meetings and the prospects thereof are a tremendous boost in morale. Other servicemen, particularly those of the lower ranks, those with little or no income other than their service pay, and those whose homes are in the eastern part of the United States, find the cost of flying their dependents to Hawaii almost, if not completely, prohibitive; and

WHEREAS servicemen are permitted to travel at standby rates on commercial air lines, and, if their dependents traveling for the specific purpose of joining these servicemen for a week of rest and recuperation were permitted to travel on commercial airlines at the same standby rates as students, ministers and military personnel, the cost would be reduced by at least one-third; and

WHEREAS the administrative problem of identifying these dependents for the airlines could be solved by the issuance of DD Form 1580, "Military Standby Authorization for Commercial Air Travel," by the serviceman's organizational commander; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That we memorialize the President

of the United States and Secretary Robert McNamara of the Department of Defense to institute whatever administrative procedures may be expedient and to cause such arrangements to be made with the commercial airlines as will enable our fighting men to be reunited with their loved ones during this period of rest and recuperation, and thus to aid the cause for which they are giving their lives.

RESOLVED FURTHER That a copy of this resolution be sent to each member of Alabama's Congressional Delegation, and that they be urged to give their wholehearted support to the recommendations contained herein.

And S. J. R. 36 was concurred in and adopted.

We, the committee of conference appointed to reconcile the differences between the two houses concerning the bill, H. B. 88, have met and considered the matter referred and beg leave to report as follows:

We recommend that the Senate recede from its amendments to the bill;

We recommend that the following substitute for the bill be adopted by both houses and that the bill as amended by the substitute be passed.

H. B. 88 AS SUBSTITUTED

A BILL TO BE ENTITLED AN ACT

To further provide for auditing of the books and records of publicly owned hospitals, nursing homes, rest homes, and any other publicly owned medical institutions by independent certified public accountants.

Be It Enacted by the Legislature of Alabama:

Section 1. The books and records of publicly owned hospitals, nursing homes, rest homes, or any other publicly owned medical institution may upon request of the Governing Board of the particular institution be audited annually by any certified public accountant, who is subject to the control of the Alabama State Board of Public Accountancy. The selection of the Certified Public Accountant to perform the audit shall be the responsibility of the governing Board of the particular institution. Such audit upon approval as hereinafter provided shall be in lieu of any audits otherwise required by law of said institutions. The audit to be performed by the certified public accountant shall be in accordance with generally accepted auditing standards and shall comply with the procedures promulgated by the Chief Examiner of Public Accounts and the audit report shall be addressed to the chief examiner of public accounts who shall be charged with the responsibility of processing and distributing it as provided by law and upon approval and acceptance such audit report shall have the legal effect as a report of an examiner of public accounts.

Examinations and audits performed upon provisions of this section shall be made at the expense of the institution and not as an expense of the State of Alabama. Such audit reports shall be public records open to public inspection and a copy of each report shall be kept on file at the institution concerning which the audit was made.

Section 2. The provisions of this Act shall be cumulative and supplemental and shall be construed in pari materia with other laws relative to the audit of the books and records of publicly owned hospitals, nursing homes, rest homes, and any other publicly owned medical institutions.

Section 3. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 4. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

UNANIMOUS CONSENT GRANTED

Mr. Hogan requested unanimous consent to add his name as a co-author of the bill, H. 49, and it was so granted.

MOTION TO SUSPEND THE RULES ADOPTED

The motion of Mr. McCorquodale to suspend the rules in order to take up for immediate consideration the third reading of the bill, H. 496, was adopted.

PASSAGE OF H. 496

And the bill:

H. 496. To amend further Title 51, Sections 692, 697 and 703, Code of Alabama 1940, so as to make further provisions respecting licenses and registration fees on motor vehicles and trailers.

This bill will provide for a different private truck weight classification and license fee; it also removes the fee of \$3.00 on boat trailers. The Revenue Department estimates that the passage of this bill will reduce revenue pledged for the retirement of the \$160,000,000. road bond issue by approximately \$1,546,000.00 per annum.

Was taken up.

Section 697. (a) For each truck or truck tractor other than those subject to licenses under subsection (b) of this Section, using the public highways of this State, the following license based on the gross vehicle weight in pounds shall pay the following licenses:

For each truck or truck tractor plus the heaviest load to be carried having the following gross vehicle weight in pounds:

Weight in Pounds:	Amount of License Tax
0 to 8000	\$ 13.00
8001 to 12000	30.00
12001 to 18000	45.00
18001 to 30000	75.00
30001 to 42000	100.00
42001 to 52000	150.00
52001 to 62000	200.00
62001 over	250.00

Provided, that the rates hereinabove specified shall be limited in the case of trucks used for transporting farm products or the personal property of the farmer for his use on the farm to a maximum of \$30 where the gross vehicle weight of the truck does not exceed 30,000 pounds, to a maximum of \$50 where the gross vehicle weight of the truck exceeds 30,000 pounds but does not exceed 52,000 pounds, and to a maximum of \$100 where the gross vehicle weight of the truck exceeds 52,000 pounds.

(b) For each truck or truck-tractor with more than two axles when a single unit and each truck or truck-tractor used in combination with a trailer or semi trailer which are used on public highways of this State to transport goods, wares, merchandise, or commodities of any kind or nature for compensation of any kind, or operated under any rental, lease or other agreement where compensation is charged for the use of such vehicle, except trucks used for the transportation of household goods, personal furniture, or other household effects, and motor vehicles used for the transportation of coal, iron, ore, limestone, bauxite, sand and gravel, and except motor vehicles used in the transportation of commodities exempt under the Alabama Motor Carrier Act of 1939, as amended, either directly or indirectly, shall pay the following licenses:

For each truck or truck tractor plus the heaviest load to be carried having the following gross vehicle weigh-in pounds:

Amount of License tax:

0 to 6000	\$ 13.00
6001 to 12000	35.00
12001 to 18000	60.00
18001 to 24000	75.00
24001 to 30000	200.00
30001 to 36000	300.00
36001 to 42000	400.00
42000 over	500.00

Provided, that vehicles as described in this subsection which operate exclusively within fifteen miles of the corporate limits of the incorporated municipality in which they are customarily domiciled (but not including vehicles operating beyond the borders of Alabama) are not considered to be for hire.

(c) For the purpose of this section, gross vehicle weight shall mean the empty weight of the truck or truck tractor and, in the case of combinations, the empty weight of the heaviest trailer with which the power unit shall be placed in combination, plus the heaviest load to be carried. No tolerance or margin of error allowable under any other provisions of this section. Every person making application for license under this section to use a truck or truck tractor on the public highways of this state shall be required to make an affidavit declaring the gross vehicle weight of such truck or truck tractor and file the said affidavit with the judge of probate, or other county licensing officer, in the county in which the said application is made. Upon payment of the applicable motor vehicle license tax or registration fee, the license to use the said truck or truck tractor on the public highways of this state shall be deemed limited to the gross vehicle weight so declared by the owner, which shall be deemed to constitute the allowable gross vehicle weight for which the said vehicle is licensed.

After having obtained a license under this section with respect to any truck or truck tractor, the owner thereof may during the then current tax year voluntarily increase the allowable gross weight for which his vehicle is licensed by making a new affidavit, applying for a new license applicable to the appropriate gross vehicle weight classification, surrendering the license plates or tags previously obtained, and

paying the difference between the fees applicable to a license for the higher weight classification desired and the fee in respect of the license so surrendered. The license classification of a truck or truck tractor may not be decreased, however, except once a year at the time new license tags or plates are purchased for such truck or truck tractor. If upon inspection, the gross vehicle weight of any truck or truck tractor licensed hereunder is found to weigh more than is permitted by the license plates which it carries (regardless of whether such weight is below the legal maximum permitted for other than licensing purposes), the owner of such truck or truck tractor shall be required immediately to pay the fee applicable to the gross vehicle weight disclosed by the said inspection, shall be allowed no credit for the surrendered under-rated license plates or tags, and shall be subject to the penalty prescribed by law for using a motor vehicle with an improper license.

(d) Any truck or truck tractor, either new or used, that may be acquired or brought into this state during the first quarter of a tax year, or that may be operated in this state during such period, shall pay the full annual license tax or fee specified herein. Any truck or truck tractor that may be acquired or brought into this state in any subsequent quarter of the tax year (and that shall not theretofore have become subject to license hereunder by virtue of operation on the highways of this state in any then preceding quarter of the tax year) shall be licensed on a quarterly declining basis, and the amount of the license tax or fee shall be an amount equal to one-fourth of the applicable license tax or fee multiplied by the number of quarter years intervening between the date such truck or truck tractor is acquired or brought into the state and the first day of the then succeeding tax year; provided, that for purposes of computing the amount of the license tax or fee on a quarterly declining basis, any part or fraction of a quarter year shall be counted as a full quarter year and any amount less than ten cents shall be figured to the nearest ten cents above the fraction thereof, and in no event shall the cost of the license be less than \$3.25. The division of the tax year into quarters, as herein provided, shall be on the basis of calendar months of the entire tax year.

Section 3. Section 703 of Title 51, Code of Alabama 1940, as amended, shall be and hereby is further amended so that the said Section 703 shall read as follows:

Section 703. For each trailer (other than house trailers) and each semi-trailer operated on the public highways of this state, the following annual license taxes and registration fees are hereby imposed and shall be charged:

(a) For each privately owned utility trailer, which is not operated for hire, lease or rental, \$3.00;

(b) For each utility trailer, rented or leased for compensation of any kind or nature, \$8.00;

(c) For each truck or tractor trailer or semitrailer, \$20.00; and

provided, however, that any trailer or semitrailer used by a farmer exclusively for transporting farm products to and from market or for transporting the personal property of a farmer for his own use on the farm shall not be subject to the license taxes and registration fees provided for in this section. Trailers of any kind or description for hauling passengers for hire are prohibited by law and shall not be licensed under this article.

House-trailers, which are excluded from the foregoing provisions of this section, are subject, however, to the registration fee provided for in Act No. 44 adopted at the 1961 Special Session of the Legislature,

as amended, and to the other provisions of the said Act No. 44, as amended.

Section 4. This Act shall take effect October 1, 1967.

And the substitute was adopted.

STATE OF ALABAMA COUNTY OF SUMTER

Notice is hereby given that a bill substantially as follows will be introduced in the Legislature of Alabama and application for its passage and enactment will be made, to-wit:

A BILL TO BE ENTITLED AN ACT

Relating to Sumter County; levying a privilege license or excise tax upon sellers, distributors, storers, or users of malt or brewed beverages;

providing for the administration of the act by the county treasurer and the collection, apportionment, and distribution of the proceeds of the tax; prescribing penalties for violations.

Be It Enacted by the Legislature of Alabama:

Section 1. In Sumter County every person, firm, corporation, co-partnership, club, association, agency, distributor, storer or user of any malt or brewed beverages (including beer, lager beer, ale, porter, or similar fermented malt liquor containing one-half of one per cent or more of alcohol by volume) shall pay a privilege license or excise tax upon the sale, use or consumption, distributing, storing or withdrawing from storage in said county of any malt or brewed beverages, as herein defined. Such tax shall be in an amount equal to two cents on each twelve fluid ounces, or fractional part thereof, of malt or brewed beverages sold, used, consumed, distributed, stored or withdrawn from storage in Sumter County, which tax shall be in addition to any and all other taxes heretofore or hereafter levied on such beverages; provided, that where the amount of the tax levied under the provisions of this act shall have been paid to the county or to any municipality therein by any seller, distributor, dealer, storer or user, such payment shall be sufficient, the intent being that the tax levied by this act shall be paid but once.

Section 2. The privilege or license tax authorized herein shall be collected by or under the supervision and control of the county treasurer who shall be solely responsible for the administration of this act. Said treasurer shall provide rules and regulations and administrative machinery for the enforcement and collection of the tax levied, and may provide for devices for affixing stamped impressions on lids and crowns to be used in evidence of payment of the tax, and provide proper forms requiring sufficient information and proof, to be verified by the oath of any seller, distributor, dealer, storer or other user claiming exemption from payment of the tax on account of purchases made from others who have paid the tax imposed by this act. Said county treasurer shall be authorized to employ such additional personnel and inspectors to assist in the administration and enforcement of this act as he may deem necessary and desirable at a cost not to exceed three thousand dollars (\$3,000) per annum. As his compensation for the performance of his duties in administering this act, the county treasurer shall be entitled to two and one-half per cent ($2\frac{1}{2}\%$) of all taxes collected under the provisions of this act.

Section 3. (a) Each and every distributor or seller of malt or brewed beverages shall, on or before the 15th day of the first full calendar month after the effective date of this act, and on or before the 15th day of each calendar month thereafter, file with the county treasurer a written statement, sworn to and subscribed by each distributor or seller, showing the name and address of such distributor or seller, each and every purchase, receipt or procurement of malt or brewed beverages made by such distributor or seller during the calendar month next preceding, together with the name and address of the producer, distributor, seller or other person from whom purchased, received or procured, the brand or brands of such malt or brewed beverages, the quantity of each brand, the size and kind of containers of each brand of such malt or brewed beverages, the date or dates on which purchased, received or procured, and a detailed, itemized statement showing the name and address of each distributor or seller or other person to whom any malt or brewed beverages were sold, distributed or delivered by such distributor or seller, together with the quantity of each brand of malt or brewed beverages sold, distributed or delivered to each, the size and kind of containers for each brand of such malt or brewed beverages and the date or dates on which sold, distributed or delivered.

(b) Any distributor or seller failing, refusing or omitting to file the statements herein prescribed shall be guilty of a misdemeanor, and each day such default continues shall constitute a separate offense.

(c) In order to enable the county treasurer to make distribution of the net proceeds of the tax as in this act prescribed, each distributor or seller must include in the statement separately the total sales made within the municipality and the police jurisdiction of each municipality, and the total sales made in the county but outside the police jurisdiction of any municipality. Should there be a continued failure to furnish the statement contemplated by this provision for basis of distribution, the county treasurer is authorized and required to procure, from the records of the delinquent, such information as may be procurable therefrom to enable him to make proper distribution of the proceeds of the tax.

Section 4. It shall be unlawful for any distributor or seller to make any sale, distribution or delivery of malt or brewed beverages within the county without first having obtained a permit to do so from the county treasurer and also obtaining a business license from each municipality in which sale, distribution or delivery is to be made; provided, however, that nothing contained in this section, or in any other part of this act, shall authorize any sale, distribution or delivery of malt or brewed beverages within the county, if such sale, distribution or delivery is prohibited by any other law of this State.

Section 5. (a) It shall be the duty of any person subject to the license tax imposed by this act to keep full and complete records of all purchases, sales, receipts, inventories and all other matters from which the correct amount of license tax to which such person is subject may be ascertained; in the event that such person should discontinue his business, he shall not destroy or dispose of such records until he shall have given to the county treasurer thirty days' notice in writing of his intent to destroy or dispose of such records. The county treasurer or his duly authorized agent is authorized to inspect such records and to make copies of such parts of same as he may deem desirable or proper. The failure to keep such records, or destruction without giving the prescribed notice, shall constitute a misdemeanor, punishable in accordance with law.

(b) Upon demand by the county treasurer or his authorized deputy or agent, auditor or representative, it shall be the duty of any person subject to the license tax imposed by this act to furnish, without delay, all such information as may be required for determination of the correct amount of license tax to which such person is subject, and to that end it shall be the duty of such person to submit to such demanding person, for inspection and examination during reasonable business hours and at such person's place of business, all books of account, invoices, papers, reports, memoranda containing entries showing the amount of purchases, sales, receipts, inventories and any other information from which the correct amount of license tax to which such person is subject, may be determined, including herein the exhibition of bank deposit books and bank statements. Any person failing or refusing to submit such records for such inspection or examination upon lawful demand therefor shall be guilty of a misdemeanor, punishable according to law.

(c) Should any person subject to the provisions of this act not keep and have in his possession or control correct and detailed books of account, invoices, papers, reports or memoranda correctly showing the data and information necessary for the determination of the correct amount of the license tax due, and the required information as to sales in the several tax-recipient areas; or, if, having the same in possession or under control such person shall fail or refuse to submit and exhibit same for inspection and examination as herein required, then and in that event it shall be the duty of the county treasurer to ascertain from such in-

formation and data as he may reasonably obtain the correct amount of license tax due from such person and to assess the same against such person and give to such person notice of such assessment and demand of him immediate payment of the amount thereof. If such amount be not paid within ten days after receipt of notice and demand for payment, then such failure to pay shall constitute a misdemeanor, and each day of delay in payment shall constitute a separate offense.

(d) The tax shall be paid by each distributor or seller when he makes his report as required in Section 3 or when he buys his decals or other devices from the county treasurer, if the treasurer requires the distributor or seller to buy decals or other devices.

Section 6. (a) It shall be the duty of the county treasurer to prepare such forms as may be necessary for use by sellers and distributors of malt or brewed beverages in complying with the provisions of this act, and to furnish the same to such distributors or sellers as they may be required.

(b) It shall be the duty of the county treasurer to enforce the provisions of this act, and to that end he is authorized to enter lawfully any premises of any retailer of malt or brewed beverages at any time during the hours in which such retailer is engaged in the business of selling or serving malt or brewed beverages, and to inspect the containers of malt or brewed beverages in the retailer's possession, for the purpose of determining whether or not there be any containers not having fixed the decal or other device contemplated by this act. It shall be lawful also for any police officer or a deputy sheriff to enter lawfully any such retail establishment for the said purpose of inspection and determination of whether or not there be on hand any untaxed malt or brewed beverages.

Section 7. (a) Collection of the tax may be accomplished in this fashion:

The county treasurer, by requisition to and upon the governing body of Sumter County, may procure decals or other devices susceptible of being affixed, with measurable permanence, to containers of malt or brewed beverages to be taken from storage, distributed or sold, each of which decals or other devices shall bear in legible characters a notation that it evidences the payment of the tax levied by this act, and he may procure such forms and other printed matter and materials as may be necessary in the administration of this act. To reimburse Sumter County for the cost and expense incurred by it in procuring and furnishing to the treasurer the said decals or other devices, and forms and other matter furnished by the county to the treasurer, the treasurer shall deduct, from the gross amount of taxes collected, at each tax-distribution period, the cost and expense incurred by the county in procuring and furnishing to the treasurer the decals or other devices contemplated by this act and the cost of forms and other materials hereinbefore provided for, and shall pay over the amount so deducted to the county. Decals or other devices may be furnished by the treasurer to each seller or distributor of malt or brewed beverages, upon his request therefor and payment of the amount of tax corresponding to the stated value of the decals or other devices that he procures from the treasurer, less a ten per cent (10%) discount; provided, however, that such decals or other devices shall be sold and furnished to wholesalers only. Each distributor or seller must affix to each container of malt or brewed beverages the appropriate decals or other devices before the same is taken from storage, sold or delivered.

(b) The amount distributed by the county treasurer to the several recipients of the proceeds of the tax as provided in this act shall be, as to each recipient of the tax, that recipient's proportionate part of the net

proceeds of the tax, such net proceeds to be the total amount of taxes collected less the cost of collection and expenses of administration of this act.

Section 8. After the payment of all costs of collection and enforcement of the tax levied herein, the net proceeds shall be apportioned and paid to the county and the municipalities therein on the basis of the situs where the malt or brewed beverage is sold and the revenue therefrom is produced. The net proceeds produced within the incorporated municipality and the police jurisdiction of any such municipality in the county shall be paid into the general fund of the municipality in which such revenue is produced, to be used for governmental purposes of the municipality; and the net proceeds produced in the county outside the police jurisdiction of any such municipality in the county shall be covered into the general fund of the county, to be used for governmental purposes of the county. Prior to the 20th day of each month, the county treasurer shall make a partial distribution of the net proceeds of the revenue collected in the next preceeding month to the county and to each municipality therein, and shall make a final distribution at the end of each fiscal year. Each city or town receiving any funds under this act shall provide aid and assistance in enforcing the tax herein authorized within its territory.

Section 9. Any person, firm, or corporation who violates any provision of this act or the rules and regulations as may be provided by the county treasurer of Sumter County shall be guilty of a misdemeanor and upon conviction shall be punished as prescribed by law. Each month such violation continues shall constitute a separate offense.

Section 10. Any person, firm, or corporation who fails to pay the tax herein levied within the time prescribed in the rules and regulations set out by the county treasurer shall pay, in addition to the tax, a penalty of ten per cent of the amount of tax, together with interest thereon at the rate of one-half of one per cent per month or fraction thereof, from the date at which the tax herein levied becomes payable, such penalty and interest to be assessed and collected as a part of the tax.

Section 11. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 12. All laws or parts of laws which conflict with this act are repealed.

Section 13. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Givhan, Bailes, Morrow and Hawkins:

S. J. R. 62. WHEREAS Mr. Ralph L. Smith, now of Palm Springs, California, has for many years been a most generous benefactor to various educational institutions throughout the United States and particularly to colleges and universities in Alabama. His contributions during the past year to the University of Alabama Medical College, where he had previously established a memorial scholarship fund, have been of invaluable benefit in furthering training and research programs for medical students and doctors; and

WHEREAS Mr. Smith has long been noted for his interest in young people, and his numerous gifts and assistance to the Future Farmers of America have been of untold benefit to the many thousands of members of this organization. His donations of prize beef cattle and knowledge and experience in the breeding of fine specimens have added much impetus to the upgrading of cattle breeding; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA BOTH HOUSES THEREOF CONCURRING, That we are deeply grateful to Mr. Smith for his many most generous contributions to Alabama and its institutions and people, and we warmly commend him for his discerning generosity in aiding programs of far reaching and lasting benefit.

SENATE MESSAGE

On motion of Mr. House the rules were suspended and the House concurred in and adopted the S. J. R. 62 set out in the above and foregoing Message from the Senate.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has originated and adopted the following Senate Joint Resolution and sends same herewith to the House for its consideration:

By Messrs. Childs, Morrow, Hawkins, Bailes, Vacca and Gilmore:

S. J. R. 60. Whereas Stokely Carmichael, the violent and inflammatory leader of the black power movement and former head of the Student Nonviolent Coordinating Committee, has traveled freely throughout this country advocating and initiating riots, rebellions and the overthrow of law and order; and

Whereas this hate monger's visits to various cities of the Nation have led in every instance to riots and violence accompanied in many instances by burning, looting and bloodshed. In resigning from SNCC, Carmichael announced that he would spend the summer organizing "black resistance" to the war in Vietnam. On May 16, he told a screaming crowd of Negroes in Washington, "There is no need to go to Vietnam and shoot somebody who a honky says is your enemy. We're going to shoot the cops who are shooting our black brothers in the back in this country. That's where we are going." In this same speech, recorded by radio and telecast throughout the country, he called President Johnson a "buffoon" and a "honky" and said "The honky is lyin' about Vietnam.", and

Whereas Carmichael has purposefully and systematically set out to undermine the respect of his listeners for the established heroes of this country. He calls Christopher Columbus "a dumb honky"; George Washington "a dumb honky who had slaves"; and Abraham Lincoln "another dumb honky." He urges Negroes to riot and admittedly terms these riots as "rebellions." He tells his followers that the black man does not need to apologize for these rebellions and, "if a honky tried to shoot you, kill him before God gets the news." Carmichael's influence with his people is not to be underestimated when he sets a mob chanting endlessly against the Vietnam War with, "Hell, no. We wont go."; and

Whereas Mr. J. Edgar Hoover, Director of the Federal Bureau of Investigation in a recent report to a congressional committee on some of Carmichael's activities stated that Carmichael in espousing his black power movement had been in frequent contact with Max Stanford, field chairman of the Revolutionary Action Movement (RAM), a highly secret all-negro, Marxist-Leninist, Chinese-Communist-oriented organization which advocates guerrilla warfare to obtain its goals, and that this organization has aided and guided Stanford in forming a Black Panther Party in New York City as well as in other areas of the United States; and

Whereas it has been learned that Carmichael, who is not a native of this country and whose strange influence is creeping out in unexplained areas, is now out of this country and has gone to Czechoslovakia. He has stated his intention of going to Hanoi and North Vietnam and it was today reported by radio that he will attend a "Revolution School" in Cuba next week; now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING That the blasphemous and profane, communist revolutionary, Stokely Carmichael, be denied readmittance to this country as an undesirable alien or on any other available grounds that will prevent his return to vilify and overthrow the United States of America.

RESOLVED FURTHER That a copy of this resolution be sent to the President of the United States, to the Congress, to the United States Supreme Court and to the office of Immigration with the respectful but urgent request that concerted action be taken to deny Stokely Carmichael reentrance to this country.

McDOWELL LEE,
Secretary.

H. 665. To apply only in counties in the state having a population of not less than 33,000 nor more than 35,000 inhabitants, according to the last or any subsequent federal decennial census, wherein the use of voting machines has been, or shall be, authorized; to provide that the county governing body in regulating and providing for the use of voting machines in all elections in the county may, in the manner herein prescribed, divide any voting precinct of the county into territories, designate in each territory a voting place at which the qualified electors of the territory so designated may vote, and prescribe the number of voting machines to be maintained at each voting place; and to provide election officers for each voting place designated by the county governing body, prescribe the duties of such election officers, and fix their compensation.

Was taken up.

Delete entire Section 3 (a) and insert in lieu thereof the following:

"Section 3. (a) For each voting place where only one voting machine is to be used, the election officials shall consist of an inspector, a chief clerk and two assistant clerks. For each voting place where more than one voting machine is to be used there shall be appointed one chief inspector who shall supervise the conduct of the other officials and the operation of the voting place, one inspector and one chief clerk, and for each voting machine to be used at such place there may be appointed two assistant clerks. For each voting place where four or more voting machines are to be used there may be appointed two additional assistant clerks for each group of four voting machines or fraction thereof."

Further amend H. B. 665 by adding to sec. 3 subsection (e) as follows:

"(e) It shall be the duty of all election officials to see that order is maintained in the polling place. The inspector shall see that the returns are filled out for each voting machine as required by law and delivered to the proper officials, and that the records of the election relating to each machine are enclosed respectively in each machine, and that the list of qualified voters, challenged ballots, and one copy of each challenged oath and any other records relating to the election in general are enclosed in an appropriate voting machine."

A BILL TO BE ENTITLED AN ACT

Relating to public education; authorizing and providing for the acquisition, operation, and maintenance of Snead Junior College as a state

educational institution, and making an appropriation in furtherance of such purpose.

Be It Enacted by the Legislature of Alabama:

Section 1. Upon receipt of a proper deed or such other conveyances as may be appropriated for the purpose, as determined by the Governor, he may accept on behalf of the State the property, buildings, facilities, and effects appertaining to the Snead Junior College located at Boaz in Marshall County; and by executive order he may provide for the operation and maintenance of the college as a state educational institution of the same kind as the institutions provided for in Acts 93 and 94, Second Special Session 1963.

Section 2. Upon the acceptance of Snead Junior College as a state educational institution as provided in Section 1, the college shall be operated, managed, controlled, maintained, and regulated thereafter as other like institutions; and the sum of \$137,000.00, or so much thereof as may be necessary, for the fiscal year ending September 30, 1967, is hereby appropriated from the Alabama Special Educational Trust Fund for that purpose and for the payment of outstanding obligations of the college at the date of acquisition.

The State shall not incur any indebtedness by acquisition of the college and any debt of the college outstanding at the date of acquisition shall not be a debt of the State of Alabama but shall be payable solely from the revenues of the college and appropriations made for the support and maintenance thereof.

Section 3. There shall be established a Snead Junior College Advisory Board, to consist of not more than nine citizens who are members of the college community, appointed by the state superintendent of education, upon nomination and recommendation of the president of the college. The advisory board shall promote and serve the best interest of the institution in every way not inconsistent with the Alabama Trade School and Junior College Act.

Section 4. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional such declaration shall not affect the part which remains.

Section 5. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

MOTION TO SUSPEND RULES ADOPTED

The motion of Mr. Hogan to suspend the rules in order to take up for immediate consideration the third reading of the bill, H. 121, was adopted.

CONSIDERATION OF H. 121

And the bill:

H. 121. Relating to real property; prescribing the time in which the right of redemption may be exercised; amending Section 727, Title 7, Code of Alabama 1940, as amended.

Was taken up.

Mr. Hogan offered the following substitute for the bill, H. 121:

A BILL
TO BE ENTITLED
AN ACT

To amend Code of Alabama 1940, Title 7, Sections 727, 728, 729, 735, 737 and 739 for the purpose of regulating further the period in which real estate or any interest therein, which has been sold under the power of sale in a deed of trust or mortgage, may be redeemed.

Be It Enacted by the Legislature of Alabama:

Section 1. Code of Alabama 1940, Title 7, Sections 727, 728, 729, 735, 737 and 739, are hereby amended to read as follows:

"Section 727. Where real estate, or any interest therein, is sold under execution, or by virtue of any decree in the circuit court, or under any deed of trust, or power of sale in a mortgage, the same may be redeemed by the debtor; junior mortgagee, vendee of the debtor, or assignee of the equity or statutory right of redemption, wife, widow, child, heir at law, devisee, or any vendee or assignee of the right of redemption under this Code, from the purchaser, or his vendee, within two years thereafter in the manner provided in this chapter, except when the deed of trust or the mortgage under which the sale is made in express terms prescribes a period of not less than six months after foreclosure within which the real estate or any interest therein may be redeemed. In such a case the right of redemption is lost if not exercised within the time prescribed in the instrument authorizing the sale.

"Section 728. The priority of the rights of the several persons or parties mentioned in the preceding section, to redeem, shall be in the order in which they are mentioned therein; but any person or party who is entitled to redeem may give notice of his intention to redeem, to those having prior rights to redeem, and if such persons to whom notice is thus given do not redeem or bring suit to redeem within sixty days after the service of such notice, then the party giving the notice may, within thirty days thereafter, exercise his right to redeem by suit or otherwise and no further redemption by the parties so notified may be made. The notice shall be in writing, served upon the party, if a resident of this state and can be found. If not found, or if a nonresident, the notice may be given by registered letter, requiring signed return receipt, sent to his last known address, or by publication once a week for three successive weeks in some newspaper published in the county where all or a portion of the lands sought to be redeemed are situated. In those instances in which redemptions may, pursuant to the preceding section, be made within two years after the sale if no redemption is made as provided in this section within twelve months from the day of sale, anyone entitled to redeem may do so thereafter without giving the notice provided for herein, and the property may not be again redeemed from said redemptioner.

"Section 729. In the event a junior mortgagee, or judgment creditor redeem from a prior mortgagee or judgment creditor, the debtor's wife,

widow, children, heirs or devisees may redeem from such junior mortgagee or judgment creditor by paying to the junior mortgagee or judgment creditor the amount which he paid to redeem, together with ten per cent interest thereon from the time he paid it, together with the amount of the debt secured by the junior mortgage or judgment creditor, together with the interest and all lawful charges upon the premises which have accrued after the redemption by the junior mortgagee or judgment creditor. The redemption from the junior mortgagee or judgment creditor provided for in this section shall be made within the same time after the sale and in the manner and mode prescribed for redemption from the first or senior mortgagees or other purchasers at the execution or judicial sales.

"Section 735. All judgment creditors of the debtor, who, without fraud or collusion, had obtained such judgment before the sale of the land, or within such time thereafter as is allowed by law for the redemption thereof, except by confession of the debtor, may in like manner redeem the land from such purchaser, or anyone claiming under him, by paying or tendering the amount bid for such land at a sale thereof, and ten per cent per annum thereon, together with all lawful charges; and by further offering to credit the debtor upon a subsisting judgment with a sum at least equal to ten per cent of the amount originally bid for the land; or to cancel his judgment, if it be less than ten per cent of the amount originally bid for the land; and upon such payment or tender being made, and credit given, or cancellation made, to the debtor, the title to such land vests in the creditor, and the purchaser must convey to him such title as he has, at the costs of the creditor.

"Section 737. One creditor may in like manner, within the time allowed by law for redemption after the sale of land, redeem it from another creditor; and in that case, the creditor offering to redeem must pay or tender to the creditor in possession the amount he had to pay to obtain the land, with ten per cent per annum thereon and must offer to credit the debtor as provided in the preceding section.

"Section 739. No redemption by a judgment creditor from the purchaser or his vendee, or by one judgment creditor from another, shall operate to defeat the rights of redemption in this chapter secured to the debtor, his vendee, junior mortgagee, or assignee of the equity of redemption, or of a child to whom the debtor had conveyed the land; but any one of such persons who would be entitled to redeem as against the purchaser or his vendee, may, within the same time after the sale allowed by law for redeeming from the purchaser at such sale, redeem from the last redeeming judgment creditor, or his vendee, by paying or tendering the amount such creditor had to pay to obtain the land, with ten per cent per annum thereon, and all other lawful charges, including in such charges the amount of the credit entered by such creditor upon his judgment against the debtor for the purpose of redeeming, with interest thereon; but if such creditor or his vendee shall respond by offering to credit and actually crediting the debtor upon a subsisting judgment in a sum less than the whole amount due upon such judgment, or by offering to enter and actually entering satisfaction thereof, he may retain the land unless the party offering to redeem shall also pay, within the time allowed him to redeem, the amount of the credit so entered, or the amount due upon such judgment at the time such satisfaction was entered, as the case may be, with interest thereon, if any. If, upon such application to redeem, the creditor shall limit his credit to a sum less than the whole amount due upon the judgment, he cannot, by the entry of further credits or of satisfaction, add to the amount to be paid on redemption."

Section 2. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

SPECIAL ORDER

The House proceeded to the consideration of the Special Order.

And the bill:

H. 556 (with substitute). To levy an additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes within this state; providing for the collection and enforcement of such taxes; and providing for the use of the proceeds thereof.

This bill levies an additional 2¢ cigarette tax primarily for mental health purposes. The revenue produced should amount to approximately \$6,000,000.00 per annum.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL TO BE ENTITLED AN ACT

To levy an additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes within this state; providing for the collection and enforcement of such taxes; and providing for the use of the proceeds thereof.

Be It Enacted by the Legislature of Alabama:

Section 1. (a) In addition to all other taxes of every kind now imposed by law, every person, firm, corporation, club, or association within the State of Alabama who sells, or stores, or receives for the pur-

pose of distribution to any person, firm, corporation, club, or association within the State of Alabama any cigarettes shall collect and pay over to the State of Alabama a license or privilege or excise tax at the rates hereinafter set forth upon the selling, use, consumption, distribution, storing or withdrawal from storage in this state of cigarettes for any use. Provided, that where the tax as hereinafter set forth shall have been paid to the state by any such person, firm, corporation, club, or association, such payments shall be sufficient, the intent being that the tax shall be paid to the state but once. The tax hereby levied shall be at the following rates:

On each package of cigarettes containing twenty cigarettes or less, two cents; on each package of cigarettes containing more than twenty but not exceeding forty cigarettes, four cents; and on each package of cigarettes containing more than forty cigarettes, six cents.

(b) Every such person, firm, corporation, club, or association shall add the amount of the tax levied and assessed herein to the sales price of the cigarettes, it being the purpose and intent of this provision that the tax levied is in fact a levy on the consumer or user with such person, firm, corporation, club, or association acting merely as an agent of the state for the collection and payment of the tax to the state. For the convenience of collection, such person, firm, corporation, club, or association shall be required to purchase tax stamps from the State of Alabama, and affix the same to the packages at the rates set out hereinabove and in the manner provided by Section 2, hereof.

(c) When the retail or selling price is referred to herein as the basis for computing the amount of stamps required on any article, it is intended to mean the retail or selling price of the articles before adding the amount of the tax.

Section 2. The taxes herein levied shall be paid through the use of stamps, and shall be paid to and collected by the State Department of Revenue at the same time and in the same manner as provided for the payment and collection of the taxes on tobacco and tobacco products levied by Section 718 through Section 743, Title 51, Code of Alabama (1940), or any laws amendatory thereof or supplemental thereto, and all the exemptions, definitions, proceedings, rules, regulations, requirements, provisions, penalties, fines, punishments, and deductions set out in Section 718 through Section 743, Title 51, Code of Alabama (1940), or any laws amendatory thereof or supplemental thereto, including all the provisions for the enforcement and collection of the tax levied by Section 718, Title 51, Code of Alabama (1940), as amended, shall except as otherwise provided herein, apply to the payment and collection of the tax levied by this Act. It is provided, however, that the State Department of Revenue shall furnish, for affixing to the boxes, packages, or containers of the cigarettes as enumerated in this Act single stamps of the requisite denominations to represent the payment of the tax levied hereby as well as the tax levied by Section 718, Title 51, Code of Alabama (1940), as amended.

Section 3. All revenues collected under the provisions of this Act shall be paid into the State Treasury and shall be set apart and used for the following purposes only and in the following order:

(a) So much thereof as may be necessary for such purpose is hereby appropriated to the purpose of acquiring and constructing mental health facilities in the state and to that end shall be used by the State Treasurer to pay at their respective maturities the principal and interest that will mature during the then current fiscal year on whichever of the following may be issued: (1) any bonds that may be issued by the Alabama Mental Health Building Authority under the provisions of

an Act adopted at the 1967 Regular Session of the Legislature of Alabama pursuant to which the said Authority may be organized, or (2) any bonds of the state that may be issued for acquisition and construction of mental health facilities under a constitutional amendment proposed by an Act adopted at the 1967 Regular Session of the Legislature.

(b) The balance thereafter remaining during each fiscal year shall be paid into a special fund in the State Treasury, designated the "General and Mental Health Fund" and provided for in Act No. 654 adopted at the 1965 Regular Session of the Legislature, and is hereby appropriated and shall be distributed as follows: (1) thirty per cent (30%) of said balance shall be expended by the State Health Officer, with the approval of the State Board of Health, for salaries, other expenses, and equipment purchases incident to general health work; and (2) seventy per cent (70%) of the said balance shall be paid to the Alabama Mental Health Board created in Act No. 881 adopted at the 1965 Regular Session of the Legislature and shall be used by the said Board for mental health purposes in the state.

Section 4. All laws or parts of laws which conflict with this Act are repealed.

Section 5. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 6. This Act shall become effective October 1, 1967.

And the substitute was adopted.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

To provide for the organization of a public corporation in the state to be known as Alabama Mental Health Building Authority; to designate the officers and members of the board of directors of the Authority; to prescribe the powers of the Authority, including the power to provide for the acquisition, construction, and improvement of mental health facilities, consisting of mental health centers and facilities for the treatment and care of the mentally ill and the mentally retarded, and to finance such construction by the issuance of its bonds; to provide that such bonds and the income therefrom shall be exempt from taxation, and that such bonds may be used to secure deposits of funds of the state and its instrumentalities and agencies and for investment of trust funds, and shall not create an obligation or debt of the state; to provide that all bonds issued by the Authority may thereafter be refunded by the issuance of refunding bonds; to provide for the disposition of the proceeds of the sale of the bonds of the Authority; to make an appropriation and pledge of funds from the special tax levied by the act adopted at the 1967 Regular Session of the Legislature of Alabama that was introduced as House Bill No. 556 at said session, to the extent necessary to pay the principal of and the interest on bonds of the Authority as such principal and interest mature; to authorize the Authority to pledge such funds for payment of the principal of and interest on its bonds; to provide that such principal and interest shall be payable solely from such funds, but that the said bonds will nevertheless constitute negotiable instruments; to provide that the State Treasurer shall be custodian of the funds of the Authority; and to provide for the dissolution of the Authority.

Be It Enacted by the Legislature of Alabama:

Section 1. Legislative Intent. The legislature hereby makes the finding of facts and declaration of intent hereinafter set forth in this section. Population increases, scientific advances in the field of public health, and other factors have made it necessary that additional buildings and other facilities be acquired and constructed in this state for mental health purposes. It is the intention of the legislature by the passage of this act to authorize the formation of a public corporation for the purpose of providing for the acquisition, construction, improvement and equipment of the mental health facilities referred to in Section 15 hereof, and to authorize the said corporation in order to provide for payment of the costs of the said facilities to anticipate the proceeds of that portion of a special state tax, hereinafter referred to, that was levied for mental health purposes by the issuance of the bonds of the said corporation payable solely from the proceeds of the said tax. It is further the intention of the legislature to make such provisions for application of the proceeds from the said bonds and the facilities to be ac-

quired and constructed out of the said bond proceeds as will render the said facilities eligible to have applied to the costs of acquisition and construction thereof any federal funds that may now or hereafter be available for such purpose under any federal statute or regulation. This act shall be liberally construed in conformity with its purpose.

Section 2. Definitions. The following terms hereafter used in this Act shall have the following respective meanings:

"Alabama Mental Health Board" means the Alabama Mental Health Board created in Act No. 881 adopted at the 1965 Regular Session of the Legislature of Alabama.

"The Authority" means the public corporation organized pursuant to the provisions of this act.

"Bonds" means the bonds issued under the provisions of this act.

"The directors" means the Board of Directors of the Authority.

"Mental health facilities" means any one or more of the following: hospitals for treatment and care of the mentally ill; facilities for treatment and care of the mentally retarded; regional or community-based mental health centers; regional or community-based centers for treatment and care of the mentally retarded; and improvements to existing state hospitals for treatment and care of the mentally ill and to existing state facilities for treatment and care of the mentally retarded.

The definitions hereinabove set forth shall be deemed applicable whether the words defined are used in the singular or the plural. Any pronoun or pronouns used herein shall be deemed to include both the singular and the plural and to cover all genders.

Section 3. Authorization to Form Public Corporation. The Governor, the Chairman of the Alabama Mental Health Board, and the Director of Finance may become a public corporation with the powers hereinafter provided, by proceeding according to the provisions of Section 4 of this act.

Section 4. Manner of Incorporation. To become a corporation, the Governor, the Chairman of Alabama Mental Health Board, and the Director of Finance shall present to the Secretary of State of Alabama an application signed by them which shall set forth: (a) the name, official designation, and official residence of each of the applicants, together with a certified copy of the commission evidencing each applicant's right to office; (b) the date on which each applicant was inducted into office and the term of office of each applicant; (c) the name of the proposed corporation, which shall be the Alabama Mental Health Building Authority; (d) the location of the principal office of the proposed corporation; and (e) any other matter relating to the incorporation which the applicants may choose to insert and which is not inconsistent with this act or the laws of the State of Alabama. The application shall be subscribed and sworn to by each of the applicants before an officer authorized by the laws of this state to take acknowledgments to deeds. The Secretary of State shall examine the application and, if he finds that it substantially complies with the requirements of this section, he shall receive and file it and record it in an appropriate book of records in his office.

Section 5. Issuance of Certificate of Incorporation. When the application has been made, filed, and recorded as herein provided the applicants shall constitute a public corporation under the name proposed in the application, and the Secretary of State shall make and issue to the applicants a certificate of incorporation under the Great Seal of the state and shall record the certificate with the application. No fees or

compensation shall be paid to the Secretary of State for any service rendered or work performed in connection with the Authority, its incorporation, dissolution or records.

Section 6. Members, Officers, and Proceedings of the Authority. The applicants named in the application and their respective successors in office shall constitute the members of the Authority. The Governor shall be the president of the Authority, the Chairman of Alabama Mental Health Board shall be the vice president thereof, and the Director of Finance shall be the secretary thereof. The State Treasurer shall be treasurer of the Authority, shall act as custodian of the funds of the Authority, and shall pay the principal of and interest on the bonds of the Authority out of the funds hereinafter provided for. The members of the Authority shall constitute all the members of the board of directors of the Authority, and any two members of the board of directors shall constitute a quorum for the transaction of business. Should any person holding any state office named in this section cease to hold office by reason of death, resignation, expiration of his term of office, or for any other reason, then his successor in office shall take his place as a member and officer of the Authority. No member, officer, or director of the Authority shall draw any salary in addition to that now authorized by law for any service he may render or for any duty he may perform in connection with the Authority. All proceedings had and done by the directors shall be reduced to writing by the secretary of the Authority, shall be signed by each of the directors, and shall then be recorded in a substantially bound book, which shall be kept in the office of the Secretary of State. Copies of such proceedings, when certified by the Secretary of the Authority, under the seal of the Authority, shall be received in all courts as prima facie evidence of the matters and things therein certified.

Section 7. Powers of Authority. The Authority shall have the following powers: (a) to have succession by its corporate name until dissolved as hereinafter provided; (b) to sue and be sued and to prosecute and defend, at law or in equity, in any court having jurisdiction of the subject matter and of the parties thereto; (c) to have and to use a corporate seal and to alter the seal at pleasure; (d) to provide for the acquisition, by construction and otherwise, of mental health facilities in the state; (e) to anticipate by the issuance of its bonds the receipt of the revenues herein appropriated and pledged, all in the manner hereinafter provided; (f) as security for the payment of the principal of and interest on its bonds, to pledge the proceeds of the appropriation and pledge herein provided for; and (g) to appoint and employ such attorneys and agents as the business of the Authority may require.

Section 8. Authorization to Issue Bonds. The Authority may from time to time sell and issue its bonds, not exceeding fifteen million dollars (\$15,000,000) in aggregate principal amount, for the purpose of providing funds for the acquisition, by construction and otherwise, of mental health facilities in the state.

Section 9. Details Respecting the Bonds. The bonds, which may be issued in one or more series, shall be in such forms and denominations and of such tenor and maturities, shall bear such rate or rates of interest payable and evidenced in such manner, and may contain other provisions not inconsistent with this act, all as may be provided in the resolution or resolutions of the directors wherein the bonds are authorized to be issued; provided, that none of the bonds shall have a specified maturity date later than twenty years after its date. The Authority may at its election retain in the resolution or resolutions under which any of the bonds are issued an option to redeem all or any thereof and at such redemption price or prices and after such notice or notices and on such

terms and conditions as may be set forth in said resolution or resolutions and as may be briefly recited in the face of the bonds with respect to which such option of redemption is retained. With respect to those of the bonds having stated maturities more than ten years after the date thereof, the Authority shall retain in the resolution or resolutions authorizing their issuance an option to redeem, at the expiration of the tenth year following the date thereof and on any interest payment date thereafter, all or any of the bonds having stated maturities after the expiration of the tenth year following their date, at such redemption price or prices and after such redemption notice or notices and on such terms and conditions as may be set forth in said resolution or resolutions and briefly recited in the face of the bonds.

Section 10. Execution of the Bonds. The bonds shall be signed by the president of the Authority and attested by its secretary, and all interest coupons applicable to the bonds shall be signed by the president of the Authority; provided, that a facsimile of the signature of one, but not of both, of said officers may be printed or otherwise reproduced on any of the bonds in lieu of their being manually signed, and a facsimile of the president's signature may be printed or otherwise reproduced on any of the interest coupons in lieu of their being manually signed. The seal of the Authority shall be impressed on the bonds, provided that a facsimile of said seal may be printed or otherwise reproduced on any of the bonds in lieu of being manually impressed thereon.

Section 11. Sale of the Bonds. Each series of the bonds shall be sold at public sale, either on sealed bids or at public auction, to the bidder whose bid reflects the lowest net interest cost to the Authority for the bonds being sold, computed from the date of those at the time being sold to their respective maturities; provided, that if no bid acceptable to the Authority is received it may reject all bids. Notice of each such sale shall be given by publication in either a financial journal or a financial newspaper published in the City of New York, New York, and also by publication in a newspaper published in the state which is customarily published not less often than six days during each calendar week, each of which notices must be published at least one time not less than ten days prior to the date fixed for the sale. The directors may fix the terms and conditions under which each such sale may be held; provided, that none of the bonds may be sold for a price less than the face value thereof; and provided further, that such terms and conditions shall not conflict with any of the requirements of this act. Neither a public hearing nor consent by the State Department of Finance or any other department or agency shall be a prerequisite to the issuance of any of the bonds.

Section 12. Bonds to be Limited Obligations; Pledge Therefor. The bonds shall not be general obligations of the Authority but shall be payable solely out of the funds appropriated and pledged therefor in Section 16 of this act. As security for the payment of the principal of and interest on the bonds issued by it under this act, the Authority is hereby authorized and empowered to pledge for payment of the said principal and interest the funds that are appropriated and pledged in Section 16 of this act for payment of the said principal and interest. All such pledges made by the Authority shall take precedence in the order of the adoption of the resolutions containing such pledges. All bonds issued by the Authority pursuant to the provisions of this act shall be solely and exclusively obligations of the Authority and shall not be an obligation or debt of the state. The bonds shall be construed to be negotiable instruments although payable solely from a specified source as herein provided.

Section 13. Bonds and Income Thereon Exempt From Taxation; Bonds May Be Used to Secure Deposits and for Investment of Fiduciary

Funds. The bonds and the income therefrom shall be exempt from all taxation in the state. Any of the bonds may be used by the holder thereof as security for the deposit of any funds belonging to the state or to any instrumentality or agency of the state in any instance where security for such deposits may be required by law. Unless otherwise directed by the court having jurisdiction thereof, or by the document that is the source of authority, a trustee, executor, administrator, guardian, or one acting in any other fiduciary capacity may, in addition to any other investment powers conferred by law and with the exercise of reasonable business prudence, invest trust funds in any of the bonds.

Section 14. Refunding Bonds. Subject to the provisions contained in this act, the Authority may from time to time sell and issue refunding bonds for the purpose of refunding any matured or unmatured bonds of the Authority issued under this act and then outstanding, together with any premium that may be necessary to be paid in order to redeem or retire the bonds proposed to be refunded. The limitation provided for in Section 8 of this act on the amount of bonds authorized in this act shall not apply to the said refunding bonds.

Section 15. Use of Proceeds of Bonds. The Authority shall pay out of the proceeds from the sale of any of the bonds all expenses which the directors may deem necessary or advantageous in connection with the sale and issuance of the bonds. The proceeds of the bonds, other than refunding bonds, remaining after paying the expenses of their sale and issuance shall be turned into the state treasury, shall be carried in a special fund to be designated the Mental Health Facilities Building Fund, and shall be subject to be drawn on by the Authority, upon the approval of the Alabama Mental Health Board, but only for the purpose of paying costs of acquisition, construction and improvement of mental health facilities in the state including (a) improvements to the existing state hospitals for the mentally ill known as Bryce and Searcy Hospitals and to the existing state facilities for treatment and care of the mentally retarded known as Partlow School, for which improvements not exceeding \$3,000,000 of the proceeds from the said bonds may be used, (b) acquisition by construction and otherwise of a new state facility for treatment and care of the mentally retarded, for which purpose not exceeding \$9,000,000 of the proceeds from the said bonds may be used, and (c) acquisition by construction and otherwise of regional and community-based mental health centers and regional and community-based centers for treatment and care of the mentally retarded, for which purpose not exceeding \$3,000,000 of the proceeds from the said bonds may be used; provided, that bond proceeds may be used for a center referred to in the foregoing clause (c) only if a portion of the cost of that center is to be paid out of funds supplied by federal grant or by contribution of local political subdivisions or other local sources, or by both federal grant and such contribution; and provided, also that if such action should be necessary in order to comply with any federal legislation relating to federal aid in construction of mental health facilities, the Authority may authorize the Alabama Mental Health Board or other agency or department of the state to expend directly any portion of the proceeds of the bonds for payment of the state's share of the cost of any mental health facilities.

For the purposes of this act, the improvement of a facility shall be deemed to include the renovation, modernization, remodeling, and equipment thereof and the construction of additions thereto, and the construction of a facility shall be deemed to include the acquisition of real estate sites and equipment therefor.

The preparation of all plans and specifications for any building, or capital improvements to a building, constructed wholly or in part with any of the proceeds from the sale of the bonds and all work done here-

under in constructing buildings and capital improvements thereto shall be supervised by Alabama Building Commission, or any agency that may be designated by the Legislature as its successor. The reasonable direct costs of Alabama Building Commission in having plans, specifications and contract documents prepared and in supervising and inspecting construction work shall be deemed to constitute a part of the construction costs and may be paid out of the proceeds from the sale of the bonds. All work done in the construction of buildings and all purchases of equipment shall be made on the basis of competitive bidding in the manner and according to the procedures provided in Act No. 492 adopted at the 1947 Regular Session of the Legislature, as amended, Act No. 343 adopted at the 1957 Regular Session of the Legislature, as amended, and any other applicable statutes. The provisions of this paragraph shall be applicable only to the extent that they are not in conflict with any federal legislation, regulation or requirement relating to federal aid in construction of mental health facilities.

The proceeds from the sale of all refunding bonds issued by the Authority under this act remaining after paying the expenses of their issuance shall be turned into the state treasury and used only for the purpose of refunding the principal of bonds of the Authority theretofore issued under this act and then outstanding and of paying any premium that may be necessary to be paid in order to redeem or retire the bonds to be refunded.

Section 16. Revenues of the Authority. For the purpose of providing funds to enable the Authority to pay at their respective maturities the principal of and interest on any bonds issued by it under the provisions of this act and to accomplish the objects of this act, there are hereby irrevocably pledged to such purpose and there are hereby appropriated so much as may be necessary for such purpose of the receipts from the tax levied by the Act adopted at the 1967 Regular Session of the Legislature of Alabama that was introduced as House Bill No. 556 at said session. All moneys hereby appropriated and pledged shall constitute a sinking fund for the purpose of paying the principal of and the interest on the bonds herein authorized.

Section 17. Required Coverage. No series of the bonds shall be issued at any time if the aggregate amount of principal and interest that will mature with respect to that series of the bonds during any fiscal year of the state, when added to the total principal and interest that will mature during the same fiscal year on all bonds then outstanding that were issued under this act, would exceed whichever of the following amounts shall be applicable: (a) if any series of the bonds is issued after October 1, 1968, an amount equal to fifty per centum (50%) of the proceeds from the tax referred to in Section 16 hereof that were collected during the fiscal year next preceding the fiscal year during which the said series of the bonds is issued, or (b) if any series of the bonds is issued prior to October 1, 1968, an amount equal to the proceeds from the tax levied by Act No. 654 adopted at the 1965 Regular Session of the Legislature that were collected during the fiscal year of the state ending September 30, 1967. The amount of the tax proceeds referred to in the foregoing clauses (a) and (b) of this section shall be conclusively established by a certificate of the Commissioner of Revenue of the state.

Section 18. State Treasurer to Disburse Funds. Out of the revenues appropriated and pledged in Section 16 of this act, the State Treasurer is authorized and directed to pay the principal of and interest on the bonds at the respective maturities of the said principal and interest, and he is further authorized and directed to set up and maintain appropriate records pertaining thereto.

Section 19. Severability Clause. In the event any section, sentence, clause or provision of this act shall be declared invalid by any court of competent jurisdiction, such action shall not affect the validity of the remaining sections, sentences, clauses, or provisions of this act, which shall continue effective.

Section 20. Effective Date. This act shall become effective in accordance with the following provisions:

(a) In the event House Bill No. 557 introduced at the 1967 Regular Session of the Legislature shall not have been enacted at the said session, this act shall become effective on the day following the date of the final adjournment of the 1967 Regular Session of the Legislature;

(b) In the event that House Bill No. 557 introduced at the 1967 Regular Session of the Legislature shall have been enacted at the said session and in the further event that the proclamation by the Governor of the results of the election on the adoption of the constitutional amendment proposed by the act introduced as House Bill 557 shall state in substance that a majority of the qualified electors who voted at the said election did not vote in favor of the said proposed amendment, this act shall become effective on the day following the date of the said proclamation.

In the event that the said proposed constitutional amendment shall become a part of the constitution, then this act shall not become effective.

And the substitute was adopted.

And the bill:

H. 557 (with substitute). To propose and provide for the submission of an amendment to the Constitution of Alabama authorizing the issuance of not exceeding \$25,000,000 principal amount of General Obligation Bonds of the State of Alabama for the acquisition, construction and equipment of mental health facilities, including mental health centers, hospitals for treatment and care of the mentally ill, and facilities for treatment and care of the mentally retarded.

This bill proposes a constitutional amendment which authorizes the issuance of \$15,000,000.00 general obligation bonds for mental health facilities. The debt service on the bonds is provided for by the pledge of the cigarette tax in a companion bill; however, the State General Fund would be obligated for debt service of approximately \$1,200,000.00 per annum.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

To propose and provide for the submission of an amendment to the Constitution of Alabama authorizing the issuance of not exceeding \$15,000,000 principal amount of General Obligation Bonds of the State of Alabama for the acquisition, construction, equipment and improvement of mental health facilities, including mental health centers, hospitals for the mentally ill, and facilities for treatment and care of the mentally retarded.

Be It Enacted by the Legislature of Alabama:

Section 1. The following amendment to the Constitution of Alabama is hereby proposed:

"The State of Alabama is authorized to become indebted and to sell and issue interest bearing bonds, in addition to all other bonds of the state, in an aggregate principal amount not exceeding \$15,000,000. The proceeds derived from the sale of said bonds shall be used solely for the purpose of paying the expenses incurred in the sale and issuance thereof and for the acquisition, construction and improvement of mental health facilities, including (a) improvements to the existing state hospitals for the mentally ill known as Bryce and Searcy Hospitals and to the existing state facilities for treatment and care of the mentally retarded known as Partlow School, for which improvements not exceeding \$3,000,000 of the proceeds from the said bonds may be used, (b) acquisition by construction and otherwise of a new state facility for treatment and care of the mentally retarded, for which purpose not exceeding \$9,000,000 of the proceeds from the said bonds may be used, and (c) acquisition by construction and otherwise of regional and community-based mental health centers and regional and community-based centers for treatment and care of the mentally retarded, for which purpose not exceeding \$3,000,000 of the proceeds from the said bonds may be used; provided, that bond proceeds may be used for a center referred to in the foregoing clause (c) only if a portion of the cost of that center is to be paid out of funds supplied by federal grant or by contribution of local political subdivisions or other local sources, or by both federal grant and such contribution. The improvement of a facility shall be deemed to include the renovation, modernization, remodeling, and equipment thereof and the construction of additions thereto; and the construction of a facility shall

be deemed to include the acquisition of real estate sites and equipment therefor. Said bonds shall be sold only at a duly advertised public sale or sales, upon sealed bids or at auction, to the bidder whose bid reflects the lowest net interest cost to the state for the bonds offered for sale, and shall be sold at not less than their face value plus accrued interest thereon. Said bonds shall be direct general obligations of the state and for the prompt and faithful payment of the principal thereof and interest thereon the full faith and credit of the state are hereby irrevocably pledged. In addition thereto, there is hereby specially and irrevocably pledged for payment of the principal of and interest on said bonds, pro rata and without priority of one bond over another by reason of prior issuance or otherwise, that portion of an additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes, levied by an act adopted at the 1967 Regular Session of the Legislature of Alabama, that was appropriated in the said act to the purpose of acquiring and constructing mental health facilities in the state. The said special pledge shall create a charge on the tax proceeds herein specially pledged prior to all other charges or expenses for any purpose. The bonds issued under this amendment and the income therefrom shall be exempt from all taxation in the state. The Legislature shall adopt appropriate enabling legislation to carry out the intent and purpose of this amendment."

Section 2. An election upon the proposed amendment is ordered to be held on the first Tuesday after the expiration of three months from final adjournment of the current session of the Legislature. The election shall be held pursuant to the provisions of Sections 284 and 285 of the Constitution of Alabama, as amended, and Chapter 1, Article 18, Title 17, of the Code of Alabama of 1940, as amended.

Section 3. Notice of the election on the proposed amendment shall be given by proclamation by the Governor published in a newspaper in each county in the state once a week for four successive weeks next preceding the day herein appointed for the election, and in any county in which there may be no newspaper published the notice shall be posted at each courthouse therein.

And the substitute was adopted.

This bill is the enabling act for the bonds authorized in House Bill 557.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL TO BE ENTITLED AN ACT

To authorize the sale and issuance of not exceeding \$15,000,000 principal amount of general obligation bonds of the State of Alabama for the purpose of acquiring, constructing, equipping and improving mental health facilities, including mental health centers, hospitals for the mentally ill, and facilities for treatment and care of the mentally retarded, to pledge the full faith and credit of the state for payment of the principal of and interest on said bonds; to appropriate and pledge, as additional security therefor, that portion of an additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes, levied by the act introduced as House Bill No. 556 at the 1967 Regular Session of the Legislature of Alabama, that was appropriated in the said act to the purpose of acquiring and constructing mental health facilities; to create a bond commission with authority to specify the details of and to make provisions for the sale of and to sell said bonds; and to make provision for the terms, execution, and issuance of said bonds and the use of the proceeds thereof.

Be It Enacted by the Legislature of Alabama:

Section 1. The following terms, wherever used in this act, shall have the following respective meanings: "Bonds" mean the bonds authorized in this act; "the commission" means the bond commission created in this act; "the state" means the State of Alabama. Use of words in the plural shall include the singular, and pronouns shall include all applicable genders.

Section 2. There are hereby authorized to be issued not exceeding \$15,000,000 aggregate principal amount of bonds of the state, which shall be general obligations of the state for the prompt and faithful payment of the principal of and interest on which the full faith and credit of the state are hereby irrevocably pledged. In addition thereto, there is hereby appropriated and hereby specially and irrevocably pledged, for payment of the principal of and interest on the bonds, pro rata and without priority of one over another by reason of prior issuance or otherwise, so much as may be necessary for said purpose of that portion of that certain additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes, levied by the act introduced as House Bill No. 556 at the 1967 Regular Session of the Legislature of Alabama, that was appropriated in the said act to the purpose of acquiring and constructing mental health facilities in the state. The said special pledge shall create a charge on the said portion of the said tax prior to all other charges or expenses for mental health purposes or other purposes.

Section 3. The Governor, the Director of Finance, and the Chairman of the Alabama Mental Health Board created in Act No. 881 adopted at the 1965 Regular Session of the Legislature are hereby constituted a bond commission with full authority, except as herein specified or limited, to provide the terms of the bonds and to provide for the sale and issuance thereof. No member of the commission shall receive compensation in any form for any services performed by him in and about his duties as a member or officer of the commission. The commission shall meet at the call of the Governor, who is hereby constituted its chairman, and it shall designate one of its members as secretary thereof. Two members of the commission shall constitute a quorum for the transaction of business and all proceedings of the commission shall be reduced to writing and recorded in a substantially bound book which shall be signed by the members of the commission and filed with the Secretary of State who shall retain the same.

Section 4. Except as hereinafter limited, the bonds may be sold, executed and delivered at any time and from time to time, may be in such forms, denominations, series and numbers, may be of such tenor and maturities, may bear such date or dates, may be in registered or bearer form either as to principal or interest or both, may be payable in such installments and at such time or times, may be payable at such place or places within or without the state, may bear interest at such rate or rates payable and evidenced in such manner, may contain provisions for redemption at the option of the commission at such date or dates prior to their maturity and upon payment of such redemption price or prices, and may contain such other provisions not inconsistent with the provisions of this act, all as shall be provided by the commission in the resolution or resolutions whereunder the bonds are issued. The principal of each series of the bonds shall mature in annual installments in such amounts as shall be specified in the resolution or resolutions of the commission under which they are issued, the first of which installments shall mature not later than one year after the date of the bonds of such series and the last of which installments shall mature not later than twenty years after the date of the bonds of the same series. Any redemption price required to be paid in order to effect any redemption of bonds prior to maturity shall not exceed the face value of each bond redeemed plus accrued interest thereon to the date fixed for redemption

and a premium equal to one year's interest on such bond. Each series of bonds having an installment of principal maturing more than ten years after the date thereof shall be made subject to redemption prior to maturity, at the option of the state, at the end of the tenth year following their date and semi-annually thereafter, as a whole or in part in the inverse order of the numbers of the bonds of that series. When each series of the bonds is issued, the maturities of the bonds of that series shall, to such extent as may be practicable, be so arranged that during each then succeeding fiscal year of the state the aggregate installments of principal and interest that will mature on all bonds that will be outstanding hereunder, immediately following the issuance of the bonds of that series, will be substantially equal; provided, that the determination by the commission that the requirements of this sentence have been complied with shall be conclusive of such compliance and the purchasers of any of the bonds and all subsequent holders thereof shall be fully protected by such determination. None of the bonds shall be sold for less than their face value plus accrued interest thereon to the date of their delivery, and all of the bonds shall be sold only at public sale, either on sealed bids or at public auction, to the bidder whose bid reflects the lowest net interest cost to the state computed to the respective maturities of the bonds sold; provided, that if no bid deemed acceptable by the commission is received all bids may be rejected. Notice of each bond sale shall be given by the commission by publication in either a financial journal or a financial newspaper published in New York, New York, and also by publication in a newspaper published in the State of Alabama, each of which notices must be published at least one time not less than ten days prior to the date fixed for the sale. The commission shall cause such other publicity to be given of each bond sale as it may deem advisable, and it shall fix the terms and conditions under which each sale of bonds may be held; provided, that such terms and conditions shall not conflict with any of the requirements of this act. The commission is authorized to provide terms and conditions under which any of the bonds may be exchanged for like bonds of other denominations and may be converted from bearer bonds into registered bonds, either as to principal or interest or both as the commission may prescribe, and again converted into bearer bonds. Subject to the provisions of this act, the commission may from time to time sell and issue refunding bonds for the purpose of refunding any matured or unmatured bonds of the commission then outstanding.

Section 5. The bonds shall be executed in the name of the state by the Governor and countersigned by the Director of Finance; and the Great Seal of the state shall be affixed thereto and attested by the Secretary of State. A facsimile of the signature of any one or two (but not all) of said officials may be imprinted on any of the bonds in lieu of being manually inscribed thereon, and in the discretion of the commission a facsimile of the Great Seal of the state may be engraved, lithographed or imprinted on the bonds in lieu of said seal being manually affixed thereon. The coupons evidencing any installments of interest on the bonds shall be executed with the facsimile signature of the State Treasurer. Each such facsimile signature shall be valid in all respects as if the officials whose facsimile signatures are so used had signed the bonds in person. Any facsimile of the Great Seal of the state so used shall be valid in all respects as if the Great Seal of the state had been manually affixed to the bonds. In the event any official who shall sign the bonds or whose facsimile signature shall appear thereon shall thereafter cease to hold office before they are delivered and paid for, the bonds and the coupons applicable thereto shall nevertheless be valid for all purposes to the same extent as if the official who signed the bonds or whose facsimile signature appears thereon had remained in office until all of the bonds bearing such signature or facsimile thereof shall have been delivered and paid for.

Section 6. The proceeds derived from the sale of the bonds shall be covered into the State Treasury and after payment therefrom on order of the commission of the expenses incident to the authorization, preparation and issuance of the bonds, the balance remaining shall be disbursed from time to time on order of the said Alabama Mental Health Board solely for the purpose of the acquisition, construction, and improvement of mental health facilities, including (a) improvements to the existing state hospitals for the mentally ill known as Bryce and Searcy Hospitals and to the existing state facilities for treatment and care of the mentally retarded known as Partlow School, for which improvements not exceeding \$3,000,000 of the proceeds from the said bonds may be used, (b) acquisition by construction and otherwise of a new state facility for treatment and care of the mentally retarded, for which purpose not exceeding \$9,000,000 of the proceeds from the said bonds may be used, and (c) acquisition by construction and otherwise of regional and community-based mental health centers and regional and community-based centers for treatment and care of the mentally retarded, for which purpose not exceeding \$3,000,000 of the proceeds from the said bonds may be used; provided, that bond proceeds may be used for a center referred to in the foregoing clause (c) only if a portion of the cost of that center is to be paid out of funds supplied by federal grant or by contribution of local political subdivisions or other local sources, or by both federal grant and such contribution; and provided, also, that if such action should be necessary in order to comply with any federal legislation relating to federal aid in construction of mental health facilities, the commission may authorize another agency or department of the state to make orders for disbursement of proceeds from the bonds for the purpose of the acquisition, construction and improvement of the said mental health facilities. The improvement of a facility shall be deemed to include the renovation, modernization, remodeling, and equipment thereof and the construction of additions thereto; and the construction of a facility shall be deemed to include the acquisition of real estate sites and equipment therefor.

Section 7. If any part or provision of this act shall be held to be invalid by a court of competent jurisdiction such invalidity shall not affect any other provision hereof.

Section 8. This act shall become effective upon the adoption of an amendment to the Constitution of Alabama authorizing the issuance of the bonds.

And the substitute was adopted.

And the bill:

H. 292 (with amendment). To authorize the State Industrial Development Authority to sell and issue from time to time not exceeding \$5,000,000 principal amount of its bonds in addition to those heretofore authorized to be issued by it; to prescribe certain additional powers and duties of the Authority, including the power to make grants from the proceeds of the said additional bonds to counties, municipalities, and local industrial development boards, subject to certain limitations, for the purposes of making certain local surveys incidental to industrial development and to grade and drain industrial sites and the means of access thereto; to provide that the Authority may issue and sell bonds for the purpose of making the said grants; to provide that such bonds and the income therefrom shall be exempt from taxation, and that such bonds may be used to secure deposits of funds of the state and its political subdivisions, instrumentalities and agencies and for investment of fiduciary funds, and shall not create an obligation or debt of the state; to provide that all bonds issued by the Authority may thereafter be refunded by the issuance of refunding bonds; to provide for the disposition of the proceeds of the sale of the bonds of the Authority; to make an appropriation and pledge of funds from the special tax levied by Act No. 654 adopted at the 1965 Regular Session of the Legislature of Alabama, as amended, to the extent necessary to pay the principal of and interest on bonds of the Authority, as such principal and interest mature; to authorize the Authority to pledge such funds for the payment of the principal of and interest on its bonds; to provide that such principal and interest shall be payable solely from such funds and that such bonds shall nevertheless constitute negotiable instruments; and to provide that the State Treasurer shall be the custodian of the funds of the Authority.

This bill authorizes the State Industrial Development Authority to issue an additional \$5,000,000.00 in bonds. The debt service on this issue, to be paid from earmarked cigarette tax, will be approximately \$400,000.00 per annum.

Was taken up.

Amend the second paragraph of Section 3 of said House Bill 292 by striking therefrom Sub-section (1) of said paragraph and substituting in lieu therefor the following:

(1) Such grants shall not be in an amount greater than the following stated percentums of the amount that it is anticipated will be spent for the construction and equipment of the facilities that will occupy the said industrial sites, as such anticipated amount shall be certified to the Authority by the architect or engineer for the facilities to be constructed and equipped or by the chief executive officer of the grantee

Projects for which the anticipated cost for the construction and equipment of the facilities that will occupy the said industrial site is One Million Dollars (\$1,000,000) or less—Three Percent (3%);

Projects for which the anticipated cost for the construction and equipment of the facilities that will occupy the said industrial site is more than One Million Dollars (\$1,000,000) but not greater than Two Million Dollars (\$2,000,000)—Two Percent (2%);

Projects for which the anticipated cost for the construction and equipment of the facilities that will occupy the said industrial site exceeds Two Million Dollars (\$2,000,000)—One and One-Half Percent (1½%); provided, however, that no grant so made shall exceed One Hundred Fifty Thousand Dollars (\$150,000); and

Provided, further, that in those instances wherein the anticipated cost for the construction and equipment of the facilities that will occupy said industrial site shall be in excess of Seventy-Five Million Dollars (\$75,000,000), the Authority may, in its discretion, and upon consideration of the benefits to flow to the State of Alabama, authorize a grant of Authority funds up to but not to exceed Five Hundred Thousand Dollars (\$500,000).

On motion of Mr. Beck, consideration of the bill, H. 705, was postponed until the twenty-seventh legislative day.

MOTION TO RECONSIDER

The motion of Mr. Brassell to reconsider the vote by which the bill, H. 683, was passed, was adopted.

And the bill:

H. 683 (with substitute). To amend Act No. 13, H. 118, Regular Session 1947, an act establishing for the municipality of Phenix City a pension and relief system for the benefit of firemen and policemen (Local Acts 1947, p. 7).

Was again taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Local Legislation No. 1, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

To amend Act No. 13, H. 118, Regular Session 1947, an act establishing for the municipality of Phenix City a pension and relief system for the benefit of firemen and policemen (Local Acts 1947, p. 7).

Be It Enacted by the Legislature of Alabama:

Section 1. Section 9 of Act No. 13, H. 118, Regular Session 1947, an act establishing for the municipality of Phenix City a pension and relief system for the benefit of firemen and policemen (Local Acts 1947, p. 7) is hereby amended so as to read as follows:

9. The board may invest money held in the fund, or such portion of it as may be safely withdrawn for the purpose, in interest bearing bonds, warrants, or other obligations of the United States of America, of the State of Alabama, or of the city, or any savings and loan association insured by FSLIC. Income from investments shall become part of the fund. Securities belonging to the fund shall be held by the treasurer of the fund subject to the management and control of the board.

Section 2. Section 15 of said Act No. 13, Regular Session 1947, is hereby amended so as to read as follows:

15. The board shall have authority to retire, without regard to length of service, any fireman or policeman who attains the age of 65 years. Any person so retired shall be paid monthly, from the fund, a sum equal to two point four (2.4) percent of the amount of the monthly salary he was receiving at the time of his retirement multiplied by the whole years he served in the department prior to retirement.

Section 3. Section 20 of said Act No. 13 of the 1947 Regular Session is hereby amended so as to read as follows:

20. (A) If any fireman or policeman is killed while in the performance of his duty, or dies as a result of an injury received in the line of duty, or dies from any cause while in service as a result of his service, or dies from any cause while in service or on the retirement roll after having served for more than ten years, the last five years of which were continuous, the board shall cause to be paid monthly to the widow—to whom the deceased, if retired, was married at the time of retirement—during her natural life or until she remarries, a sum equal to twenty percent of the salary of the deceased fireman or policeman.

(B) If such deceased fireman or policeman leaves surviving him a child under sixteen years of age, the board shall cause to be paid, for the benefit of such child, monthly, to the mother if living, a sum equal to fifteen percent of the salary of the deceased; but not more than thirty percent of the salary of the deceased fireman or policeman shall be paid to the children of such deceased in any case. Such payments shall be

continued so long as the child lives with the mother, is under the age of sixteen years, and is supported by the mother. If the child has no mother, or if the mother dies during the time the child is entitled to benefits under this Act, payments may be made to the person having control and custody of the child, or to some other person, as the board may determine.

(C) In the event such deceased fireman or policeman is not survived by a widow or child who are entitled to benefits under A or B but does leave surviving him a widowed mother who is entirely dependent upon him for support, the board shall pay to such mother monthly, during her natural life or so long as she remains unmarried, a sum equal to twenty percent of the deceased's salary.

Section 4. Section 24 of said Act No. 13 of the Regular Session of 1947 is hereby amended so as to read as follows:

24. If and when two consecutive fiscal years pass in which the annual income of the fund is less than the annual expense, every monthly benefit paid from the fund for the following year shall be decreased by multiplying each such benefit by the following ratio: preceding year's income divided by preceding year's expense (the monthly benefit to equal the product of such multiplication), and this procedure shall continue until the annual income equals or exceeds to annual expense, at which time monthly benefits shall be restored and paid without such deduction.

The annual income of the fund shall mean all revenues paid into the fund during the preceding fiscal year plus the increase during such year in the actual value of investments held (or minus the decrease in the actual value of investments held). The annual expense to the fund shall mean the sum of all moneys paid out not including moneys paid out and invested for the use of the fund.

Section 5. Section 25 of said Act No. 13 of the Regular Session of 1947 is hereby amended so as to read as follows:

25. No pension or other benefits, except for disability incurred in line of duty, shall commence or be payable under this Act prior to the first day of October 1948. And under no circumstances shall any beneficiary be paid a pension or other benefit of more than two hundred and fifty dollars per month; no retired fireman or policeman shall be paid a pension or other benefit of more than one hundred twenty-five dollars per month if he has contributed to the fund for less than five years, or more than one hundred fifty dollars a month if he has contributed to the fund for five years and less than ten years, or more than one hundred seventy-five dollars per month if he has contributed to the fund for ten years and less than fifteen years, or more than two hundred fifty dollars per month if he has contributed to the fund for fifteen years or more; and under no circumstances shall the surviving spouse and/or children or widowed mother of a deceased fireman or policeman be paid a pension or other benefit in excess of two hundred dollars per month.

All pensions and all benefits heretofore directed to be paid by the board of trustees of the fund shall be continued and shall be paid from the fund and by the board of trustees under this Act. All such benefits directed to be paid by the board of trustees shall not be changed by this Act but shall continue in force and shall continue to be calculated and paid according to the schedule of payments prescribed in said Act.

If any fireman or policeman be discharged, or for any other reason leaves the employment of the police department or the fire department before he becomes entitled to any of the retirement benefits provided

for in this Act, he shall forfeit all rights to all benefits under the Act but shall be paid by the board of trustees any money, without interest, that may have been paid into such fund by him by deduction from salary, less one-half of any sick benefits which have been paid to him from the fund. If any policeman or fireman is killed or dies, his death not resulting from action while in line of duty, and he does not have ten years service so as to entitle his surviving spouse or minor children to a pension or allowance under the other provisions of this Act, the surviving spouse, or the legal guardian of the minor children shall be paid by the board any moneys, without interest, that may have been paid into such fund or into any fund which preceded such fund by means of deductions from the salary of the policeman or fireman at any time, less one-half of any sick benefits which have been paid in from such fund.

H. 356 POSTPONED

On motion of Mr. Crane, consideration of the bill, H. 356, was postponed until the next legislative day.

RESOLUTION

The following resolution was introduced:

By Mr. Owens (W. E.):

H. J. R. 68. WHEREAS the capitol building represents the focal point of state government and also provides headquarters for two branches of government; and

WHEREAS portions of the capitol building are badly in need of repair and redecoration to restore the seat of government to its rightful beauty and structural soundness; and

WHEREAS proper and adequate facilities for the state agencies housed within the capitol building should be made available, now therefore

BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, That:

1. There shall be a joint interim committee, to be designated the "Capitol Complex Committee," to meet on call of its chairman or at the request of a majority of its membership during the interim between the approval date of this Resolution and the close of the Regular Legislative Session of 1971.

2. The committee shall consist of five members of the House of Representatives and five members of the Senate. The Speaker of the House of Representatives shall name the chairman of the committee from the members selected from the House of Representatives and the Lieutenant Governor shall name the vice chairman from the members selected from the Senate.

3. The committee shall develop a comprehensive plan of repair and restoration of the north and south wings of the State Capitol Building, and the construction of a new east wing to provide space needed by the various agencies presently occupying the capitol building, or to accommodate agencies who require space or facilities in the capitol building to effectively and efficiently discharge their duties and responsibilities and is directed to consider the recommendations of the Capitol East Wing Study Committee and is authorized to carry out the recommendations of that committee. The plan so developed shall coordinate architectural and

aesthetic considerations in the most efficient, expeditious, and economical manner of accomplishing the desired results. To that end the committee shall determine the financing necessary to implement the provisions of this plan.

4. The committee is authorized and directed and has exclusive authority to formulate detailed plans and specifications necessary for the repair and restoration of the north and south wings of the capitol building, and the removal of the old and construction of a new east wing. In developing these plans and specifications the committee shall consult and request the cooperation and advice of state or private architects, engineers, and interior designers; and solicit and accept information, suggestions, and recommendations from all interested parties. The committee is authorized in its sole discretion to accept competitive proposals from various builders, engineers, interior designers and others relating to these plans and specifications after proper financing has been provided for.

5. The committee is authorized to employ and to obtain such professional, expert, clerical, or other assistance as may be required to carry out the purposes of this Resolution. If the legislature is not in session during any meeting of the committee created herein, the committee members shall be paid from the proper legislative funds heretofore or hereafter appropriated, their per diem, travel expenses plus all other reasonable and necessary expenses incurred in carrying out the intent of this Resolution.

6. The committee shall prepare a report of its findings and recommendations and submit the same to the governor and to the State Building Commission as quickly as possible.

H. 508. To propose an amendment to the Constitution of Alabama to authorize the State to become indebted and issue its general obligation bonds in a principal amount not exceeding \$43,000,000 for the purpose of acquiring, providing, constructing, developing, managing and equipping state parks and park facilities.

This bill proposes a constitutional amendment which would authorize the issuance of \$43,000,000.00 of general obligation bonds for the development of state parks. Although a companion bill proposes and earmarks an additional cigarette tax for the debt service on the bonds, the State General Fund would be obligated in the amount of approximately \$3,440,000.00 per annum for debt service on these bonds.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Ways and Means, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

To propose an amendment to the Constitution of Alabama to authorize the State to become indebted and issue its general obligation bonds in a principal amount not exceeding \$43,000,000 for the purpose of acquiring, providing, constructing, developing and equipping state parks and park facilities.

Be It Enacted by the Legislature of Alabama:

Section 1. The following amendment to the Constitution of Alabama is proposed, to become valid as a part of the Constitution when approved by a majority of the qualified electors voting thereon:

PROPOSED AMENDMENT

The State of Alabama is authorized to become indebted for acquiring, providing, constructing, developing, and equipping state parks and park facilities, and in evidence of the indebtedness so incurred to issue and sell, in addition to all other bonds of the State, interest bearing general obligation bonds of the State, not exceeding forty-three million dollars (\$43,000,000) in principal amount. The proceeds from the sale of any such bonds shall, after payment of the reasonable and necessary expenses of their issuance, be set aside in the state treasury in a special trust fund designated "State Parks Bond Proceeds Fund" and shall be disbursed therefrom on order of the Director of Conservation, approved by the Governor, for payment of costs of acquiring, providing, constructing, developing and equipping state parks and park facilities; provided, that any proceeds held in the State Parks Bond Proceeds Fund for more than thirty days shall be invested in securities which are direct and general obligations of the United States of America. The said bonds shall be direct general obligations of the state, and for the prompt and faithful payment of the principal thereof and interest thereon the full faith and credit of the state are hereby irrevocably pledged. In addition thereto, there is hereby specially and irrevocably pledged for payment of the principal of and interest on said bonds, pro rata and without priority of one bond over another by reason of prior issuance or otherwise, so much as may be necessary for said purpose of that portion of an additional privilege and license tax on the sale, storage, use, consumption, or delivery of cigarettes, levied by an act introduced at the 1967 Regular

Session of the Legislature of Alabama as Senate Bill 280, that was appropriated in the said act to the development of state parks and state park facilities. The said special pledge shall create a charge on the tax proceeds herein specially pledged prior to all other charges or expenses for state park purposes or any other purposes whatever.

The Governor, the Director of Finance, and the Director of Conservation are hereby constituted a bond commission with full authority, except as herein specified or limited, to provide the terms of the bonds and to provide for the sale and issuance thereof. The Governor shall be the chairman of the commission, which shall meet at his call; its proceedings shall be signed by its members and filed with the Secretary of State. The bonds may be sold, executed and delivered at any time and from time to time, may be in such forms, denominations, series and numbers, may be of such tenor and maturities, may bear such date or dates, may be in registered or bearer form either as to principal or interest or both, with rights of conversion into another form, may be payable in such installments and at such place or places, may bear interest at such rate or rates, payable and evidenced in such manner, and may contain provisions for redemption at the option of the State at such date or dates prior to their maturity and upon payment of such redemption price or prices, all as shall be provided by the said commission in the order or orders under which the bonds are issued. The principal of each series of bonds shall mature in annual installments in such amounts as shall be specified in the authorizing order or orders; provided, that the first such installment shall mature not later than one year after the date of the bonds of such series, and the last such installment shall mature not later than twenty years after the date of the bonds of the same series; and provided further, that at the time of the issuance of each series of bonds, the maturities of the bonds of that series shall, to such extent as may be practicable, be so arranged that during each then succeeding fiscal year of the state the aggregate installments of principal and interest that will mature on all bonds that will be outstanding hereunder, immediately following the issuance of the bonds of that series, will be substantially equal. The determination by the commission that the requirements of the last proviso of the preceding sentence have been complied with shall be conclusive of such compliance.

The bonds shall be signed in the name of the State by the Governor and countersigned by the Director of Finance and the great seal of the State of Alabama or a facsimile thereof shall be impressed, printed or otherwise reproduced thereon and shall be attested by the signature of the Secretary of State; provided, that the facsimile signatures of any one or any two (but not all) of said officers may be reproduced on any of such bonds in lieu of being manually signed thereon. Coupons attached to the bonds and representing installments of interest thereon shall be signed with the facsimile signature of the State Treasurer, which facsimile signature shall constitute due and sufficient authentication of said coupons.

All bonds issued under the provisions of this amendment, together with the interest income thereon, shall forever be exempt from taxation in this State.

The provisions of this amendment shall be self-executing and authorization from or other action by the Legislature shall not be a prerequisite to the issuance of bonds hereunder.

Section 2. An election upon the proposed amendment is ordered to be held on the first Tuesday after the expiration of three months from final adjournment of the current session of the Legislature. The election shall be held in accordance with the provisions of Sections 284 and 285 of the Constitution of Alabama, as amended, and Chapter 1, Article 18, Title 17 of the Code of Alabama 1940.

Section 3. Notice of the election and of the proposed amendment shall be given by proclamation of the Governor, which proclamation shall be published once a week for four successive weeks next preceding the day appointed for the election in a newspaper in each county of the State. In every county in which no newspaper is published, a copy of the notice shall be posted at each courthouse and post office.

And the substitute was adopted.

H. 223 (with substitute). To express the public policy of Alabama relative to the payment of prevailing wages in the particular area on all projects of the State or its agencies; to require that the prevailing wages be ascertained in advance of such projects and that all bidders therein be bound by these determinations and all contractors be required to comply therewith; to define what is included in the term "wages" and to set forth the method of making the said determinations; and to authorize local governing bodies to make similar requirements in their contracts for public works.

Was taken up.

The question was upon the adoption of the substitute reported by the Standing Committee on Business and Labor, said committee substitute being as follows:

A BILL
TO BE ENTITLED
AN ACT

To express the public policy of Alabama relative to the payment of prevailing minimum wages in the particular area on all projects of the State or its agencies; to require that the prevailing wages be ascertained in advance of such projects and that all bidders therein be bound by these determinations and all contractors be required to comply therewith; to define what is included in the term "wages" and to set forth the method of making the said determinations; and to authorize local governing bodies to make similar requirements in their contracts for public works.

Be It Enacted by the Legislature of Alabama:

Section 1. It is hereby declared to be the public policy of this State that the State of Alabama or any state agency, department or board thereof which is the contracting authority for construction, alteration and/or repairs State Financed, in whole or in part, to be performed by private contractors; shall require the successful bidder to pay the prevailing wage in the work area to their employee.

Section 2. Definitions.

Director: That person designated under Title 26, Section 379, Code of Alabama, 1940, or as hereafter amended.

Responsible Bidder: Any person, firm or corporation properly licensed to do business in the State of Alabama said license being in an amount equal to or greater than the estimated cost of the project published by the contracting authority.

Apprentice: The term "apprentice" as used herein shall mean an employed person who is engaged in learning a recognized skilled trade, through actual work experience, under the supervision of a craftsman skilled in the trade.

Mechanic: A mechanic is a worker who is a journeyman craftsman engaged in any skilled trade.

Work Area: Any County within the State in which work on a project is being performed.

Section 3. Specifications for every contract in excess of two thousand dollars (\$2,000.00), to which the State of Alabama or any state agency, department or board is a party, for construction, alteration and/or repair, including painting and decorating of public building or public works of the State of Alabama or any of its agencies, departments and boards which require and involve the employment of workmen, mechanics, laborers, and/or apprentices shall contain a provision stating a minimum wage to be paid various classes of workmen, mechanics, laborers and/or apprentices on any such job which shall be based upon the wages that will be determined by the Director and the contracting agency to be prevailing in the area for corresponding classes of workmen, mechanics, laborers and/or apprentices employed on projects of a character similar to the contract work in the area in which the contract is to be performed. Any contractor or subcontractor holding a bona fide

apprenticeship agreement with a federal or state bureau of apprenticeship and any of the apprenticeship programs that are now in effect or future apprenticeship programs approved by the Department for a particular craft or trade may be permitted to employ apprentices on state contracts. An apprentice schedule ratio shall be furnished by the Department as determined in the same manner as the prevailing wage. This schedule shall give the percentage or ratio of pay for all apprentices engaged in building construction. Each such contract shall have such specifications as a part of it whether required by law to be advertised or not.

Section 4. Every contract based upon such specifications shall contain a stipulation that the contractor or his subcontractor shall pay all workmen, mechanics and laborers employed directly upon the site of the work unconditionally and be paid at a frequency according to the area practices.

Section 5. The contracting party and/or contractors including subcontractors, who is a party to the contract as defined under this Act shall cause the schedule of prevailing minimum wages furnished by the Department and the contracting agency to be posted and permanently maintained throughout the contract in a secure, protected, prominent place on the job where the contract is being performed, and shall mail to the Department an affidavit certifying that such notice has been posted and is being maintained on such work. Such affidavit shall be forwarded within 5 days of the commencement of work on the job and posting of such notice. Such affidavit shall contain all information identifying work, the contractor or contractor's agent, subcontractor, the contracting authority and the prevailing minimum wage determination number applicable to such work.

Section 6 (a) If the contractor or contractor's agent, subcontractor, fails to comply with this Act relative to the payment of prevailing wages, every aggrieved employee must in his own behalf make sworn affidavit setting forth the name of the employee, the name of the alleged noncomplying contractor or contractor's agent, subcontractor, the name of the contracting authority, a designation of the public work upon which such employee is employed, the employee's job classification, the number of hours the employee has been employed on the public work, the amount of wages paid the employee by the contractor or contractor's agent, subcontractor, and the amount claimed by the employee to be due and unpaid by the contractor or contractor's agent, subcontractor. The Department may combine similar grievances where the complaint is against the same contractor or contractor's agent, subcontractor, for purpose of hearing expediency and convenience of all parties involved.

(b) The form of the affidavit above stipulated may be furnished upon request by the Director and shall be filed with the contracting authority within 30 days from the last date of the alleged noncompliance and in no event shall such affidavit be filed more than 90 days after the alleged violation.

(c) After receipt of such affidavit the contracting authority shall withhold from the contractor or contractor's agent, subcontractor, until final determination of the claim, an amount of money equal to the amount claimed in the affidavit to be due and unpaid and the contracting authority shall forthwith attempt to settle the dispute between the contractor and/or contractor's agent, subcontractor, and the complaining employees and if the contracting authority is unable to effect such settlement the matter shall forthwith be referred by the contracting authority to the Department for determination. In all cases the said Department shall make such investigation as deemed necessary. The decision of the

Department shall be conclusive after 10 days upon all parties, subject to judicial review by filing the same within the 10 day period. Notice of filing such judicial review shall suspend all action for 20 days for judicial action to be taken. All investigations (including taking testimony, pretrial testimony as allowed under the General Acts of the State of Alabama, receiving other evidence, arguments) necessary in investigation shall be held in the political subdivision where the work is being done, unless a place is unanimously agreed upon by all parties in dispute, otherwise the Department may formulate its own rules for such investigation. In discharge of its obligation under this Act the Department or a designated representative of the Director in writing shall have the power to administer oaths, take depositions, certify to official acts, and the Department shall have the power to issue subpoenas to compel the attendance of witnesses and a production of such excerpts of payroll records as pertain to the wages only of each aggrieved employee and certificates issued in connection therewith which are material and relative to the affidavit filed under this section of the Act, for review by the Department without disclosing the remainder of such payroll records in connection with any investigation or hearing required by the Act provided that all information and evidence including affidavits, certificates, testimony and other documents which are obtained by the Department pursuant to this section shall be deemed to be privileged and shall not be made the subject matter or basis of any suit for slander or libel but may be considered only by the Department for the extent necessary for a proper determination of the issues involved. Any circuit court of this state within the jurisdiction of which such hearing or inquiry is carried on or within the jurisdiction of which any person who has made the aforementioned affidavit or claim shall have jurisdiction to issue to such person or persons an order requiring such person to appear before the Department or its authorized representative there to produce evidence if so ordered or to give testimony touching on the matter under investigation or question, and any failure to obey such order of the court may be punished by said court as contempt thereof. An aggrieved party who files his claim for differences of wages under this Act upon prevailing may be allowed a reasonable attorney's fee the same to be charged against the violator of this Act.

(d) Upon final determination of the dispute by either the contracting authority or the Department, the contracting authority shall pay such amounts as shall be found to be due to either the complaining party or the contractor and any balance not found or which has been withheld shall be paid forthwith to the contractor.

Section 7. Whenever in the opinion of the Director an employee's alleged claim for wages is a valid claim enforceable in the courts, the Director may upon the request of the employee collect the claim, and thereafter settle, adjust and endeavor to collect such claim through the courts or in such manner as he deems proper. If more than one claim or violation of this Act is filed against the same employer, then all may be combined for court action. Upon request the claimant may select an attorney for enforcement thereof, and all costs of collection shall be allowed including a reasonable attorney's fee. Upon the collection where the Department has brought the action, the monies shall be forthwith paid out. The Director shall certify his findings to the court with each trial being de novo. This action must be taken within one year.

Section 8. The Director shall distribute a list to all departments of the State of Alabama giving the names of persons or firms found by him to have violated this Act. Before such list shall be published any person or firm appearing thereon shall have the right of judicial review after having it made known to the person or firm 30 days thereafter, notice to be given by certified mail and a determining date shall be the date shown as received by the person or firm.

Section 9. The Director and the contracting agency after proper investigation shall determine the prevailing wage for the various crafts in the work area. The prevailing wage having been determined, public notice thereof shall then be advertised 30 days prior to bid letting by publication one time in a daily newspaper within the work area. If no daily newspaper is located in said work area, then publication shall be made in any weekly newspaper in said work area chosen by the contracting agency. No change in such wages shall be made by the Director or the contracting agency after such prevailing wage notice has been properly advertised and the 30 days have expired. During the 30 day period prior to bid letting a responsible contractor shall have the privilege of being heard by the Director of the Department of Labor.

Section 10. In determining the said prevailing wage, the Director and the contracting agency shall be required to consider: (1) wage scales fixed by union-management collective bargaining agreements in the area, (2) the prevailing wage determination made for the area by the Secretary of Labor of the United States under the provisions of Title 40, U. S. Code, Section 276 a, the Davis-Bacon Act, (3) the wages actually paid various classes of workmen, laborers and mechanics employed on project of work of similar character to the contract work in the same or similar area within the state, and (4) any other pertinent date or facts that may be deemed relevant and proper to such determination.

Section 11. "Prevailing wage" includes any and all fringe benefits, such as payment for health and welfare, pensions, vacation, life insurance, apprenticeship programs or supplemental unemployment benefit programs that may be a part of union contracts for workmen, laborers and mechanics under collective bargaining agreements for various trades within the area, or that may be paid by employers without a collective bargaining agreement. The Department shall determine the fringe benefits prevailing within the area and incorporate the value of the fringe benefits in the amount of the prevailing wages and in determining whether the contractor is paying the prevailing wages, add the value of the fringe benefits to the value of the wages being paid.

Section 12. Each prevailing contractor and subcontractor with the general or prime contractor shall furnish a list of the subcontractors to the Director and the contracting agent within 15 days from the first date of employment. Upon commencement of the work each contractor and subcontractor shall certify the weekly payroll which shall contain the employee's name, address, classification, wage rate applicable, social security number, zip code number, daily hours worked and other pertinent information as directed by the Department of all employees on the job and submit this in duplicate to the contracting agent not less than once per calendar month.

Section 13. Upon certification and proof to the Department that any corporation or person who has entered into a public works contract has or is paying less than the prevailing wages for any mechanic or laborer as determined for this classification shall be contacted by the Department for immediate correction and retribution to the employee. Failing in this the state agency awarding the contract will withhold from the prime contractor, person or corporation all monies claimed until all alleged claims of laborers and mechanics have been satisfactorily resolved. In addition to the above provisions any person or corporation that willfully pays or provides, after entering into a public works contract, less than such prevailing wages as determined by the Director and the contracting agency may for the first offense be fined not less than \$10.00 nor more than \$250.00 or imprisoned for not more than 30 days, or both, and for the second and subsequent offenses shall be fined not less than \$1,000.00 or imprisoned for not more than 60 days, or both.

Any error judicially found to be unintentional shall carry a penalty of less degree and shall only be subject to fine and no imprisonment. In addition, on conviction for second and subsequent offenses the public works contract (s) then current, if any, may be forfeited and the offender shall not be entitled to any payment thereunder except for work completed.

Section 14. The governing authority of any municipality, or other local political subdivision not otherwise covered by this Act, may, by appropriate ordinance or resolution, require payment of the prevailing minimum wage determined by the Director and the contracting agency or by itself or its agents in all public works contracts let by the said local authority in the same manner and with the same compliance and enforcement procedures, powers and penalties as provided by this Act.

Section 15. The sections and provisions of this statute are severable and if any one portion of this Act is declared unconstitutional, the rest of it shall remain in full force and effect, each and every section being subject to judicial review.

Section 16. The provisions of this Act applies only to the employment of mechanics and/or laborers and contracts to be performed within the geographical limits of the State of Alabama.

Section 17. All laws or parts of laws insofar as they are inconsistent or in conflict herewith are hereby repealed.

Section 18. This Act shall become effective upon its passage and approval by the Governor or upon its otherwise becoming a law.

The motion of Mr. Headley to suspend the rules in order to dispense with the reading at length of the above and foregoing substitute for the bill, H. 223, was lost.

On motion of Mr. Headley, the above and foregoing substitute, reported by the Standing Committee on Business and Labor for the bill, H. 223, was laid upon the table.

Mr. Marr offered the following substitute for the bill, H. 223:

A BILL
TO BE ENTITLED
AN ACT

To express the public policy of the State of Alabama relative to the payment of prevailing minimum wages in the particular area on all projects of the State or its agencies, to require that the prevailing wages be ascertained in advance of such projects and that all bidders therein be bound by these determinations and all contractors be required to comply therewith; to define what is included in the term "wages" and to set forth the method of making the said determinations; and to authorize local governing bodies to make similar requirements in their contracts for public works.

Be It Enacted by the Legislature of Alabama:

SECTION 1: It is hereby declared to be the public policy of this State that the State of Alabama or any state agency, department or board thereof which is the contracting authority for construction, alteration and/or repairs to be performed on state owned properties or to be state financed, in whole or in part, to be performed by private contractors; shall require the successful bidder to pay the prevailing wage in the work area to their employee.

SECTION 2: As used in this Act:

1. Director means that person designated under Title 26, Section 379, Code of Alabama, 1940, or as hereafter amended, or his duly authorized deputy or representatives.

2. Department means the Department of Labor of the State of Alabama.

3. Contractor means any person, firm or corporation licensed to do business in the State of Alabama as a contractor, said license authorizing the performance in a single contract of the public work to be performed.

5. Contracting authority means any officer, board or commission of the State or any state institution supported in whole or in part by State funds, authorized to enter into a contract for a public work.

6. Workman shall mean and include laborer, mechanic, skilled or semi-skilled, laborer and apprentices or helpers employed by any contractor or subcontractor and engaged in the performance of services directly upon a public work, regardless of whether their work becomes a component part thereof, but does not include material suppliers or their employees who do not perform services at the job site, but shall not include executive, administrative, professional, office or custodial employees.

7. Work area means a county within which the physical work on any public work is to be performed.

8. Prevailing wage means the wage rate fixed by the Director pursuant to the provisions of this Act.

SECTION 3: Every contract in excess of Two Thousand Dollars (\$2,000.00) for any public work to which any contracting authority is a

party shall contain a provision stating the prevailing wage rate which can be paid to the workmen employed in the performance of the contract and the contract shall contain a stipulation that such workmen shall be paid not less than such prevailing wage rate. Such contract shall also contain a provision that in the event it is found that any workman employed by the contractor or any subcontractor covered by said contract has been paid a rate of wages less than the prevailing wage required to be paid by such contract the contracting authority may terminate the contractor's or subcontractor's right to proceed with the work, or such part of the work as to which there has been a failure to pay required wages and to prosecute the work to completion or otherwise. The contractor or any subcontractor covered by said contract and his sureties shall be liable to the contracting authority for any excess costs occasioned thereby.

SECTION 4: The contracting authority awarding any contract for public work or otherwise undertaking any public work shall ascertain from the Director the prevailing wage rate in the locality in which the public work is to be performed for each craft or trade needed to perform the contract and shall specify in the contract itself what the prevailing wage rate in the locality is for each craft or trade or classification of all workmen needed to perform the contract during the anticipated term thereof. The prevailing wage rate furnished by the Director shall not be amended or changed in any way after the first advertisement for bids has been published by the contracting authority.

SECTION 5: Contractors and subcontractors performing public work subject to the provisions of this Act shall post the prevailing wage rates for each craft and classification involved as determined by the Director, including the effective date of any changes thereof, in prominent and easily accessible places at the site of the work or at such place or places as are used by them to pay workmen their wages. Such contractors and subcontractors shall mail to the Department an affidavit certifying that such notice has been posted and is being maintained on the site of such work or at the place used by them to pay workmen their wages. Such affidavit shall be forwarded within 5 days of the commencement of work and shall contain sufficient information to identify the public work, the contractor, the subcontractor, the contracting authority and the prevailing wage determination number applicable to such work.

SECTION 6: Every contractor and subcontractor shall keep an accurate record showing the name, craft or trade, an actual hourly rate of wages paid to each workman employed by him in connection with a public work and such records shall be preserved for two (2) years from date of payment. The record shall be open at all reasonable hours to the inspection of the contracting authority and the Director.

SECTION 7: The Director shall, after proper investigation, and in the exercise of his reasonable discretion, determine the prevailing wage rate and forthwith shall establish the prevailing wage in the work area in which the public work is to be performed for each craft or trade or classification of all workmen needed to perform public work contracts. In determining and computing the prevailing wage the Director shall consider, be bound by, and shall not fix the prevailing wages higher than:

1. Wage scales fixed by union-management collective bargaining agreements in the area.

2. The prevailing wage determination made for the area by the Secretary of Labor of the United States under the provisions of Title 40, U. S. Code, Section 276(a) the Davis-Bacon Act.

3. The wages actually paid various classes of workmen, laborers, and mechanics employed on project of work of similar character to the contract work in the same or similar area within the state.

SECTION 8. The Director in determining and computing the prevailing wage rate paid by employers of any craft or trade in the work area under consideration shall consider the following to be an integral part of the wage rate paid by employers of any craft or trade in the work area:

1. The basic hourly rate of pay; and
2. The amount of

(a) The rate of contribution irrevocably made by a contractor or subcontractor to a trustee or to a third person pursuant to a fund, plan, or program; and

(b) The rate of costs to the contractor or subcontractor which may be reasonably anticipated in providing benefits to workmen pursuant to an enforceable commitment to carry out a financially responsible plan or program which was communicated in writing to the workmen affected, pensions on retirement or death, compensation for injuries or illness resulting from occupational activity, or insurance to provide any of the foregoing, for unemployment benefits, life insurance, for vacation and holiday pay, for defraying costs of apprenticeship or other similar programs, or for other bona fide fringe benefits, but only where the contractor or subcontractor is not required by other Federal, State or local law to provide any of such benefits; PROVIDED, That the obligation of a contractor or subcontractor to make payment in accordance with the prevailing wage determinations of the Director may be discharged by the making of payments in cash, by the making of contributions of a type referred to in paragraph 2 (a), or by the assumption of an enforceable commitment to bear the costs of a plan or program of a type referred to in paragraph 2 (b), or any combination thereof, where the aggregate of any such payments, contributions, and costs is not less than the rate of pay described in paragraph 1 plus the amount referred to in paragraph 2.

SECTION 9. (A) Before final payment is made by any contracting authority of any sum or sums due on a public work it shall be the duty of the contracting authority to require the contractor and all subcontractors to file written statements in form satisfactory to the Director certifying to the amounts then due and owing from such contractor and subcontractors filing such statements to any and all workmen for wages due on account of the public work, setting forth therein the names of the persons whose wages are unpaid and the amount due each respectively, which statement shall be verified by the oath of the contractor or subcontractor, as the case may be. Providing, however, that nothing herein shall impair the right of a prime contractor to receive final payment because of the failure of any subcontractor to file the affidavit required by this section.

SECTION 10. (A) If brought to the attention of the contracting authority having public work performed under which any workman shall have been paid less than the prevailing wage set forth in the contract under which such public work was performed shall forthwith notify the Director in writing of the name of the contractor failing to pay such prevailing wages.

(B) Any workman may within one year from the date of the occurrence of the incident complained of, or within ninety (90) days after the completion of the contract work, whichever date shall first occur, file a protest in writing with the Director, under oath, objecting to the

amount of wages paid for service performed by him on a public work as being less than the prevailing wages for such services but in no event shall a protest in writing be considered or acted upon by the Director unless the same has been filed within the above stated period of time.

SECTION 10 (c) If any contractor shall be in doubt concerning the wage rate to be applied to any particular type of work performed by a workman he shall have the right to request that a determination be made by the Director. The Director shall make an immediate determination and any contractor relying upon such determination and complying therewith shall be deemed to have complied fully with the provisions of this Act and the prevailing wage rate involved in his contract.

SECTION 11 (A) In the event that the Director shall determine after investigation that there are reasonable grounds to believe that a contractor or subcontractor has failed to pay the prevailing wage specified in his contract for public work he shall forthwith notify said contractor or subcontractor to appear at a hearing to be held not less than ten (10) days nor more than thirty (30) days thereafter which hearing shall be conducted in Montgomery County, Alabama. At this hearing evidence may be offered and received by way of affidavit or oral testimony. The attendance of witnesses and the production of documents which might be evidence at the hearing can be compelled by the issuance of subpoena by the Director who shall issue such subpoenas as may be requested by the contractor or subcontractor. Any person failing to comply with such subpoena may be brought before the Circuit Court of Montgomery County and may be punished by such court as for a contempt thereof. Upon the conclusion of such hearing the Director shall enter an order which shall contain his findings of fact and his decision thereon, which order shall be immediately delivered to the contractor or subcontractor involved. Said order shall be final and conclusive unless an appeal therefrom is filed as hereinafter provided. If the decision of the Director finds a violation then the contractor or subcontractor may file written notice of appeal with the Department within fifteen (15) days from the date of the decision. Upon receipt of such notice of appeal the Director shall cause a transcript of the proceedings had at such hearing to be prepared and filed with the clerk of the circuit court having jurisdiction of the work area within which the alleged violation occurred, which said transcript shall be filed within thirty (30) days following receipt of notice of appeal. There shall be included in such transcript all notices and orders of the Director, and all affidavits or other documents received in evidence at the hearing. The cause shall be docketed by the clerk of the circuit court receiving such transcript as a preferred case and shall be tried therein *de novo*.

(B) If it be finally determined that any contractor or subcontractor has willfully violated any provisions of this Act or willfully failed to abide by the prevailing wage the Director shall list and keep on record the name of such contractor or subcontractor and forthwith give notice by mail of such listing to any contracting authority requesting such information or any contracting authority thereafter requesting an ascertainment by the Director of the prevailing wage rate applicable to a proposed contract for public work. The name of such contractor or subcontractor shall remain on said list for such period of time as may be determined by the Director, but in no event for more than three (3) years. If it be finally determined that the violation by the accused contractor or subcontractor was not willful but occurred through inadvertence or negligence, the Director may, in his discretion, issue a warning to such offending party or may place the name of such contractor or subcontractor on the list hereinbefore described for a period of time not exceeding six (6) months. No contract for public work shall be awarded to any contractor or subcontractor during the period of time

that they appear on said list, or to any firm, corporation, partnership or association in which said contractor or subcontractor has an interest. A second determination that a violation occurred through inadvertence or negligence shall be deemed to constitute a willful violation.

SECTION 12: Every contractor shall furnish a list of the subcontractors to the contracting authority and the Director within fifteen (15) days from the date of the contract with such subcontractor for the public work. Upon commencement of the work each contractor and subcontractor shall certify the weekly payroll which shall contain the employee's name, address, classification, wage rate applicable, social security number, zip code number, daily hours worked and other pertinent information as may be required by the Director, and shall submit this to the contracting authority and the Department not less than once per calendar month during the term of such contract.

SECTION 13: In carrying out the duties and enforcing the provisions of this Act the Director in the exercise of his reasonable discretion shall have the authority to:

(A) Investigate and ascertain the wages of workmen employed in any public work;

(B) Enter and inspect the place of business or employment of any employer or workman in any public work, for the purpose of examining and inspecting any or all books, registers, payrolls, and other records of any such employer that in any way relate to or have a bearing upon the question of wages, hours, and other conditions of employment of any such workman; copy any or all of such books, registers, payrolls, and other records as he or his authorized representative may deem necessary or appropriate; and question such workmen for the purpose of ascertaining whether the provisions of this Act have been and are being complied with

SECTION 14: If any workman is paid by an employer less than the prevailing wage to which such workman is entitled under the provisions of this Act, such workman may recover in a civil action the full amount of such prevailing wage less amount actually paid to him or her by the employer together with all costs and such reasonable attorneys' fees as may be allowed by the Court, and any agreement between such workman and the employer to work for less than such prevailing wage shall be no defense to the action. At the request of any workman paid less than the prevailing wage to which such workman was entitled under the provisions of this Act the Director may bring any legal action necessary to collect the claim, and if more than one claim is made against the same employer, then all such claims may be joined in one suit, and such action may be maintained in the name of the Director as Director of the Department of Labor of the State of Alabama.

SECTION 15: Any employer who willfully hinders or delays the Director in the performance of his duties in the enforcement of this Act, or fails to make, keep, and preserve any records as required under the provisions of this Act, or falsifies any such record, or refuses to make any such record accessible to the Director upon demand, or pays or agrees to pay wages at a rate less than the rate applicable under this Act or otherwise violates any provisions of this Act shall be guilty of a misdemeanor and shall, upon conviction thereof, be fined not less than \$100.00 nor more than \$500.00, or may be imprisoned for not less than 10 nor more than 90 days, or by both such fine and imprisonment in the discretion of the Court trying the case.

SECTION 16: The governing authority of any municipality or other local political subdivision not otherwise covered by this Act, may, by appropriate ordinance or resolution, require the payment of the prevail-

ing wage determined by the Director in all public works contracts let by the said local authority. Upon the adoption of such ordinance or resolution the local authority shall thereupon become a contracting authority within the meaning of this Act, and all the provisions of this Act shall thereupon apply to the public works contracts of such local authority.

SECTION 17: Contracts on state projects which contain provisions requiring the payment of prevailing wages as determined by the United States secretary of labor pursuant to the federal Davis-Bacon act (United States code, title 40, section 276a et seq) are exempt from the provisions of this Act.

SECTION 18: The provisions of this Act are hereby declared to be severable, and if any provision of this Act or the application thereof to any person or circumstance is held unconstitutional or invalid, the remainder of this Act and the application thereof to other persons or circumstances shall not be affected thereby, but shall remain in full force and effect.

SECTION 19: All laws or parts of laws insofar as they are inconsistent or in conflict herewith are hereby repealed.

SECTION 20: This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

H. 502 (with substitute). To amend further, Sections 9, 10, 13, 16, 18, 20 and to repeal Section 19, and to add Section 20(1), all of Chapter 2 of Title 46, Code of Alabama 1940, which relates to the registration of architects.

Was taken up.

The question was upon the adoption of the amendment reported by the Standing Committee on Judiciary, said committee amendment being as follows:

A BILL TO BE ENTITLED AN ACT

To amend further Sections 9, 10, 13, 16, and 20 and to repeal Section 19 of Chapter 2 of Title 46, Code of Alabama 1940, which relate to the registration of architects.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 9 of Chapter 2 of Title 46, Code of Alabama 1940, as amended by Act No. 226, Regular Session 1943, approved June 22, 1943, is further amended to read as follows:

"9. Nothing contained in this chapter shall prevent draftsmen, students, clerks-of-work, superintendents, and other employees of those lawfully practicing as registered architects under the provisions of this chapter, from acting under the instructions, control, or supervision of their employers, or to prevent the employment of superintendents of the construction, enlargement or alterations of buildings or any appurtenance thereto, or to prevent such superintendents from acting under the immediate personal supervision of the registered architect by whom the plans and specifications of any such buildings, enlargement or alteration work were prepared. No person shall be required to register as an architect in order to make plans and specifications for or supervise the erection, enlargement or alteration of any building upon any farm for the use of any farmer, irrespective of the cost of such building, or any single family residence building, or any utility works, structures or buildings (provided that the person performing such architectural works is employed by an electric, gas or telephone public utility regulated pursuant to the laws of Alabama or by a corporation affiliated with such utility), or of any other type building costing less than \$20,000.00 (ex-

cept schools, auditoriums, or other buildings intended for the mass assemblage of people). Nor shall anything in this chapter be held to prevent registered professional engineers or their employees or subordinates under their responsible supervising control from performing architectural services which are purely incidental to their engineering practice, provided, however, that registered architects or their employees or subordinates under their responsible supervising control may perform engineering services which are purely incidental to their architectural practice. However, no professional engineer shall practice architecture or use the designation 'architect' or any term derived therefrom unless registered under this chapter, and no architect shall practice professional engineering or use the term 'engineer' or any term derived therefrom unless he is also qualified and registered as such engineer. Otherwise any person who shall be engaged in the planning or design for the erection, enlargement or alteration of any building or buildings for others, or furnishing architectural observation and inspection of the construction thereof shall be deemed to be practicing architecture and be required to register under this chapter, and to secure all annual renewals of such registration as a condition precedent to his so doing. The term 'building' in this chapter shall be understood to be a structure consisting of foundation, walls and roof with or without the other parts."

Section 2. Section 10 of Chapter 2 of Title 46, Code of Alabama 1940, is amended to read as follows:

"10. To carry out the provisions of this chapter there shall be a state board for registration of architects hereinafter referred to as the board, consisting of six members, each of whom shall be appointed by the governor from a list of three persons selected as hereinafter provided. All appointments as members of the board shall be architects registered and licensed under the provisions of this chapter and said board shall be appointed from the following districts; one from the northern district, two from the north central district, two from the central district, and one from the southern district. The northern district shall be comprised of the counties of Colbert, Cullman, DeKalb, Franklin, Jackson, Lauderdale, Lawrence, Limestone, Madison, Marion, Marshall, Morgan and Winston; the north central district shall be comprised of the counties of Bibb, Blount, Calhoun, Cherokee, Clay, Cleburne, Etowah, Fayette, Greene, Hale, Jefferson, Lamar, Pickens, Randolph, Shelby, St. Clair, Sumter, Talladega, Tuscaloosa and Walker; the central district shall be comprised of the counties of Autauga, Barbour, Bullock, Butler, Chambers, Chilton, Coffee, Coosa, Covington, Crenshaw, Dale, Dallas, Elmore, Geneva, Henry, Houston, Lee, Lowndes, Macon, Marengo, Montgomery, Perry, Pike, Russell, Tallapoosa, and Wilcox; and the southern district shall be comprised of the counties of Baldwin, Choctaw, Clark, Conecuh, Escambia, Mobile, Monroe, and Washington. Thirty days prior to the expiration of a board member's term, or for filling a vacancy otherwise occurring, there shall be a nominating committee of six members selected by secret ballot from the district entitled to fill the vacancy, at a meeting in the district called by the secretary of the board who shall give notice in writing of the time and place of the called meeting to each architect in the district at least thirty days in advance to the date set for said meeting. Each registered architect in the district shall have the right to attend the meeting and vote on the members to be placed on the committee. After the selection of the committee from the district where the vacancy occurs, there shall be a meeting of the committee with the board at the same place within five days to select by secret ballot the names of three persons which shall be sent to the governor by the secretary of the board. The governor shall thereupon appoint one of the persons to the board. The term of office of the members of the board shall be four years and until their successors shall have been duly appointed and qualified. A member must reside and have his principle

office in the district from which appointed and his place will become vacant if he should remove either his residence or principle office from that district. All members of the board from the present northern, central and southern districts serving at the time of the enactment of this amendment and otherwise qualified under the existing statute shall continue to serve until their respective terms expire."

Section 3. Section 13 of Chapter 2 of Title 46, Code of Alabama 1940, as amended by Act No. 36, Special Session 1959, approved February 19, 1959, is further amended to read as follows:

"13. The secretary of the board shall receive and account for all monies derived from the operation of this chapter, and all monies received by the board under the provisions of this chapter shall be by the secretary certified into the treasury to the credit of the fund of the board for registration of architects, who shall keep such monies in a separate fund to be known as the 'fund of the board for registration of architects,' which shall be drawn against only for the purpose of this chapter as herein provided. The fiscal year used by the board shall commence on the first day of October and end on the 30th day of September. Each member of the board shall receive twenty-five dollars per day for attending sessions of the board or its committee, and for the time actually spent in necessary travel, in attending meetings of said board or its committee, and in addition shall be reimbursed for the necessary traveling and clerical expenses incurred in carrying out the provisions of this chapter. All expenses certified by the board as properly and necessarily incurred in the discharge of its duties, including authorized compensations, additional legal services, experts, clerks, and office rent and supplies, shall be paid out of said fund on the warrant of the comptroller of the state, issued on requisitions signed by the chairman and secretary of the board provided, however, that at no time in any one fiscal year shall the total amount of warrants issued exceed the total amount of funds accumulated under this chapter. The secretary of the board shall give a surety bond in a surety company qualified to do business in Alabama in the sum of ten thousand dollars payable to the State of Alabama and conditioned for the faithful performance of his duties under this chapter. The premium on said bond shall be paid out of monies in the treasury to the credit of the 'fund of the board for registration of architects'. Provided the board may from year to year make donations from its surplus funds to any state educational institution for assistance in promoting the education and research programs in architecture of such state institutions."

Section 4. Section 16 of Chapter 2 of Title 46, Code of Alabama 1940, is amended to read as follows:

"16. The board shall have the power to suspend for a definite period, or to revoke the certificate of registration of an architect registered hereunder who is found guilty of any fraud or deceit in obtaining a certificate of registration, or of gross negligence, incompetency, or misconduct in the practice of architecture as determined by the board at a hearing; or who has been convicted in a court of competent jurisdiction of a felony or misdemeanor involving moral turpitude; notice of the nature of the charges which have been placed against him and the time and place of said hearing, must be served upon the accused by registered mail, with a returned receipt requested, and addressed to his last known place of business, or residence, not less than ten days before the date fixed for such hearing. In all cases of suspension, or revocation of a certificate of registration as herein provided for, the accused may appeal to the circuit court of Montgomery County, Alabama, in equity. Either party, the accused, or the board, have the right to appeal from the final decree of said court as in such cases by law provided."

Section 5. Section 19 of Chapter 2 of Title 46, Code of Alabama 1940, as amended by the Act No. 226, Regular Session 1943, is hereby repealed.

Section 6. Section 20 of Chapter 2 of Title 46, Code of Alabama 1940, is amended to read as follows:

"20. It shall be lawful for a corporation to practice architecture in this state provided that all officers and stockholders of said corporation be architects registered under the laws of Alabama. Professional engineers registered under the laws of Alabama may be included as officers, or stockholders of said corporation but practice of said corporation shall be under the direct control of an officer who is a duly registered architect in this state and whose name shall appear on all documents of said corporation in its practice of architecture. The name of such corporation shall be limited to the names of the officers or stockholders including at least one architect and upon the death or resignation of any named partner, the name of the corporation shall be renamed within two years in accordance with the provisions of this act. Nothing herein shall apply to a corporation legally practicing architecture at the time of the passage and approval of this act. It shall be lawful for a partnership composed of architects registered under the laws of this state to practice architecture. Professional engineers duly registered in this state may be included in the partnership but a partnership must include at least one architect. The name of such partnerships shall be limited to the names of the partners including at least one architect and upon the death or resignation of a member thereof, said member's name shall be removed from the name of the partnership within two years."

Section 7. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

And the amendment was adopted.

Such study shall include a study of all laws relative to the taxation of oil and gas and of the oil and gas industry. The purpose of this study shall be to determine whether present laws of this state encourage the fullest recovery and most advantageous utilization possible of the oil and gas resources of the state, while at the same time safeguarding the interests of all parties having rightful claims to such oil and gas and encouraging the further development and improvement of the oil and gas industry in this state; and if not, what changes are needed in Alabama laws to accomplish such ends. The committee shall make a report of its findings, conclusions, and recommendations to the two houses not later than the fifth legislative day of the 1969 regular session; whereupon the committee shall be dissolved. SENATE MESSAGE

The S. J. R. 35 set out in the above and foregoing Message from the Senate was read and referred to the Standing Committee on Rules.

MESSAGE FROM THE GOVERNOR

To the House of Representatives
State Capitol
Montgomery, Alabama

Gentlemen:

I herewith transmit to you a message from the Governor, returning House Bill No. 36, without her approval.

Respectfully submitted,
CECIL C. JACKSON, JR.
Executive Secretary.

July 27, 1967

To the House of Representatives
State Capitol
Montgomery, Alabama

Gentlemen:

I am returning herewith to you, the Body in which it originated, House Bill 36, without my approval.

It is my opinion that this Bill would affect all of the citizens of Colbert County and would not give said citizens the right to vote on the issue. Therefore, I am submitting herewith an amendment to the Bill, which, if adopted by you would remove my objections to the Bill. The amendment, in effect, would give all of the people of Colbert County the right to vote on the issue. I suggest that the Bill be amended by deleting from said Bill Section 1 thereof and inserting the following:

"Section 1. Upon the petition of twenty-five per cent of the number of voters voting in the last preceding county election being filed with the city clerk of any incorporated city in Colbert County with a population of not less than 4,000 inhabitants according to the most recent federal decennial census, the mayor or chief executive officer of the city must call an election for the purpose of determining the sentiment of the people of Colbert County as to whether alcoholic beverages can be legally sold or distributed within any such city. The election shall be held and the officers appointed to hold the same shall be appointed in the manner provided by law for holding county elections, and the returns thereof shall be tabulated and the results certified as provided by law for county elections. The election shall be held within not less than 30 days, nor more than 45 days, from the date of filing of said petition, and notice thereof shall be given by the city clerk by publication once a week for at least three weeks before the date of said election, in a newspaper of general circulation in the county, or if there be none, by posting such notice at the county courthouse in the county. Such notice shall apprise the voters of the county that an election will be held in such county to determine whether or not alcoholic beverages may be legally possessed, sold and distributed in such city. The cost of such election, including the costs of notice by publication shall be paid out of city funds. On the ballot to be used for such election the question shall be in the following form: "Do you favor the legal sale and distribution of alcoholic beverages within (name of city)? Yes____. No____. Only qualified voters of Colbert County shall vote in said election. If a majority of the electors

voting in said election vote "Yes", then alcoholic beverages may, except as hereinafter provided, be legally possessed, sold and distributed in said city in the same manner and under the same circumstances and conditions that alcoholic beverages may be possessed, sold and distributed in a "wet county" under Code of Alabama 1940, Title 29, Chapter 1, as amended and supplemented; and the provisions of said Chapter 1, Title 29, Code of Alabama 1940, shall govern the possession, sale and distribution of alcoholic beverages in such city as fully as if Colbert County had voted to become a "wet county" as authorized in Code of Alabama 1940, Title 29, Section 68. If a majority of the electors voting in said election vote "No", then alcoholic beverages may not be legally possessed, sold or distributed in such city until the possession, sale and distribution thereof shall be authorized at a subsequent election held under this Act or at a subsequent countywide election whereby Colbert County becomes a wet county. Elections under this Act may be held at any time, provided a period of not less than two years must elapse between the dates of such elections."

Respectfully,

LURLEEN B. WALLACE,
Governor.

July 27, 1967

GOVERNOR'S MESSAGE

The House proceeded to reconsider the bill:

H. 36. Further regulating the liquor traffic in Colbert County and authorizing cities in such county to become wet cities if the legal possession, sale and distribution of alcoholic beverages is approved at an election held as authorized in this Act.

Be It Enacted by the Legislature of Alabama:

Section 1. All words, terms, and phrases that are defined in Act No. 100, H. 94, Second Special Session 1959 (Acts 1959, p. 298), as amended, the state sales tax act, and in Code of Alabama 1940, Title 51, Chapter 20, Article 11, as amended, shall, where used in this Act, have the meanings respectively ascribed to them in said Act No. 100 and Code of Alabama 1940, Title 51, Chapter 20, Article 11, as heretofore amended, except where the context herein clearly indicates a different meaning. In addition, the following words, terms, and phrases where used in this Act shall have the following respective meanings except where the context clearly indicates a different meaning:

"State sales tax statutes" means Act No. 100, H. 94, Second Special Session 1959 (Acts 1959, p. 298), which levies a retail sales tax for state purposes, and includes all statutes, including amendments to said Act No. 100, heretofore enacted which expressly set forth any exemptions from the computation of the tax levied in said Act No. 100 and all other statutes heretofore enacted which expressly apply to, or purport to affect, the administration of said Act and the incidence and collection of the tax imposed therein;

"State sales tax" means the tax imposed by the state sales tax statutes;

"State use tax statutes" means Code of Alabama 1940, Title 51, Chapter 20, Article 11, as heretofore amended, including all statutes heretofore enacted which expressly set forth any exemptions from the computation of the tax levied in said Article 11 and all other statutes heretofore enacted which expressly apply to, or purport to affect, the administration of the said article and the incidence and collection of the tax imposed therein;

"State use tax" means the tax imposed by the state use tax statutes;

"Registered seller" means the person registered with the state department of revenue pursuant to the state use tax statutes or licensed under the state sales tax statutes.

"Month" means the calendar month;

"Quarterly period" means the period of three months ending on the last day of each March, June, September, and December;

"Fiscal year" means the period commencing on October 1 of each calendar year and ending on September 30 of the next succeeding calendar year.

Section 2. The court of county commissioners, board of revenue, or like governing body of Marion County is hereby authorized to order an election to determine whether or not special privilege license and excise taxes, in the amounts hereinafter provided, shall be levied for educational purposes within the county. The sheriff must give notice at least thirty days before any election to be held under this Act, by publication in some newspaper in the county, if any is published therein, and if not, by written notice posted at the courthouse door, and at three other public places in the county, of the time of holding and the purpose of the election. The court of county commissioners, board of revenue, or like governing body of Marion County shall provide for the holding of the election on the date specified in the notice. If the question of levying the special taxes authorized herein fails to carry at any such election, that fact shall not preclude the submission of the question to the voters at subsequent elections held in accordance with this Act.

Section 3. The court of county commissioners, board of revenue, or like governing body of Marion County shall declare the result of the election, and if a majority of the electors voting on the question have voted in favor of the special taxes, the court of county commissioners, board of revenue, or like governing body of the county may by resolution or ordinance levy, in addition to all other taxes of every kind now imposed by law, a county privilege or license tax against the person on account of business activities in an amount to be determined by the application of rates against gross sales, or gross receipts, as the case may be, and a county excise tax, as follows:

1. Upon every person, firm, or corporation (not including the State of Alabama or the Alabama Alcoholic Beverage Control Board or ABC stores) engaged or continuing within Marion County in the business of selling at retail any tangible personal property whatsoever, including merchandise and commodities of every kind and character, (not including, however, bonds or other evidence of debt or stocks), an amount equal to one percent of the gross proceeds of sales of the business. Any person engaging or continuing in business as a retailer and wholesaler or jobber shall pay the tax required on the gross proceeds of retail sales of such businesses at the rates specified when his books are kept, so as to show separately the gross proceeds of sales of each business, and when his books are not so kept he shall pay the tax as retailer, on the gross sales of the business. Provided that where all the sales of a company are single sales of peanut products, milk products, coffee, and confections sold in dispensing machines located in industrial plants or on private property for employees where such machines dispense exclusively articles not to exceed ten cents (10c) per sale, and the person operating such machines shall be engaged in the business of selling exclusively articles not to exceed ten cents (10c) per sale and shall file with the State Department of Revenue a sworn statement to that effect and shall keep and maintain records satisfactory to the State Department of Revenue the gross receipts tax herein provided for shall not be levied.

2. Upon every person, firm, or corporation engaged or continuing within Marion County in the business of conducting or operating places of amusement or entertainment, billiard and pool rooms, bowling alleys, amusement devices, musical devices, theaters, opera houses, moving picture shows, vaudeville, amusement parks, athletic contests, including wrestling matches, prize fights, boxing and wrestling exhibitions, football and baseball games (including athletic contests conducted by or under the auspices of any educational institution or any athletic association thereof, or other association whether such institution or association be denominational, a state, county, or city school, or other institution, association or school), skating rinks, race tracks, golf courses, or any other place at which any exhibition, display, amusement or entertainment is offered to the public, or place or places where an admission fee

is charged, including public bathing places, public dance halls of every kind and description conducted or carried on within Marion County, an amount equal to one per cent of the gross receipts of any such business.

3. Upon every person, firm or corporation engaged or continuing within Marion County in the business of selling at retail any automotive vehicle or truck trailer, semi-trailer or house trailer an amount equal to one per cent of the gross proceeds of sale of said automotive vehicle or truck trailer, semi-trailer or house trailer. Provided, that where any used automotive vehicle or truck trailer, semitrailer, or house trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

4. There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state sales tax statutes from the computation of the amount of the state sales tax. In addition, there shall be exempted from the computation of the amount of the tax the gross proceeds of the sale of machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property; provided, that the term "machines", as herein used, shall include machinery which is used for mining, quarrying, compounding, processing, or manufacturing tangible personal property, and the parts of such machines, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used.

5. An excise tax on the storage, use, or other consumption in Marion County of tangible personal property purchased at retail, on or after the first day of the month next succeeding the month during which this Act shall become a law, for storage, use or other consumption in Marion County, at the rate of one percent of the sale price of such property, regardless of whether the retailer is or is not engaged in business in Marion County or in this State, except as provided in subsection 7 of this section.

6. An excise tax on the storage, use or other consumption in Marion County of any automotive vehicle or truck trailer, semi-trailer or house trailer purchased at retail on or after the first day of the month next succeeding the month during which this Act becomes a law, for storage, use or other consumption in this State at the rate of one percent of the sales price of such automotive vehicle, truck trailer, semi-trailer or house trailer. Where any used automotive vehicle or truck trailer, semitrailer or house trailer is taken in trade, or in a series of trades, as a credit or part payment on the sale of a new or used vehicle, the tax levied herein shall be paid on the net difference, that is, the price of the new or used vehicle sold less the credit for the used vehicle taken in trade.

7. There are exempted, however, from the provisions of this section and the tax imposed in this section the storage, use, or other consumption of property the storage, use, or other consumption of which is presently exempted under the state use tax statutes from the state use tax. The storage, use, or other consumption in Marion County of the following tangible personal property is hereby specifically exempted from the tax imposed by this section: machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property; provided, that the term "machine", as herein used, shall include machinery which is used for mining, quarrying, compounding, processing, or manufacturing tangible personal property, and the parts of such machines, at-

tachments and replacements therefor, which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used. Subject to these exemptions, every person storing or using or otherwise consuming in Marion County tangible personal property purchased at retail shall be liable for the tax imposed by this section, and the liability shall not be extinguished until the tax has been paid by such person as herein provided; provided, however, that a receipt from a registered seller given pursuant to Section 5 of this Act to the purchaser of any property to be used, stored, or consumed in Marion County shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 4. The taxes levied in Section 3, subsections 1, 2, and 3, of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the taxes levied in Section 3, subsections 5 and 6, of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied in this Act shall be paid to and collected by the state department of revenue at the same time and along with the collection of the state sales tax and the state use tax. On or prior to the due dates of the taxes herein levied each person subject to such taxes shall file with the state department of revenue a report or return in such form as may be prescribed by the department, setting forth, with respect to all sales and business that are provided in Section 3, subsections 1, 2, and 3, hereof to be used as a measurement of the tax levied in said Section 3, subsections 1, 2, and 3, a correct statement of the gross proceeds of all such sales and the gross receipts of all such business and setting forth, with respect to the tax levied in Section 3, subsections 5 and 6, hereof, the total sales price of all property, the use, storage, or other consumption of which became subject to the tax imposed by said Section 3, subsections 5 and 6, during the then preceding quarterly period; provided, however, that said report shall include also such other items of information pertinent to the said taxes in the amount thereof as the state department of revenue may require. Any person subject to the taxes levied in Section 3, subsections 1, 2, and 3, hereof may defer reporting credit sales until after their collection, and in the event he so defers reporting them, he shall thereafter include in each monthly report all credit collections made during the month preceding, and shall pay the taxes due thereon at the time of filing such report. All reports or returns filed with the state department of revenue under this section shall be available for inspection by the chairman of the Marion County Board of Revenue, or his designated agent, or the chairman of the Marion County Board of Education, or his designated agent, at reasonable times during business hours.

Section 5. Every registered seller making sales of tangible personal property for storage, use, or other consumption in Marion County (which storage, use, or other consumption is not herein exempted from the tax imposed in Section 3, subsections 5 and 6, hereof) shall at the time of making such sale or if the storage, use, or other consumption of such tangible personal property in Marion County is not then taxable under this Act, at the time such storage, use or other consumption becomes taxable hereunder, collect the tax imposed by Section 3, subsections 1, 2, and 3, of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the state department of revenue. On the twentieth day of the month following the close of each quarterly period provided for in Section 4 hereof, each registered seller shall file with the state department of revenue a return for the

preceding quarterly period in such form as may be prescribed by the department showing the total sales of the tangible personal property sold by such registered seller, the storage, use or other consumption of which became subject to the tax imposed by Section 3, subsection 5 and 6, of this act during the then preceding quarterly period and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return provided that any registered seller may defer collecting the tax with respect to credit sales until collection of the proceeds of such sales and may defer reporting credit sales until after their collection, but shall thereafter collect the said taxes along with collection of said credit sales and shall include in each quarterly report all credit collections made during the preceding quarterly period and shall remit the taxes with respect thereto at the time of filing such report or return. Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in Marion County need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property the storage, use, or other consumption of which is subject to the tax imposed by Section 3, subsections 5 and 6, of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 4.

Section 6. Each person engaging or continuing within Marion County in a business subject to the taxes levied in Section 3, subsections 1, 2, and 3, of this Act shall add to the sales price or admission fee and collect from the purchaser or the person paying the admission fee the amount due by the taxpayer on account of said taxes levied in said Section 3, subsections 1, 2, and 3; and every registered seller shall likewise add to the sales price and collect from the purchaser the amount of any tax which such registered seller is required by Section 5 hereof to collect. It shall be unlawful for any person subject to the tax levied in said Section 3, subsections 1, 2, and 3, to fail or refuse to add to the sales price or admission fee and to collect from the purchaser or person paying the admission fee the amount herein required to be so added to the sales or admission price and collected from the purchaser, and it shall likewise be unlawful for any person subject to said tax to refund or offer to refund all or any part of the amount so collected or to absorb or advertise directly or indirectly the absorption or refund of said tax or any portion thereof. It shall likewise be unlawful for any registered seller to fail or refuse to add to the sales price and to collect from the purchaser the amount of the tax imposed by Section 3, subsections 5 and 6, of this Act or to refund or offer to refund or absorb, or to advertise directly or indirectly the absorption of said tax or any portion thereof.

Section 7. The taxes imposed by this Act shall constitute a debt due the Marion County board of education and may be collected by civil suit, in addition to all other methods provided by law and in this Act. The said taxes, together with interest and penalties with respect thereto, shall constitute and be secured by a lien upon the property of any person from whom said taxes are due or who is required to collect said taxes. All of the provisions of the revenue laws of this State which apply to the enforcement of liens for license taxes due this State shall apply fully to the collection of the taxes herein levied, and the state department of revenue, for the use and benefit of the Marion County board of education shall collect such taxes and enforce this Act and shall have and exercise for such collection and enforcement all rights and remedies that this State or the department has for collection of the state sales tax and the state use tax. The state department of revenue shall have full authority to employ such special counsel as it deems necessary from time to time to enforce collection of the taxes authorized to be levied by this Act, and to otherwise enforce the provisions of this Act, including any

litigation involving this Act; and the department shall pay such special counsel such fees as it deems necessary and proper from the proceeds of the taxes collected by it for the Marion County board of education.

Section 8. LEGAL NOTICE

A BILL TO BE ENTITLED AN ACT

Relating to the City of Florence, Alabama; providing for the planning, design, location, financing, acquisition of property for, construction, alteration, enlargement, use, maintenance, operation, and fostering of off-street automobile parking facilities in such city.

Be It Enacted by the Legislature of Alabama:

Section 1. It is hereby determined and declared that in the City of Florence, Alabama, the free circulation of traffic of all kinds through the streets of said municipality is necessary to the health, safety and general welfare of the public; that in recent years the greatly increased use by the public of motor vehicles of all kinds has caused serious traffic congestion in streets of said municipality; that the parking of motor vehicles in the streets has contributed to this congestion; that such congestion prevents the free flow of traffic in, through and from such municipality, impedes the rapid and effective fighting of fires and disposition of police force, threatens irreparable loss in the values of urban property within said city which can no longer be readily reached by vehicular traffic and endangers the health, safety and welfare of the general public; that this traffic congestion is not capable of being adequately abated except by provisions of sufficient off-street parking facilities; that adequate off-street parking facilities have not been provided and parking spaces now existing must be forthwith supplemented by off-street parking facilities provided by public undertaking; and that the enactment of the provisions of this Act is hereby declared to be a public necessity. This Act shall apply only to such city.

Section 2. The council or other governing body of the City of Florence, Alabama, is hereby authorized and empowered to acquire, receive, take and hold, whether by purchase, gift, lease, devise, or otherwise, property of every description, whether real, personal or mixed, and

to manage said property and to develop any undeveloped property owned, leased or controlled by such city for the purposes hereinafter set out; to execute such contracts and other instruments and to take such other action as may be necessary and convenient to carry out the provisions of this Act or to exercise the power granted hereunder; to plan, establish, acquire, construct, enlarge, improve, maintain, equip, operate, regulate and protect parking facilities; to lease or let such facilities or any one or more of them or any part thereof for any use or uses to such tenant or tenants for such term, or terms, at such compensation or rental as the council or other governing body may from time to time direct; to issue interest bearing revenue bonds payable from the limited sources hereinafter referred to; to pledge for payment of such bonds any revenues or funds from which such bonds are made payable; to make and enter into contracts, leases and agreements incidental to or necessary for the accomplishment of any purpose or purposes authorized by this Act; to make and enforce rules and regulations governing the use of any parking facilities owned or controlled by said city; to cooperate with the State; any county, city, town, public corporation, agency, department, or political subdivision of the State, and to make such contracts with them or any of them as the council or other governing body may deem advisable to accomplish the purposes of this Act; to receive and accept grants for or in aid of the construction, extension, improvement, maintenance or operation of any parking facility from the United States of America or any agency thereof, from the state, any department or agency thereof and any political subdivision thereof and to receive and accept money, property, labor or other things of value from any source whatsoever; and to do any and all things necessary or convenient for the exercise of any power herein granted.

Section 3. The council or other governing body of the City of Florence, Alabama is hereby specifically authorized to lease any said parking facilities constructed under the provisions of this Act; provided, however, that prior to leasing any such parking facility the council or other governing body must determine and find the following: the amount necessary in each year to pay the principal of and the interest on the bonds proposed to be issued to finance such project; the amount necessary to be paid each year into any reserve fund which the council or other governing body may deem it advisable to establish in connection with the retirement of said bonds and the maintenance of said parking facility or facilities; and, unless the terms under which the project is to be leased, provided that the lessee shall maintain the project and carry all proper insurance (including liability insurance) with respect thereto, the estimated cost of maintaining the parking facility in good repair and keeping it properly insured. The lease agreement shall provide for the payment of rentals based on such findings and determinations as are sufficient (a) to pay the principal of and interest on the bonds issued to finance the parking facility, (b) to build up and maintain any reserve deemed by the council or other governing body to be advisable in connection therewith, (c) unless the agreement of lease obligates the lessee to pay for the maintenance and proper insurance (including liability insurance) of the parking facility, to pay the cost of maintaining the parking facility in good repair and keeping it properly insured. The lease agreement may, at the discretion of the council or other governing body, contain provisions prescribing minimum operating hours, maximum charges to be collected by the operator, and other terms to be observed by the lessee.

Section 4. The principal of and interest on any bonds issued under this Act shall be secured by a pledge of the revenues out of which such bonds may be made payable and may be secured by a mortgage covering all or any part of any project or projects from which the revenues so pledged may be derived, and may be secured by a pledge of the lease

of such project. The proceedings under which such bonds are authorized to be issued or any such mortgage may contain any agreements and provisions customarily contained in instruments securing bonds, including, without limiting the generality of the foregoing, provisions respecting the fixing and collection of rents for any project covered by such proceedings or mortgage, the terms to be included in the lease of such project, the maintenance and issuance of such project, the creation and maintenance of special funds from the revenues from such project, and the rights and remedies available in event of default of the bond holders or to the trustee under a mortgage, all as the governing body shall deem advisable and as shall not be in conflict with the provisions of this Act; provided, however, that in making any such agreements or provisions, the municipality shall not have the power to obligate itself except with respect to the project and the application of the revenues therefrom and shall not have the power to incur a pecuniary liability or a charge upon its general credit or against its taxing powers. The proceedings authorizing any bonds hereunder and any mortgage securing such bonds may provide that, in the event of default in payment of the principal of or the interest on such bonds or in the performance of any agreement contained in such proceedings or mortgage, such payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and to apply the revenues from the project in accordance with such proceedings or the provisions of such mortgage. Any such mortgage may provide also that, in the event of default in such payment or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed either by sale at public outcry or by proceedings in equity, and may provide that any trustee under such mortgage or the holder of any of the bonds secured thereby may become the purchaser at any foreclosure sale if the highest bidder thereof. No breach of any such agreement shall impose any pecuniary liability upon the municipality or any charge under its general credit or against its taxing powers.

Section 5. Any bonds issued hereunder and at any time outstanding may at any time and from time to time be refunded by such city by the issuance of its refunding bonds in such amount as the governing body may deem necessary but not exceeding any amount sufficient to refund the principal of the bonds so to be refunded, together with any unpaid interest thereon and any premium and commissions necessary to be paid in connection therewith. Any such refunding may be effected whether the bonds to be refunded shall have then matured or shall thereafter mature, either by sale of the refunding bonds and the application of the proceeds thereof for the payment of the bonds to be refunded thereby, or by exchange of the refunding bonds for the bonds to be refunded thereby, provided, that the holders of any bonds so to be refunded shall not be compelled without their consent to surrender their bonds for payment or exchange prior to the date on which they are payable, or if they are called for redemption, prior to the date on which they are by their terms subject to redemption. Any refunding bonds issued under the authority of this Act shall be payable solely from the revenues out of which the bonds to be refunded thereby were payable, and shall be subject to the provisions contained in Section 4 of this Act, and may be secured in accordance with the provisions of Section 3 of this Act.

Section 6. The proceeds from the sale of any bonds issued under authority of this act shall be applied only for the purpose for which the bonds were issued; provided, however, that any accrued interest and premium received in any such sale shall be applied to the payment of the principal of or the interest on the bonds sold; and provided, further, that if for any reason any portion of such proceeds shall not be needed for the purpose for which the bonds were issued, then such unneeded portion of said proceeds shall be applied to the payment of the principal of or

the interest on said bonds. The cost of acquiring any project shall be deemed to include the following: the actual cost of the construction of any part of a project which may be constructed, including architect's and engineer's fees; the purchase price of any part of a project that may be acquired by purchase; all expenses in connection with the authorization, sale and issuance of the bonds to finance such acquisition; and the interest on such bonds for a reasonable time prior to construction, during construction, and for not exceeding six months after completion of constructions.

Section 7. The city subject to the provisions of this Act may pay out of its general funds or otherwise contribute any part of the costs of acquiring a project, and may use land already owned by the municipality, or in which the municipality has an equity, for construction thereof of a project; and the municipality may accept donations of property to be used as a part of any project and money to be used for defraying any part of the cost of any project; provided, however, that where revenue bonds are issued, or to be issued, such city shall make no contribution of money or property which would cause such bonds to be debts within the meanings of Section 225 of the Constitution of the State of Alabama or bonds within the meaning of Section 222 of the Constitution of the State of Alabama.

Section 8. Bonds issued under the provisions of this Act shall be legal investments for banks and insurance companies and savings banks organized under the laws of this state, executors, administrators, trustees and other fiduciaries.

Section 9. The bonds authorized by this Act and the income therefrom, all mortgages executed as security therefor, all lease agreements made pursuant to the provisions hereof, and all projects and the revenues derived from any lease thereof shall be exempt from all taxation in the State of Alabama.

Section 10. Neither this Act nor anything herein contained shall be construed as a restriction or limitation upon any powers which the municipality might otherwise have under any laws of this state, but shall be construed as cumulative; and this Act shall not be construed as requiring an election by the voters of the municipality prior to the issuance of bonds hereunder by such municipality unless required by the Constitution of the State of Alabama.

Section 11. If any section, provision, or clause of this Act shall be declared invalid, or unconstitutional, such declaration shall not affect the part or parts which remain.

Section 12. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Before issuing such certificate of exemption, the superintendent shall require a certificate from the county health officer in counties which have a health unit, and from a regularly licensed, practicing physician in counties which do not have a health unit, that such child is physically or mentally incapacitated for school work; (b) a child eighteen years of age and upward or a child who has completed the course of study of the public schools of the state through high school as now constituted; (c) where because of the distance a child resides from school and the lack of public transportation such child would be compelled to walk over two and one-half miles to attend a public school; (d) where the child is legally and regularly employed under the provisions of the law relating to child labor and who holds a permit to work granted under the terms of said child labor law, provided it is determined by the county superintendent of education or the city superintendent of schools, with the concurrence of the principal, that it is a hardship case and it is necessary for the child to be employed."
